POPULATION CHECK MOST ESSENTIAL

ASOKA MEHTA'S WARNING

Mysore, Oct. 9

At present we are engaged in achieving a breakthrough in the field of agriculture. This has to be achieved. But if the rate of population keeps increasing it will jeopardise our plans, warned Sri Asoka Mehta, Union Minister for Social Welfare.

Inaugurating the All-India Seminar on Regional Development and Planning at Manasa Gangotri, the former Planning Minister said the growth of population at the beginning of our five-year plans was 1.2 per cent. Today it has reached the rate of 2 3 per cent. An increase of 12 or 13 million people every year cannot be sustained by any great agricultural revolution. No amount of rapid development will prevail on it. The whole family planning programme has to be undertaken at a heroic pace or otherwise there will be a breakdown, Sri Asoka Mehta warned.

Development of a nation is like climbing of a hill. The early part of the climbing is easy. But it is afterwards there rests the hard climb. It is that kind of a decade we are in. It is here that real contribution has to made for the development of the nation.

By the end of the second plan our country still remained undeveloped. But today after 15 years of planning we are an under-developing nation. We are some what in the midway of development, he said.

SriMehta referred to the quick development by the war-torn countries like Japan and Germany, referred to often by people, and said when those countries were devastated by war the people had their skill and managerial ability. What was needed was recovery and rebuilding of what had been lost. But a developing country like India do not start with this skill and ability. This has to be created.

Sri Asoka Mehta said that he believed in unbalanced development of a nation. India cannot be developed evenly. The whole strategy of planning is that certain areas develop faster than the others. It is, therefore, necessary to identify quick developing areas and make block investments which would give immediate results. This is what is to be done, he said.

He said in the country 80 million acres will yield as much as 72 million tons of foodgrains. Whereas, 220 millions acres in other areas will yield only 48 million tons. So only ten per cent of the land has to be developed intensively and this is what is being done to achieve a breakthrough on the food front. Here, the Union Minister stressed the need for regional planning and development having national resources and development in mind.

(It was regrettable that for anAllIndia levelSeminar in which aUnion Minister was participating, the organisers of the Department of Post-Graduate Studies and Research in Geography, Mysore University, not to make proper arrangements for the Press).

'If anybody shows friendship our reaction is one of friendship'', Prime Minister Indira Gandhi reciprocating Pakistan's reported desire for friendship with India, told newsmen at Delhi yesterday.

Krishna Water Dispute

CM PLEADS FOR ARBITRATION

Bangalore, Oct. 9

Chief Minister Nijalingappa stated here yesterday that he had urged the Centre not to allow Andhra to erect crest gates at the Nagarjunasagar Dam while the Krishna water dispute remained unsolved.

He said he had strongly objected that construction of crest gates would create a vested interest and a prescriptive right in favour of Andhra.

The Chief Minister said that during theDelhi conference on Saturday, the Chairman of the Central water and Power Commission had admitted that construction of crest gates at the Dam was not contemplated in the first stage of the project.

Mysore had reiterated its stand that the dispute should be referred to arbitration.

He said the State's time limit of Oct. 31 for referring the dispute for arbitration 'stands'.

Andhra Chief Minister Brahmananda Reddy said that Prime Minister IndiraGandhi had ruled out arbitration as it would not solve the problem.

He wanted the status quo to be continued until the extent of available water was determined afresh in a scientific way.

Better Lighting For City

Mysore, Oct. 9

The street lighting in the City needed to be improved on a planned basis so as to brighten the city better, Divisional Commissioner M. S. Swaminathan said here yesterday.

He was distributing prizes to the winners in the Market Show arranged by the City Municipality at the Devaraja Market.

The Divisional Commissioner also called upon the civic body to bear in mind the maintaining of beauty and cleanliness of the city for which it was well-known.

He said all the development activities of the civic body should be done in a planned way.

Municipal President B. C. Lingiah welcomed the chief guest. Commissioner Prabhakara read a report. Vice-President K.V. Ananthramiah proposed a vote of thanks.

In the morning, Vice-Chancellor K.L. Shrimali inaugurating the Market Show called upon the fruit and vegetable sellers to maintain quality and supply fresh fruits and vegetables to the citizens.

MEDICAL EDN. IN ENGLISH

Medical education should be left outside the purview of change-over to the regional languages as media of instruction, Union Health Minister S. Chandrasekhar stated yesterday.

He said the adoption of regional languages as the media of medical education would result in "an enormous amount of translation of all texts into our languages and there will be difficulties of recruitment of medical personnel for the defence and civil posts in the Central Government".

Dr. Chandrasekhar said there must be no dogmatic enforcement of the change-over at the university stage. The decision must be left to the university authorities.

Regulated Market Work Commended

Mysore, Ocp. 14

Chief Minister Nijalingappatoday laid the foundation stone for the rest house and hotel to be constructed by the Mysore Regulated Market Committee, at the Old Santhepet.

Srs K. Kempaveeragowd president of the commitiee welcoming the gathering said the proposed scheme would cost Rs 1,72,000. The market was now dealing with 56 agriculturai commodities and earned Rs one lakh. For the convienence of auction, platforms had been put up at a cost of Rs. 4 lakhs.

The Chief Minister commended the useful work of the Mysore Market Committee and hoped that the hotel would be clean and serve good and wholesome food at cheap rates.

He said when the Regulated Market Act was introduced, there was lot of opposition but the Government felt that the interest of the growers should be safeguarded and the ryots had a voice in disposing of their produce.

The Chief Minister wanted that all trade should be through co-operatives. There was private trading. But the

In Mysore District, Chamarajanagar and Yelandur taluks, remain dry.

MORE POWERS TO ADULT EDN. BODY

Mysore, Oct 16

Chief Minister Nijalingappa inaugurating the silver jubilee celebrations of the State Adult Education Council, here on Saturday said the Government was considering the question of giving statutory status to the Council so that it could have more finances and responsibilities.

Stressing the importance of adult education, the Chief Minister said that there were 17 crores of people illiterate in the country. No democracy could be successful if there were so many illiterates.

Sri Mallikarjunaswamy, president of the council, welcomed the gathering.

Smt. S.S. Pandit, secretary, read messages received from President Zakir Hussain, Vice-President Giri, Prime Minister Indira Gandhi and others.

Sri H. Linganna proposed a vote of thanks.

MASSIVE EFFORTS TO END ILLITERACY

SHRIMALI'S CALL

Mysore, Oct. 16

Dr. K. L. Shrimali, Vice-Chancellor of Mysore University, yesterday, called for a massive effort to tackle the collosal illiteracy in the country.

He was inaugurating a four-day All-India Seminar on 'utilisation of schools for the promotion of adult education', organised by the Indian Adult Education Association.

Referring tothe programme of launching a nation wide campaign asking the teachers to take up the adult education, Dr. Shrimali questioned the wisdom of throwing the responsibility of this burden on the teachers.

He said teaching was a whole time profession and it was the primary duty of teachers to give more attention to their own work and improve the standards of schools. As such, he doubted whether the teachers had the leisure and capacity to take up this additional work.

Stressing the importance of making all citizens educated, Dr. Shrimali said that a proper atmosphere should be created so that all educated people, whether working in government, factories or other academic spheres, involve themselves in solving the gigantic problem of illiteracy.

He wanted that both voluntary agencies and the Government should work hand-in-hand as efforts so far had not even touched the fringe of the problem.

Dr. Shrimali praised the pioneering efforts made in Mysore State in tackling the adult education.

Sri Mallikarjunaswamy, President of the Council welcomed the delegates.

Messages received from President Zakir Hussain and others were read by Sri Satyanarayana.

Sri T.V. Thimme Gowda, Joint Director of Public Instruction, addressed the seminar.

Varsity Students' Body Inaugurated

Mysore, Oct. 16

The Mysore University today took a step ahead over other Universities in the country by establishing a University Students Representative Council to mitigate students problems and create an atmosphere under which students could carry on their academic pursuits in a good and cordial atmosphere.

The Council consisting of 19 student—members from the post-graduate department, affiliated and professional colleges was inaugurated this morning at the Crawford Hall by Vice-Chancellor K. L Shrimali. The Council also has 10 observers of the University teaching and administrative staff including the Vice-Chancellor.

Dr. Shrimali explained the purpose of the Council. He told the members to realise their responsibility and pursue the objectives and goals with which the Council had been set up.

He said that if we both understood that we had a common objective then there would be no difficulty in solving the problems.

Problems mostly arose due to lakh of understanding. But both students and teachers sitting together could resolve most of them, Dr.Shrimali added.

The Council also held its first deliberations.

AIR-CONDITIONED BUSES SOON

Students' Welfare Fund

Mysore, Oct. 17

The Mysore University Students' Representative Council yesterday decided to create a students' welfare fund to help the poor students.

Vice-Chancellor Shrimali said that if each student gave Rs. five out of his pocket money, Rs. two lakhs could be collected easily. There are about 40,000 students in the university.

He turned down the suggestions to organise raffles and compulsory collection for the fund by way of fees.

BUSES IN 63 RLY. LINES

The Railways are considering a scheme under which 63 uneconomic lines will be scrapped and road transport will be developed instead along the same routes.

At present there are 63 lines resulting an annul loss of about Rs 6 crores. The Railways feel that it would be more economical to scrap these lines and give Rs. 6 crores per annum for three years to the States to develop road transport along the same routes.

STUDENTS INTERNAL ASSESSMENT

Mysore, Oct. 17

Vice-Chancellor Shrimali told the University Students' Representative Council yesterday that the system of internal assessment of students would be introduced at the post-graduate level from the next academic year.

He said under the system, 20 per cent of the marks would be given on the basis of the day to day performance of the students ;and the professors' opinion would be final. If this experiment became successful, he would extend the system to other levels, he added.

Marxist Plot For Armed Revolution

West Bengal Chief Minister Ajoy Mukerjee yesterday denied Left Communist allegation that the Central Government, West Bengal Government, Inspector-General of Police and others took active part in a 'desperate conspiracy' to topple the United Front Government.

He said he had decided to resign on Oct. 2 on four issues, relating to deterioration in industrial relations, disorder in agricultural field, increasing lawlessness and open threat by 'a wing of a political party to invite China to help the party in bringing about an armed revolution, starting in West Bengal'.

As a precautionary measure, he sought the help of the Central Government for alerting the military and for some extra policemen. Hence none of the officers should be blamed.

Sri Mukherjee said he changed his decision to resign only after leaders of all the 14 United Front parties had given explicit understanding that all of them would wholeheartedly try to solve the four major problems.

He hoped Parliament would decide to conduct an opinion poll in all the disputed areas of the boundary and do justice to Maharashtra and added that the poll verdict would be acceptable to Maharashtra.

PHASED TRANSITION OF MEDIUM

A carefully planned and phased programme for transition from English to regional languages media in universities has been advocated by a study group appointed by the Education Ministry.

The report has stressed that 'the ideal of national education is one that ensures the mobility of the student and the teacher and should be carefully provided for while regionalising the medium.

The following steps for the phased programme has been suggested by the committee:

Permission may be given to candidates to answer the examination papers in some of their subjects in the regional languages.

Colleges may be permitted to continue to teach either through English or the regional medium, depending upon the preparedness of their teachers and willingness of the students and the guardians.

The decision to regionalise the university medium should be taken simultaneously throughout the country and not sporadically by a university here or a university there.

A planned programme for the production of text-books on all academic subjects in the regional language is essential. This sould not be left to the vagaries of the text book trade, as it was when the school mediun was regionalised.

To ensure the mobility of students and teachers, the report has recommended that English and Hindi should be taught so intensively that B. A. and M. A. students are able to follow leetures in English and Hindi with ease and are responsive to them as media of instruction though not of examination.

SOVIET CRAFT LANDS ON VENUS

The Soviet Union yesterday scored a major space triumph by putting instruments on the surface of Venus, which reported back temperatures too hot for the earth's kind of life.

After a four-month trip from earth, the unmanned Soviet space probe Venus-4 parachuted instruments on to the cloud-shrouded planet, the first time man has done so.

The top temperature reported was 280 degrees Centrigrade, hot enough to begin melting earthly instruments

It was also for the first time scientists had ever received information from the surface of the cloud-shrouded mystery planet, earth's closest neighbour except for the moon.

In March 1966, a Russian space craft slammed into the Venus and was destroyed.

BHARATIYA VIDYA BHAVAN

Bangalore, Oct. 19

Chief Minister Nijalingappa yesterday performed the Bhumi Pooja for the construction of the Bangalore unit of the Bharatiya Vidya Bhavan on Race Course Road.

He said the proposed two-storeyed building, costing Rs. 8 lakhs, would be utilised for promotion of Indian culture.

Governor Pathak, who presided, said the garden city was also a garden of intellectuals and therefore well suited for housing the Bhavan.

Police Beat Up Teachers and Students

The police yesterday beat up the students and teachers inside the St. Albert's College in Ernakulam, injuring three lecturers and three students.

The police entered the college campus and classrooms to apprehend the students who had hurled stones at the police and the transport buses in front of the college.

There were nine lathi-charges in the course of the day in which over 100 students and some teachers were injured.

Mangalore Hassan Rail By 1971

Railway Minister Poonacha asured yesterday that the Hassan-Mangalore metre guage line will be completed by the time the Mangalore port get ready for traffic, in 1971.

He said there was no delay in the work on the project and denied that it was being held up for want of funds

The Minister said work on the Rs 29-crore project was going on very well. The 38-mile ghat had now been taken up and as many as 18 tunnels were being built. The apparent delay in work was due to the fact that they had now come to the difficult terrain. As soon as they reached the plains, the work would progress faster, he added.

HINDI IMPOSITION OPPOSED

Bangalore, Oct. 19

Dr. K.M. Munshi, former Governor of UP, was opposed to the imposition of Hindi as the official language of the country on the ground that it would endanger the process of national integration.

While agreeing that Hindi should be developed to replace English, he urged the Union Government's language policy should be such as to remove antogonisms based on language and help the natural growth of every language including English

NEED FOR REAL EDUCATION

President Zakir Hussain yesterday stressed the need for real education as envisaged by Mahatma Gandhi for building up a society in which there was love and compassion and respect for man and people were happy with enough food and other necessities of life.

He said 'our freedom will be illusory if the nation did not know the exact direction it had to proceed or there is laziness and inaction'.

The President said a new India and a new society based on ahimsa had to be built.

So long as there was injustice and people had no mutual confidence and the various communities did not consider themselves as brothers and the rich and the mighty did not permit the uplift of the poor and weak and labour was exploited, India would not be country of Mahatma Gandhi's ideal, he said.

Big Shortfall In Rly. Income

Railway Minister Poonacha indicated yesterday that the railways are likely to suffer a loss of about Rs 25 crores this year.

He said the main reasons for the deficit were the shortfall in goods traffic and the rise in the price of coal.

The shortfall in goods traffic was due to the slowing down of industrial activity, particularly in the steel and coal industries. The Eastern, North Eastern and South Eastern Railways had been worst hit.

He said the passenger traffic has risen by 52 per cent as against the anticipated 3 per cent. However the extra revenue from this souce comes to only 0 6 per cent of the railway's earnings.

Police Gag On Minister

Bihar Food Minister Kapildeo Singh was served with an order not to address a meeting of the workers when he went to Jeetpore colliery on Wednesday. The order was issued by the officer-in-charge of the Jerapokhar police station.

Sri Singh, however, angrily refused to accept it and said that no power on earth could prevent him from addressing any meeting in any part of Bihar of which he happened to be a Minister.

STUDENTS' STIR IN KERALA

More college students in Kerala have joined in the demonstrations demanding inquiry into the death of a pre-university student near Ernakulam allegedly at the hands of the police.

Police cane-charged students at Chokkili and teargassed them at Chovvu, both in Cannanore district.

In Trichur, there was a clash between students and Marxist workers in front of the Marxist Party office.

The boys burnt an effigy of the Chief Minister in front of the office.

The students picketed the police station at Ranni in Quilon district and five students were taken into custody.

Adult Edn. Needs Priority

Mysore, Oct. 20

Sri G. V. K. Rao, Development Commissioner, said here today that adult education needed to be given the same priority as the family planning programme.

He was inaugurating the All India Adult Education Conference at the Administrative Training Institute conducted by the Indian Adult Education Association.

Sri Rao said for elementary purposes of development literacy was very essential. The progress of science and technology had to reach the farmers for agricultural development

Public opinion had to be created and enough funds and priority had to be secured for adult education programme. This inescapable responsibility was on the shoulders of the workers who had undertaken this movement, he said.

The Development Commissioner wanted follow up work to be undertaken to see that the nearly 200 million literate persons in the country continued to be literate.

Sri A R. Deshpande, in his presidential address, said that adult education was in thicker woods now as there was little ground for being optimistic to expect any substantially massive work in the next few years. Such work required trained and experienced personnel. But the trained social education organisers and other adult education workers were transferred to some other departments and the scene was similar to an emergency army on demobilisation.

However, Sri Deshpande said, that by creating very strong demand by determined and angered public opinion which governments could not afford to neglect it was possible to secure all that adult education needed.

Sri Mohan Singh Mehta, President of the All India Adult Education Association, welcomed the delegates. Sri Mallikarjunaswamy, Vice-President, State Adult Education Council, proposed a vote of thanks.

Police Control During Dasara

Mysore, Oct. 21

Inspite of an unprecedented crowd, estimated to be seven lakhs, during the Dasara celebrations, the police rose to the occasion and managed the crowd in a commandable way.

The State Road Transport Corporation had arranged 153 extra buses and did 1,500 trips from Mysore to Bangalore clearing about 50,000 passengers.

The Railways ran 138 special trains during the peak period carrying 1,50,000 people.

On Oct.12 and 13 about 12,000 cars and 1,500 buses brought tourisits to the city.

Inspite of these large number of vehicles coming to the city during this period, there was not a single case of fatal motor accident due to the creditable traffic control by the police.

As many as 200 missing children were traced and restored to their anxious parents. There was not a single case of missing children remaining untraced.

The Mobile Stations and "May I Help You" Squads attended to the needs of sickly women and children.

The timely preventive action taken in rounding up the bad characters helped in bringing down property offences and pocket picking. Eight cases of pocket picking, out of which four have already been detected, and 12 cases of theft were reported in the city.

The Police had drawn a special staff of 14 circle inspectors, 53 sub-inspectors, 2 sergeants, 150 head constables, 1,801 constables and 350 home guards for the period.

DRIVER AVERTS MISHAP

The presence of mind and courage of a driver averted a major rail accident near Cannanore on Saturday night.

While the Mangalore-Calicut passenger train was in motion, there was a loud explosion from the firebox in the engine. The two firemen on duty were either thrown out or in a moment of excitement jumped out of the train.

Although fire spread into the engine and the driver himself injured, he broke the glass panes and jammed the vacuum brakes, which brought the train to a halt.

Among the firemen injured, one died later.

DACOITS STOP TRAINS, ROB WOMEN

He said the fourth plan had set a tentative target of 18 to 19 million jobs. This would mean that there would be no jobs for nearly 14 million people.

N-WEAPONS BY INDIA

India is among the six countries in the world, besides the five existing nuclear Powers, which have the capability to develop nuclear armament without reallocating a major part of their technical resources from constructive activities.

In India's case, it would mean an annual addition of 10 to 20 per cent of its present defence budget, depending on the size of nuclear armaments it wants to build.

This is one of the conclusions of a 12-member group of scientific experts who have submitted their report to the UN Secretary-General.

The other five countries besides India are West Germanay, Canada, Italy, Poland and Sweden.

Mysore's Firm Stand On Krishna Waters

Bangalore, Oct. 25

Chief Minister Nijalingappa, has made it clear to the Centre, that if, by any chance, the Centre found it difficult to instruct the Andhra Government immediately to stop the erection of crest gates on the Nagarjunasagar dam, any further discussion on the problem of Krishna water would be of no avail.

In a letter addressed to the Prime Minister, he said that in that case, the only alternative would be for the Centre to refer the matter to arbitration as the Mysore Government had been pressing for some time now.

Sri Nijalingappa has also requested the Prime Minister to see that the model studies at Khadakwasla on the availability of water in the Krishna basin were completed before the end of November this year.

It demanded appropriate measures by the Government to allow cent per cent neutralisation of the price rise in the case of low-paid employees and adequate neutralisation for other categories of workers.

IMPROVEMENT OF SWIMMING POOL

Mysore, Oct. 26

Opposition members in the City Municipal Council yesterday criticised the repeated expenditure being incurred on the Municipal swimming pool for its improvement.

When the subject of allotment of Rs. 47,000 for improving the swimming pool came up for consideration of the House, Messrs. B. N. Kenge Gowda, B G. Das and M.N. Thimmiah took objection for incurring such a heavy expenditure.

They wanted the same funds to be utilised for better purposes like improving the condition of roads in the city.

Sri B.N. Kenge Gowda suggested constituting a committee to look after the working of the swimming pool.

Sri M.N. Thimmiah urged for appointing a committee to enquire into the construction and improvement work of the swimming pool.

The subject was approved on the assurance of of the President, Sri B.C. Lingiah, that the expenditure on the swimming pool was likely to be less than the anticipated.

Giri Warns Against Distintegration

Mysore, Oct. 27

Vice - President Giri warned yesterday against the disintegration of unity of the nation.

Replying to a civic address presented to him by the City Municipal Council, he said it was something "childish" for anybody to think that they belonged to this State or that State.

They must realise that they are Indians first, Indians last and Indians always. Unless people become patriots they cannot become patriots of this State nor that State, he said.

Linguistic States had rented in "utmost disintegration". Unless people realised the dangers brought about by the linguistic States and developed a sense of patriotism "we have to revive our decision" on the lingustic formation, Sri Giri said.

The Vice - President warned that if the linguistic bickerings continued a time might come when each State would declare itself independent.

Sri Giri also condemned the Shiv Sena activities. Activities like Shiv Sena and Gherao were things which would kill the vitals of our nation. These hard facts must be understood, he said.

ACCEPT BORDER AWARD

Sri Jagannath Rao Joshi, general secretary of the Bharatiya Jan Sangh, stated yesterday that the verdict of the Mahajan Commission on border dispute should be accepted. Unless that was done, there would be no end to these problems, he added.

ACCEPT NEHRU'S LANGUAGE FORMULA

The Vice-President expressed the hope that late Prime Minister Nehru's language formula would be accepted by the leaders in the country.

Sri Giri in his hard-hitting outrignt speech, condemned the "double talk" and "double mind" over the place of English. After all English was property of all, he said.

Decrying the linguistic fanaticism, the Vice-President said the language problem left to itself would solve for itself But some people took pleasure in raising problems.

The Vice - President advised the city fathers to realise that they owed a duty as trustees of the people irrespective of their party affiliations. They must keep the city clean, ensure good health and provide good water supply

Municipal President B. C. Lingiah, presented the address to Sri Giri.

Vice - President K. V. Anantharamiah proposed a vote of thanks.

WOMEN'S DAY

PLAN TALKS

Bangalore, Oct. 27

The Planning Commission will discuss the Mysore State's annual plan for 1968-69 with the State representatives in New Delhi on Nov. 8.

Mysore's fourth plan has a total outlay of about Rs. 421 crores, while the annual plan for 1967 68 was Rs. 62.5 crores.

CONTAINER SERVICE FROM B'LORE

The Railways have decided to introduce shortly one-ton container service between Madras and Bangalore on an experimental basis.

They have also decided to use the 4 5 ton container for transhipment at traffic from meter gaage to broad guage. This will eliminate detention and traffic delays, which are taking place on account of shortage of labour.

Family Welfare Scheme

Bangalore. Oct. 27

The Central Government has selected Anekal in Bangalore district to launch its family and child welfare scheme, first of its kind in the State, for the current financial year, to be started on Nov. 14, Nehru's birthday.

The Rs. 1.65-lakh scheme will be a joint, Centre and State project.

It will have two centres giving practical training to young mothers in personal hygiene, health, sanitation, child development, etc.

NEW TEACHING METHODS FOR MEDICINE

Bangalore, Oct. 27

Governor Pathak and Dr. Lakshmanaswami Mudaliar, Vice-Chancellor of Madras University, yesterday pleaded for a change in the teaching techniques in medicine to suit the requirements of a fast-changing society.

Dr. Mudaliar said that the training of medical teachers was different from training teachers of other sciences in the sense, that while in the latter only the teacher and the taught came in, in the teaching of medicine not only teacher and student but also patient came in.

He called upon the medical profession to be service-minded.

Iran King's Coronation

Mohammed Reza Pahlevi yesterday crowned himself as Shah of Iran in a lavish ceremony in the Gulistan Palace in Teheran after ruling the country for 26 years.

Rising from the dazzling gold Peacock Throne containing over one ton of gold and studded with nearly 27,000 jewels in the shape of a peacock's tail, the Shah kissed the Holy Koran and lifted the priceless Pahlevi crown and placed it upon his head.

Shah Mohammed Reza Pahlevi became ruler of Iran on the death of his father in 1941 but he delayed his coronation until he had accomplished social and economic reforms.

UP CRISIS AVERTED

The stalemate in the United Front Government in Uttar Pradesh ended yesterday as the seven SSP and Communist Ministers and Deputy Ministers, who had submitted their resignation on Oct. 25, decided to stay on.

9-POINT PLAN FOR FOOD SUFFICIENCY

The Congress Working Committee has proposed a nine-point programme to achieve self-sufficiency in agricultural production by 1970-71.

This will be placed before theAICCcommencing from today at Jabalpur.

The specific programme recommended by the committee provides for expansion of minor irrigation facilities, intensive and integrated area of development, expansion of service cooperatives, sound system of agricultural credit, specific technological research to provide disease-resistant varieties of seeds to farmers and reorganisation of working of financial institutions to ensure proper flow of finance for agricultural development.

PRINCES PRIVY PURSE

While on the abolition of the special privileges of the princes, there was no difference of opinion in the Congress Working Committee at Jabalpur, on the abolition of the privy purses, a section, headed by Sri Morarji Desai and Sri S.K. Patil felt unilateral abolition would amount to a 'breach of faith'. In view of this, it was specifically decided that Sri Chavan should have talks with the representatives of the princes before taking any final steps.

NEED FOR SOCIAL SERVICE

Mysore, Oct. 28

A spirit of social service has to be kindled in our society and organisations like the Lions' Club could help in this, Divisional Commissioner M.S. Swaminathan said here yesterday.

The Lions' Club had arranged a felicitation party to Sri B.C. Lingiah, a member of the Club, who has been elected Municipal President. Sri Swaminathan was the chief guest. Club President K. S. Ramaswamy presided.

The Divisional Commissioner said Mysore City has to live up to its reputation of being the cleanest and beautiful city and it must be the endeavour of the people to see to it.

Sri H.V. Shankara Rao and Sri Shanmukhaiah also spoke.

Dr. Vijay presented a packet of medicines to the Children's Clinic being run by the Club. Dr. Srinivasa Murthy explained the working of the Clinic.

Sri W. Gururaja Rao proposed a vote of thanks.

A lock-out was declared yesterday in the nationalised Bangalore Transport Servce following the workers' strike since Thursday demanding payment of bonus of two months' salary instead of the one-month bonus announced by the MSRTC earlier.

FOREIGN INVESTMENT IN STATE BRIGHT

Bangalore, Oct. 28

Finance Minister Ramakrishna Hegde, who returned yesterday from his 60-day business tour abroad, told newsmen that the response from foreign financial agencies and collaborators for investment in industries in the State was greatly encouraging.

He said: 'I am happy that the financial agencies and industrial collaborators expressed their supreme satisfaction about their investment and collaboration in industries in Mysore'.

Sri Hegde said among the industries now contemplated in the State and for which foreign collaboration had been sought, were a caustic soda plant, chlorine-based fertiliser factory and three chemical industries besides a small-car project.

Volunteer Corps By INTUC

Bangalore, Oct. 28

The State unit of the Indian National Trade Union Congress, has planned to organise well-organised volunteer corps. The first one would be set up by its unions of the public sector undertakings in the city.

Its main role would be to strengthen the organisation at all levels and in all aspects of working class activities. It would also create an atmosphere of mass awakening-cum-discipline and strive for better understanding and unity among the labour class.

The proposed volunteer corps was not designed to be dogmatic and aggressive but pragmatic and constructive in dealing with trade disputes

SPECIAL TRAINS TO CARRY CARS

The railways have agreed for special trains to transport cars from Calcutta, Madras, Bombay and a few important ports.

This will remove all bottlenecks in the supply of cars to customers. It will help manufacturers to clear their stocks.

★ Actor Sean Conery, who plays the screen role of James Bond, the special Agent 007, was fined 15 pounds on Thursday in London for speeding. The man who got him convicted was Police Sergeant James Bond!

BANKS TAKE-OVER RULED OUT

The Congress Working Committee, meeting yesterday at Jabalpur, approved a scheme of social control of banking institutions, thus ruling out its nationalisation.

The scheme envisages the Government laying down a national credit policy, fixing percentage for credits to be made available to the various sectors of the economy including agriculture and small and medium industries, which will have to be implemented by the proposed National Credit Council.

Hassan Rail Link By 1971

Bangalore, Oct. 30

The Hassan-Mangalore railway line would be completed as early as possible, Railway Minister Poonacha said here yesterday.

There is no doubt about it, he added.

He said that as the Mangalore port project had to be redesigned to suit the transhipment of the newly-found iron ore in Kudremukh, it was decided to split into two stages.

Sri Poonacha hoped that the line would be ready by the completion of the first stage by about 1971.

The work on the line had been progressing in right earnest and it had reached Sakleshpur. Out of 38 tunnels, work on eight had been taken up.

He said Mangalore port-Panambur railway line was almost at the final stage and it would be commissioned into service by June.

MISHRA RESIGNS

Sri D. P. Mishra, former Chief Minister of Madhya Pradesh, yesterday tendered resignation to the leadership of the Congress Legisalture Party. The decision follows dissensions in the Congress Party after it lost power of the State Government through defections in July.

UNECONOMIC RAIL LINES TO GO

Bangalore, Oct. 30

The uneconomic railway lines, numbering about 64 in the country, were proposed to be scrapped, Railway Minister Poonacha said yesterday.

The majority of these lines were narrow gauges. Besides being uneconomic, these lines were difficult to be streamlined as nobody in the world at present manufactured locomotives for narrow gauge, he said.

CHECKING COMMUNAL CONFLICTS

The All India Congress Committee has unanimously adopted a resolution to "foment communal harmony" in the country. It has also formed watchdog" committee headed by Prime Minister Indira Gandhi to see that communal disturbances did not increase.

The Central and State Governments would be asked to ruthlessly put down communal disturbances.

RETAIN ENGLISH

Upsetting the present pattern of university education by introducing regional languages as media would be "to set the cock black" as the country was not even fully prepared to make a change-over at the school level, Prof. R. N. Dogra, President of the Association of Principals of Technical Institutions, has said.

STATUTORY RATIONING DEMANDED

Mysore, Nov. 1

A demand to introduce statutory rationing in place of informal rationing prevailing at present in the city was made at the Municipal Council yesterday by Congress member Jogi Siddiah. President B. C. Lingiah presided.

Many of the Opposition members criticised the present arrangement to supply food to the citizens. The quota issued for Dasara festival for the citizens was meagre and the wheat issued was beyond human consumption, they blamed.

Sri M N. Thimmiah said without controlling the foodgrain prices the Government was causing hardship to people.

Dr. B.G. Das suggested that there should be free trade in respect of foodgrains and if merchants resorted to increase prices, the Government should take action on them.

When the Government had taken up the responsibility of supplying foodgrains it should arrange to supply quality foodgrains in adequate quantities, Sri Srikanta Sharma said.

Messrs. B K. Puttiah, Srikanta Sharma and Jogi Siddiah criticised the attitude of the City Improvement Trust Board in forming a road in the burial grounds near Jodithenginamara by destroying the graves there. Sntiments of the people should be respected and the work should be given up, they said.

Sri Syed Masood said failure of water supply on festival days had become common in the city and necessary precaution should be taken to see that it would not repeate during the Deepavali festival.

PSP LEADER MANHANDLED

Mysore, Nov. 1

Sri T. V. Srinivasa Rao Municipal Councillor and PSP leader, and a few others are alleged to have been manhandled at a meeting of the Hospital Employees' Union on Sunday.

It is stated Sri Srinivasa Rao had been invited to address the employees in the K. R. Hospital premises. The trouble arose when some rival union members interfered.

Police had taken into custody two persons in this connection and later released them on bail.

At the Municipal Council meeting yesterday Congress leaders H. KempeGowda and Anantharamiah made a reference to this incident, which was the second of its kind in the city.

They deplored the violent action and appealed to labour leaders not to indulge in such activities.

CD Programme Defended

Mysore, Nov 3

Sri M. S. Gurupadaswamy, Union Minister of State for Community Development, said here yesterday that the image of the Community Development movement was damaged and promised to do his best to salvage the movement by taking some bold decisions at the Chief Ministers Conference to be held in Madras in December.

He was addressing the officers participating in the seventh general course in development administration at the Administrative Training Institute.

The Minister said he was aware of the criticism levelled against the Community Development programmes and in particular against Block Development Officers, jeeps and Gramasevikas. Much of it was undeserved. There was no altrnative to Community Development programme for rural welfare, he said.

Institute Principal H. L. Kulkarny welcomed the Minister. Sri Chandrasekhara Patil and Sri S. Mariappa spoke on behalf of the participants. Instructor T. D. Srinivas proposed a vote of thanks.

VISIT TO CFTRI

Sri Gurupadaswamy spent nearly two hours at the Central Food Technological Research Institute.

The Minister had a fruitful discussion with Director Parpia regarding how the CFTRI can help the co-operative industry. He expressed keen desire that co operative industry should increasingly utilise the technical know-how developed by the CFTRI.

Linguistic States Necessary

TO SERVE DEMOCRACY

President Zakir Hussain said yesterday that linguistic reorganisation of the country was only an arrangement for administrative convenience and it should never be allowed to threaten the unity of the nation.

He was inaugurating the Kannada Rajyotsava celebrations in New Delhi.

The President said that while there were people who felt that linguistic reorganisation could have waited till India solved her more pressing problems the rationale of linguistic redrawing of the Indian map "was rooted in the democratic principle of enabling people to paticipate effectively in the governance of the State."

"Nothing harms a language more than the so-called linguistic chauvinism and exclusiveness for, the basic foundation of language is to join and not to separate", he said.

Chief Minister Nijalingappa said that if the differences following the reorganisation of States persisted and led to deterioration in relationship between two States, he would not hesitate to advocate the abandonment of linguistic States altogether.

The Chief Minister said that the formation of linguistic States was democratically necessary

State Awards Presented

Mysore, Nov. 6

Six eminent artistes were presented with the State Awards at the Mysore Dasara Exhibition prize distribution function yesterday by Union Railway Minister Poonacha.

The recipients of the awards are: Messrs. Bharatha Bindu Rao (Bharatha vachana), Shivaram Karanth (literature), Srinivasa Kulakarni (dance), Rumale Channabasaviah (painting), V. Doreswamy Iyengar (veena) and Smt. B. Jayamma (acting).

Home Minister and Dasara Exhibition Committee Chairman M. V. Rama Rao, who welcomed read the citations and praised the artistes for their contribution to Karnatak art and literature.

The artistes thanked the Government for the honour given to them. Dr. Karanth said that the awareness on the part of the Government to honour artistes was a good sign.

Smt. Jayamma pleaded for more encouragement to artistes.

Sri Poonacha expressed concern over the incresing tendencies of agitational approaches and gheraos in the country. It was the duty of the society to create a peaceful atmosphere for the development of the nation, he said.

Exhibition Nets Rs. 4 Lakhs

Mysore, Nov. 6

Over Rs. four lakhs have been collected by way of gate collections and stall rents from the Mysore Dasara Exhibition till Nov. 3.

The exhibition has been visited by nearly five lakh people bringing in a gate collection of Rs. 2,19,811, as against Rs. 1.5 lakhs in the last year. The stall rents fetched Rs. 1,81,600.

This was disclosed by Secretary R. Rajanna in a report presented at the prize distribution function held yesterday.

The Union Minister stressed the important role of artistes in this regard and appealed to them to help in the creation of proper climate by guiding the people along the right path.

Dasara Exhibition was famous all over the country and holding of such exhibitions would educate people as to our achievements and goals, he said.

Chief Minister Nijalingappa, who presided, said the artistes had honoured the Government by accepting the awards. It was essential to recognise and honour the artistes, he said.

The artistes lived for ever through their works where as the men in the political field would be forgotten, the Chief Minister said.

Sri T. Venkataramaniah proposed a vote of thanks.

Parliament Session In Bangalore

Mysore, Nov. 7

Many members of Parliament, including those of Maharashtra, had favoured holding of a Parliament session in Bangalore, Mysore MP H. D. Tulsi Das said here yesterday.

Addressing a press conference at the Journalists Association, he said Mysore Assembly Speaker, Baliga who had taken keen interest in this, had visited New Delhi to study about it.

Sri Tulsi Das said the only technical inconvenience that stood in the way was the Question Hour. It would be difficult to answer all the questions immediately during the question hour as the necessary information had to be got from Delhi.

BORDER REPORT CRITICISM UNFAIR

Mysore, Nov. 7

The criticism of the Mahajan Report by Maharashtrians was one thing. But the Maharashtra Government to do it was unfair, Sri H D. Tulsi Das, MP, said here yesterday.

Speaking to newsmen, he said many members of Parliament of other States had expressed support to Mysore stand on the border report.

Soviet New Missile

The Soviet Union yesterday demonstrated a huge new inter-continental missile on the eve of the October Revolution.

The missile is about 175 feet long.

Soviet Prime Minister Alexei Kosygin said that Soviet armed forces are always ready to give a decisive rebuff to any aggressor who dares raise a sword against 'our mother land or the socialist camp'.

FOREIGN OFFICERS VISIT

Mysore, Nov 7

There District Development Officers from Ethiopia and four senior officers from Malaysia, who are on a study tour in the country, visited the Administrative Training Institute in the city recently and held discussions on agriculture, co-operation and animal husbandry.

SAVINGS DAY

Mysore, Nov 7

Savings Day will be celebrated tomorrow at 6-30 p.m. at the Co-operators' Home as part of Co-operative Week. Dr. G T. Huchhappa of Mysore University will preside and Sri H. Ramanna, President City Co-operative Bank, will address.

The Maharashtra Government having demanded for a Commission, to refuse to agree for the award now was not correct. They had to accept it, he said.

MPs To Study Mangalore Port

Mysore, Nov. 7

A team of ten Mysore MPs will visit Mangalore after the winter session of Parliament to assess the progress of work in regard to Mangalore Port, Sri H. D. Tulsi Das disclosed here yesterday.

Speaking to newsmen, he said the study team was likely to visit in January. After assessing the progress and acquainting with the problems there, the MPs would represent to the Government, he added.

RURAL WATER SCHEME

Bangalore, Nov. 7

Municipal Administration Minister R.M. Patil said yesterday that the State Government proposed to implement the Centre's National Rural Water Supply and Sanitation Scheme, so as to include small towns in the urban areas with a population of less than 20,000 costing about Rs. 4 crores.

CHILDREN'S CONFERENCE

Bangalore, Nov. 7

The three-day 19th All-Karnataka Children's Conference, which commences here on Nov. 12, will be presided over by 12-year-old student Kumari Jayashree.

Over 1,000 delegates from all over the State will participate in the conference.

The silver jubilee of All-Karnataka Children's Association (Makkala Koota) will also be celebrated for five days from Nov. 11.

Mysore MPs Club

Mysore, Nov. 7

All the 39 Mysore MPs, including the Opposition, had formed Mysore MPs Club in Delhi to effectively put forward the claims of Mysore State before the Centre.

Sri H D Tulsi Das, MP, disclosing this here yesterday, allayed that Mysore MPs were not effectively drawing the Centre's attention in getting the demands of Mysore fulfilled.

Due to the united efforts, they had been able to get nominations for Mysore MPs in various Boards and Committees. They were also getting closer with MPs of other States by developing contacts, he said.

Except for four or five members all the Mysore representatives regularly attended Parliament sessions. Those who did not participate in debates due to 'stage fear' were doing good work in various committees, Sri Tulsi Das said.

Giving his personal opinion regarding the privy purses, he said that it should be abolished in a gradual manner so as not to cause humiliation or insult to princes.

Slash In Mysore's Plan Likely

Bangalore, Nov. 7

The State is in a tight corner as regards its financial position and unless it makes an all out effort to raise more resoruces, the Government may be forced to slash its plan size for the next year.

Mysore wants to raise its resources up to Rs. 2425 crores for the next year and it expexts a Central contribution of Rs. 36 crores.

One factor which might act as a very dent in the financial resources is the loss of heavy amount from the surplus electricity remaining unused.

The Madras Government, which used to buy power from Mysore is now refusing to take power since Nyveli power is sold at a cheap rate and secondly its lakes are full.

The new industries are also not coming up fast in the State to utilise the surplus power despite incentives offered for outside industrialists.

Another big drain on the State exchequer will be the Central Dearness Allowance for the Government employees entailing an additional expenditure of Rs. 7 crores.

Drug to Save Heart Attack

Dr. Stewart Woolf of Oklahama University said that doctors hoped to develop a drug which will reduce fatal heart attacks by countering the body's mysterious 'mechanism of death'.

He said such a drug would prevent the brain from signalling to the heart that it was time to die.

Research over the last five years had shown that the key to death, when the heart, brain and lungs were undamaged, was a tiny nerve called the vogus which Dr. Woolf described as a device for dying.

SAYS PUTTASWAMY

Mysore, Nov. 13

"Declaring plan holiday and putting off the Fourth Plan by three years, is a confession of our inability to achieve self-sufficiency and is an admission of our failure', Sri K. Puttaswamy, Health Minister said here yesterday.

Inaugurating the Regional Conference of the members of Lions Clubs, he said that the Fourth Plan has been put off by three years, which is a long period. We have to imagine under what circumstances the Government was forced to postpone and its consequences.

The population explosion, an addition of 13 million a year, is the main reason. There is also recession. Our food imports have gone up. It is the duty of the Government to see that we become self-supporting in food at an early date, he said.

Sri Puttaswamy said that it is not the Government alone which can bring in prosperity to the country. Every citizen has to contibute his might.

He praised the Lions for their efforts to serve the people and appealed to them to reduce the burden of the Government by taking part in social service.

District Governor J C. Valles addressing the members said they can put up concerted efforts to show that they are with their nation's leaders in the endeavour to prosperity.

After welcome by Conference Chairman H. V. Shahnkara Rao, Mysore Lions Club President K. S Ramaswamy introduced Minister Puttaswamy. Sri R. R. Sastry introduced the District Governor. Sri B.C.Lingiah and Sri K.V. Shanmukhaiah also spoke. Sri P. M Channabasavanna proposed a vote of thanks.

In the evening a reception was held in honour of the visiting Governor, Club President K S Ramaswamy presiding.

Sri Valles asked the members to put forth dedicated service to the nation and community.

Dr. K. Rajagopala Setty and Dr. V. M. Hanumanthiah were inducted as new members. Sri W Gururaja Rao proposed a vote of thanks.

MPCC ASKS CENTRE TO ACCEPT MAHAJAN REPORT

Bangalore, Nov. 13

The Mysore Pradesh Congress Committee on Saturday condemned the 'unseemly' attempts being made in Maharashtra to repudiate the Mahajan Commission award on the border between Mysore and Maharashtra and urged the Central Government to accept the award immediately and sponsor a bill in Parliament to give it Constitutional effect.

The 500-word resolution unanimously adopted said that in spite of the award not being favourable and advantageous to Mysore in certain respects, it should be implemented by all the Governments and people concerned. Nothing should be said or done by any one to cast aspersions on the Commission.

The attempts being made by Maharashtra to bring the award down to the level of an issue for litigation should be halted once and for all by the Centre.

Otherwise, the resolution warned, if would lead to undesirable consequences and to people losing faith in the appointment of such commissions.

Special Session To Discuss Border Report

Bangalore, Nov. 15

An emergent session of the Mysore Legislature may be convened by the end of this month, for three days, to discuss the Mahajan Commission award.

The Cabinet is expected to take a decision on Saturday.

Chief Minister Nijalingappa who met leaders of the Opposition parties in the legislature, yesterday, agreed to have a short session early.

It may be recalled that Sri S. Sivappa, leader of the Opposition in the Assembly, had threatened on Monday that the Opposition would launch a protest week if the legisture session was not called immediately.

The Chief Minister told newsmen that all the Opposition members who met him had felt that though there was sufficient reason for the people of Mysore to be dissatisfied with the Mahajan award because the State would lose many valuable areas, it would be in the interests of the country as a whole that the award should be accepted. This would create a healthy convention. The Government was one with this view, he said.

Furore In Lok Sabha

ON PM's MESSAGE TO AYUB

Opposition members in the Lok Sabha yesterday were extremely critical of Prime Minister Indira Gandhi's congratulatory message to President Ayub Khan on the successful completion of the Mangla Dam Project

They questioned how the Prime Minister could reconcile the congratulatory message with India's past protests on the construction of the dam and her declaration that there was no change in India's stand.

The Prime Minister said that neither the completion of the Mangla Dam by Pakistan nor her recent message to President Ayub Khan on its earlier completion constituted any change in India's stand in regard to Jammu and Kashmir that it is an integral part of India.

EDUCATION POLICY SOON

Union Education Minister Triguna Sen told the Lok Sabha that decisions on the national policy on education will be taken by the Government soon after the discussion on the Education Commission report and the Parliament members' report on the language medium concludes in the House.

APPEAL TO GROW SEA ISLAND COTTON

Mysore, Nov. 17

The sea island cotton is a boon to our cultivators in Malnad and semi-Malnad areas in the State, said Sri G.V.B. Naidu, Deputy Director of Agriculture, presiding over the field day celebrations on the cotton plot of Sri Karigowda of Manuganahalli in Periyapatna Taluk on Tuesday.

Sri Karigowda has grown sea island cotton on an area of eight acres by spending Rs. 250 per acre. He is expecting an yield of 400 kgs per acre and a net profit of Rs. 800 to 1,000 per acre.

Sri D. K. Dodda Setty, Assistant Sea Island Cotton Development Officer, appealed to cultivators of this area to take up to growing this commercial crop.

Sri B. K. Subbiah welcomed the gathering and Sri Govindappa proposed a vote of thanks.

LEGAL NOTICE TO AP

Maharashtra Irrigation Minister Chavan told the State Assembly that his Government has decided to serve legal notice on the Andhra Government on the Krishna-Godavari water dispute.

Bangalore, Nov. 17

The results of the SSLC supplementary examinations will be announced on Nov 20 at 6 a.m.

KRISHNA RIVER DISPUTE

The Lok Sabha was told by Irrigation Minister Rao that the Union Government considered that best policy to settle the dispute over the Godavari-Krishna waters was by dicussions and agreement between the States concerned. He assured the House that a settlement was being worked out at the highest level before the Prime Minister.

Dr. Rao said 'if these efforts fail, then necessary action will be taken under the Inter-State Waters Dispute Act to refer the dispute for arbitration'.

MECHANISED FARMS BY CARE

Bangalore, Nov. 17

The CARE organisation will launch a Rs. 4-crore project in co-operation with the Mysore Government to establish fully mechanised giant farms on 10,000 acres in different parts of the State.

NO WITHDRAWING

Home Minister Y. B. Chavan made a firm declaration in the Lok Sabha yesterday that there was no question of withdrawing the appointment of Sri Nityanand Kanungo as Governor of Bihar.

On West Bengal, he said that as the Constitutional Head of State, it was the duty of the Governor to always watch that the Chief Minister enjoyed the majority of the House. If there was any doubt, he had to take cognizance of it.

PROGRESSIVE FARMERS ROLE

President Zakir Hussain yesterday asked progressive farmers to become 'the centres of radiation and leadership' for the smaller farmers in their neighbourhood, in addition to working for higher yields for themselves.

The President was inaugurating the All-India Higher Agricultural Production Convention organised by the National Tonnage Club of Farmers at Delhi.

SAHAY'S VISIT

Bangalore, Nov. 17

Sri Bhagavan Sahay, Governor of Jammu and Kashmir, who is on a four-day visit to State, will visit Mysore tomorrow and leave for Bangalore the next day.

BANK TAKE-OVER RECOMMENDED

Dr. R. K. Hazari, a leading economist, has recommended to the Government nationalisation of banks. It would be difficult to undertake credit planning unless the linked control of industry and banks in the same hands is snapped by nationalisation of banks, he has said in the final report presented to the Lok Sabha yesterday.

KAMARAJ NOT CONTESTING

Congress President Kamaraj yesterday told the Congress Working Committee that he did not want to continue as the President any more. However, he wanted the next President to be elected unanimously.

The Working Committee left the task of securing unanimity of choice to Sri Kamaraj and Prime Minister Indira Gandhi.

SUICIDAL TO USE NUCLEAR WEAPONS

-Dr. SARABHAI

Mysore, Nov. 18

Dr. Vikram Sarabhai, Chairman of the Atomic Energy Commission, called upon the society here today to take account of the destructive capacity of nuclear energy and produce conditions of disarmament to live free from its insecurity.

He was delivering the concluding lecture of the Princess Leelavathi Memorial Lecture at Manasa Gangotri this morning under the auspices of Prasaranga, Mysore University.

Dr. Sarabhai said a society of co-existence was the order of the day. Use of force in settling disputes between nations was unwarranted

He pointed out the useful purposes for which nuclear energy could be utilised. It could be a very powerful means in transforming society. Nuclear energy could help in increasing food produttion, detection of underwater sources, production of cheap electricity and mass communication, through satelites and television The availability of atomic energy was a real new tool with which they could transform the whole world

But it was necessary to understand the otherside of the picture also. There was a tendency in the world to put atomic energy into military aspect.

If atomic energy was going to be so important for development of a country one would see hundreds and hundreds of stations coming up. But there would arise a very fantastic danger of plutonium and people living in nightmare.

The atomic scientist recalled the destruction caused by the dropping of first atom bomb over twenty years ago on Hiroshima Today the arsenal of the United States and the Soviet Union was 3,000 times more devastating than this first bomb.

He reminded the society to take account of the feelings of grief, jealousy and hatred, along with the stock-piling of nuclear weapons.

However, in the last twenty years, in international disputes like Suez, Korea and Vietnam, no nuclear weapons had been used for military advantage. The atomic bombs had deterred aggression because of the qualitative change taking place in the society.

They were aware that the use of nuclear weapon would affect not one nation, but the whole humanity. It was suicidal to use these weapons on humanity. So the public opinion in the world today was just against the use of nuclear weapons, Dr. Sarabhai said.

The results of technological progress, as it developed, would be staggering. Biological warfare could be developed even in huts, perhaps. It was something truly a phantastic challenge for mankind, he said.

The Atomic Energy Commission Chief said one main thing was to shape our ability on an understanding based on historical events. The history of post-world war era could be most interesting. This should be taken up for study in the university.

Dr. K L. Shrimali, Vice-Chancellor, said that we were at cross-roads today and it was necessary to understand the deeper aspects of science. If we understood it fully, science and technology could be of immense help to mankind.

Dr. Prabhushankara, Director of the Prasaranga, proposed a vote of thanks.

SPECIAL LECTURE BY C.V. RAMAN

Mysore, Nov. 18

Dr. C. V. Raman will deliver a special lecture on "Weather" here at the Maharaja's College Centenary Hall on Nov. 22 at 5 p.m. under the auspices of the Mysore University.

No Gains For Mysore, Says CM

Bangalore, Nov. 18

Chief Minister Nijalingappa yesterday strongly reacted to the statement of Maharashtra Chief Minister Naik that Mysore had walked away with all the gains under the Mahajan Commission award.

He asked: 'What are the gains' we have lost Nippani, the second biggest tobacco market in the country, and the rich forests of Khanapur. It is absurd to say we have substantially added to our territory'.

Thinking men, he said, should not try to make political capital out of a situation like this.

Maoist Party In India

A third Communist party, strictly on Maoist lines, is to be established in India, according to a decision taken at the conference of the All-India Naxalbari Krishak Sangram Sahayak Samiti, which concluded its session on Thursday at Calcutta.

The aim of the new party will be to achieve a 'people's democratic revolution through building militant rural bases and extending them to encircle the cities'.

Miss World

Miss Peru, 24-year-old Madelene Hartog B l, was crowned Miss World on Thursday.

She was chosen in London from a pool of 54 girls to succeed to the title of India's Reita Faria.

P & T DEPT. RAPPED

The Public Accounts Committee in its report to the Lok Sabha has observed that the Government's drive to realise the telephone arrears from subscribers had not yielded much results The outstanding telephone dues on Jan. 1 last were over Rs. 5 crores.

The committee has impressed on the P and T Department that, while taking action against the defaulting subscribers, it should also set its own house in order by preparing correct telephone bills and sending them to the subscribers in time.

CAN'T ISSUE LEGAL NOTICE

Andhra Pradesh Revenue Minister Raju stated yesterday that no State in India can serve a legal notice on a sister State.

Commenting on the statement of the Maharashtra Irrigation Minister that his Government had decided to serve a legal notice on the Andhra Government on the river water dispute, Sri Raju said, 'If there is a dispute, the Centre should refer the issue to a tribunal and no State can serve a legal notice on another State of the Union'.

He said that in the recent conference of Chief Ministers, it was noted that the first thing was to arrive at the correct quantum of water flow and until then there could not be finality about distribution.

West Bengal Tussle

The West Bengal Cabinet yesterday turned down Governor Dharma Vira's suggestion for summoning the Assembly either on Nov. 23 or on any date during the month for a trial of strength. The Cabinet has stuck to its original decision to call the Assembly on Dec. 18.

The Cabinet has also raised doubts about the powers of the Governor either to ask the Chief Minister to call the Assembly on a particular date or to dismiss the Ministry in case it declines to comply with his rsquest.

Chief Minister Ajoy Mukerjee is sending an immediate communication to the President requesting him to refer to the Supreme Court under Article 143 for proper interpretation of the provisions of the Constitution relating to the Governor's powers.

SOVIET ROCKETS

Russia's latest strategic rockets are virtually 100 per cent accurate, according to the Soviet Army newspaper Red Star.

The rocket could be placed in a shaft at a missile base and left for years without attention. If a war broke out, it would be launched by a technician in a control point who dials a special code. Its range action is very wide.

Pound Devalued

Britain yesterday announced the devaluation of the sterling pound by 14.3 per cent.

Announcing this measure, the British Treasury declared 'This change brings with it fresh opportunities--but at a heavy cost'.

The opportunities: to halt Britain's cycle of crippling trade deficits by her now-cheaper exports, the prospect of attracting foreign money by a Bank rate now raised to 8 per cent.

The cost: A lower standard of living for all 52 million Britains- dearer food and fuel and another wages clamp down.

BRISK ARRANGEMENTS FOR KHEDDA

Mysore, Nov 20

Brisk arrangements are going on at Kakanakote forest for the Khedda Operations to be held on Jan. 10

A team of expert officers, including a conservator of forests, three divisional forest officers, a wild life officer, 10 range officers, 20 forest officers, 57 forest guards, with the help of 23 tamed elephants are working round the clock. The Khedda work has been a boon to casual labour, providing employment for nearly 600.

A two-mile long barricading work on the bank of the Kabini has been almost completed. The stockade work, roaping stockade work and trench digging are in progress.

Special facilities have been made to provide water inside the stockade to the captives, both for bathing and drinking. Water pipe lines have been embedded to the tall trees for providing shower bath to the elephants. This is a new feature.

To witness the Khedda, about 500 seating arrangements will be made and admission will be by tickets. A special pandal to witness the Khedda by the VIPs will also be constructed. It has been proposed to construct one or two "Bamboo Houses" and top class hoteliers will be offered to run the canteen during the period.

In addition to these arrangements, a health unit is already functioning to provide medical facilities to the labourers and the staff.

Forest Minister B. Rachiah on Saturday visited the Kakanakote forest and inspected the arrangements. Conservater of Forests and Special Officer for Khedda Operations Jayarama Reddy and Divisional Forest officer B Baliah and Wild Life Officer Manamohan showed the arrangements being made to the Minister.

Sri Rachiah said the State Government will invite the President, the Vice.President, the Prime Minister and other VIPs, including foreign embassy people to witness the capture of wild elephants.

USE OF COMPUTERS OPPOSED

Mysore, Nov. 20

The local branch of the Dakshin Railway Karmik Sangh has strongly opposed the introduction of computers in Railway offices as they would result in "retrenchment, deprival of promotional opportunity and stagnation in the initial recruitment grade".

Asia's Oldest Man

Munshi Umed Ali, aged 182 and perhaps Asia's oldest man, will be honoured at a public reception in Agra early next year.

Munshi Umed Ali, who lives in the Krishna Bani village of Dubri District in Assam, was born in 1785.

The Vriddha Jan Sanman Samiti, a social organisation of Agra for honouring the old, will crown Munshi Amed Ali as the oldest living centenarian.

MOCKERY OF CONSTITUTION

Sri B. N. Chakravarty, Haryana Governor, in his report to the President, said that defection by legislators in the State had made "mockery of the Constitution and have brought democracy to a ridicule".

In an Assembly with an effective strength of 79, some 30 members had defected one way or the other, he said.

"Some members have defected not once but even thrice or four times. Two members have defected thrice and six members twice. To some members, changing the party is apparently of as little consequence as changing a coat", he added.

WEST BENGAL MINISTRY DISMISSED

P.C. GHOSH NEW C.M.

The nine-month-old United Front Ministry in West Bengal, headed by Sri Ajoy Kumar Mukherjee, was dismissed yesterday night by the State Governor, Sri Dharma Vira.

Dr. P.C. Ghosh, leader of the Progressive Democratic Front, was sworn in as Chief Minitser by the Governor, immediately after the dismissal of UF Ministry. Two other members of the PDF were also sworn in as Ministers.

After the swearing-in ceremony, the Governor told newsmen that the United Front Ministry had been dismissed and the Assembly was being summoned on Nov. 29.

The entire affair of the dismissal of the UF Ministry and the swearing-in of the new Ministry was kept a closely-guarded secret.

Prohibitory orders under Sec. 144 Cr. P. C. has been promulgated in Calcutta and the surrounding industrial areas. The Army has been alerted.

The Governor in a proclamation said: "In the exceptionally difficult circumstances obtaining in West Bengal, it was particularly necessary that the period of uncertainty and instability should be brought to an end."

The Governor said: "It is constitutionally improper under all circumstances that a Ministry should continue to hold office when it has lost the confidence of the majority of the members of the Assembly".

Fall In Number Of Murders In State

Mysore, Nov. 23

The number of murders in the State this year has gone down. The number of dacoities and robberies is almost at constant and there is a slight increase in thefts and house-breaking.

This was disclosed by Sri S. N. Hosali, Inspector-General of Police, at a press conference here this morning.

He attributed the reason for increase in thefts and house-breaking to the influx of people from outside into the State.

Twnetyone cases of doubling currency have been detected in the State and the modus operandi was to play upon avaricious nature of the people, he said.

The IGP who visited the police stations and other areas in the city said that there should be proper system of policing in the areas instead of having more police stations and outposts. The police stations should have substantialpersonnel to attend to public complaints, he said.

Besides day and night beat in the areas there was a suggestion to have cycle patrols.

Sri Hosali said that he had requested the State Government to give permission to Police Department to have Police Dogs. At present police dogs are being got from Madras. A police dog could also help in patrolling, he said.

The Government has already sanctioned a Forensic Science Laboratory and appointed Dr. Lakke Gowda, Chemist, as its first Director. Within six months, the laboratory would work in full swing, the IGP said.

As regards housing, 67 per cent of the police personnel below Sub-Inspectors have been provided houses in the State.

There is poor response for recruiting women police and present strength is not adequate, he added.

DIG Kagal and SP Bagilthaya were also present at the press conference.

POLICE FIRINGS IN CALCUTTA

VIOLENT PROTESTS

Police opened fire on five occasions and burst teargas shells several times following widespread incidents of violence, attempted loot and arson in various parts of Calcutta and its industrial suburbs.

These incidents happened in the wake of a general hartal called by the United Front and its trade unions to protest against the 'illegal and undemocratic dismissal' of the United Front Ministry by the Governor.

About 20 cars were set on fire in Calcutta when people gathered defying the prohibitory order.

Two ex-Ministers were injured in lathi-charge at the Brigade Parade where they had gone to address a protest rally. They were later arrested for defying prohibitory order.

The Army has been asked to be in readiness to assist the civil authorities in the event of the situation going out of control of the police authorities.

Punjab Govt. Quits

Punjab Chief Minister Gurnam Singh yesterday tendered the resignation of his eight-month-old Government and advised Governor Pavate to dissolve the Assembly and order a mid-term poll.

The resignation took place after 17 legislators led by Education Minister Lachman Singh Gill quit the ruling United Front to form a separate party.

The leader of the Congress Party Sri Rarewalla met the Governor and told him that his 43-member party would support Sri Gill as the new Chief Minister.

The Governor said that he would take two or three days to find out what alternative arrangements could be made.

Have Independent Thinking

DR. RAMAN'S CALL TO YOUTH

Mysore, Nov 23

Dr. C. V. Raman, the Nobel laureate, yesterday called upon the younger generation to develop independent thinking and intellectual honesty.

He was delivering Sri Krishnarajendra Silver Jubilee Lecture on "The Science of the Weather" yesterday at Maharaja's College Centenary Hall under the auspices of the Mysore University. Vice-Chancellor K. L. Shrimali presided.

Decrying the trend to accept whatever that comes from abroad, Dr. Raman said "We are far too prone to accept whatever that comes to us from anywhere, from America or Chicago or even from Timbaktu".

He called for a change in this attitude of mind and cultivating a spirit of courageous enquiry. Science of other countries should be respected. But that did not mean we should allow our logic to be overwhelmed by unjustified confidence of others, he said.

Meterology was not a domestic problem but it was a golabl one. It had to be approached from a broad-based view of science. All academicians should think about it as the very life was involved in it, Dr. Raman said.

CIA HAND IN PLANE CRASH

The disaster that overtook the Air-India Super Constellation, "Kashmir Princess" in the South China Sea in April 1955 was the result of sabotage by U. S. Central Intelligence Agency with the aim of disrupting the Afro-Asian Bandung Conference, according to Mr. John Smith, a self-confessed former CIA agent, now a citizen of the Soviet Union.

He said that as a CIA agent he had himself delivered, but without personal knowledge, two time bombs in Delhi to a Kuomintang Chinese who worked for the CIA in Hong Kong. He learnt only two years later that he had been unwittingly involved in the affair.

Mr. Smith alleged that a majority of the United States Information Service personnel in India were directly or indirectly connected with the CIA, and at least one of its former chiefs was an American master spy.

Sino-Pak Spying In Assam

The arrest of a Pakistani spy at Dhubri in Goalpara District on Nov. 12 and subsequent investigations have yielded clues to joint Sino-Pakistan spying activities in Assam and some other border States like West Bengal and Punjab.

The arrested spy was among bands of Pakistanis trained by Chinese experts in dual duties of spying and border patrol.

ENVOY'S PRESENCE SUPPORTED

Prime Minister Indira Gandhi, replying to a calling attention motion on the message of congratulation to President Ayub Khan on the completing of the Mangla Dam, appealed to the members of the Rajya Sabha to view her message from the broader perspective of solving the problems between the two countries in an atmosphere of mutual goodwill and good neighbourliness.

Deputy Prime Minister Morarji Desai told the Lok Sabha that there was nothing wrong India being represented at the inauguration of the Mangla Dam.

He said it would be "an unfriendly act" if no one from India attended the inaugural ceremony. 'We do not want to be unfriendly to Pakistan", he added.

CURFEW CLAMPED DOWN IN CALCUTTA

MOB VIOLENCE CONTINUES

Curfew was clamped in four police station areas in North and Central Calcutta and also on some towns in 24-Parganas District yesterday following violent clashes and police firing on the concluding day of the 48-hour hartal called by the United Front.

Irate crowds tried to set fire to buildings, buses and railway property but were thwarted in their attempts in many cases

One person was killed in a clash at Panihati.

700 had been arrested since the disturbances broke out on the dismissal of the United Front Ministry on Tuesday night.

The strike and the general hartal was complete and normal life in Calcutta was paralysed.

Police fired 22 rounds on four occasions in Calcutta and its suburbs.

A handmade bomb was thrown at a jeep in which a police officer was passing in Calcutta.

A ration godown in Central Calcutta was set on fire but the fire was controlled.

CHAVAN REFUTES ALLEGATION

Kudremukh Pilot Plant Sanctioned

Bangalore, Nov. 28

The Centre has sanctioned the Rs. one-crore pilot plant for benefication of magnetite ore at Kudremukh, Sri V. K. R. V. Rao, Union Transport Minister, said here yesterday.

But the development of Mangalore port as a deep-sea harbour would go ahead without waiting for the exploitation of Kudremukh mines. The Mangalore project had now been found to be economically viable even without the traffic of hematite ore from the Bellary-Hospet region, he said.

The discovery of Kudremukh magnetite mines had given a shot in the arm for the Mangalore project, Dr. Rao said the sanctioning of the harbour was under the consideration of the Centre.

Coffee To Cost More

Mysore, Nov. 29

The rates of Coffee, Tea and other beverages will go up from Dec. 1 in the city hotels.

The Hotel Owners' Association Secretary in a statement yesterday said as the Government have stopped the issue of sugar price in the open market, they are constrained to raise the rates.

SUBSIDIARY FOOD SHORTAGE

Bangalore, Nov. 29

There is a woeful shortage in the production of subsidiary foods in Mysore State, according to a survey made by the State Government.

The little that was produced during 1965-66 was only so much as to go round the population with about 75 grams of milk and milk products and about four grams of meat a day per person.

Hardly one out of every 77 persons got an egg a day. And about chicken, the less said the better. Out of every 13 families, it was only one which got one fowl or some other bird a week.

About foodgrains, the State needed 13.40 lakh tons of rice, but produced only 11.60 lakh tons; while the production of jowar was 12 33 lakh tons against the need of 12 58 lakh tons. The State requirement of ragi was 10.54 lakh tons but the production was a bare 2,21 lakh tons.

Impeaching President

The Leftist Opposition in Parliament is proposing to impeach President under Article 61 of the Constitution for the 'illegal' acts of the State Governors in dismissing legally constituted Governments in West Bengal and Haryana and installing minority regime in West Bengal and Punjab.

The motion has been sponsored against the President as the Constitution does not provide for impeachment of Governors. They feel that since the President appoints Governors, he is accountable for their acts of omission and commission.

FOREIGN MISSIONARIES

Prime Minister Indira Gandhi told the Rajya Sabha that Government's policy was to reduce the number of foreign missionaries in the "sensitive areas" of the country and to substitute them by Indian counterparts who were doing good social work.

PAK ASKED TO QUIT KARGIL POSTS

The Rajya Sabha was told by Defence Minister Swaran Singh that the United Nations Chief Military Observer has asked Pakistan to vacate some isolated Indian positions along the cease-fire line in Kargil sector occupied by it in the 1965 conflict.

'Mysore House' In Varsity Campus

Mysore, Nov. 29

The proposed "Mysore House" in Students' Village in Manasa Gangotri Campus was discussed at a meeting held at the residence of Vice-Chancellor K L Shrimali on Monday.

Ministers K. Puttaswamy and D. Devaraj Urs MLAs, Municipal President, Taluk Board Presidents and others participated in the meeting.

Dr. Shrimali, explaining the scheme, said the entire scheme of the Students' Village would cost Rs 20 lakhs and provide accommodation for 200 poor merited students.

He appealed to the participants to see that the estimated amount of Rs. two lakhs was raised for the Mysore House.

Sri Devaraj Urs suggested the Presidents of Taluk Development Boards and Taluk Agricultural Marketing Producing Co-operative Societies to contribute Rs. 5,000 and 10,000 each.

Municipal President B. C. Lingiah said that the city would raise Rs 50,000. Deputy Commissioner S. Varadan agreed to give Rs. 25,000 as first instalment on behalf of the Taluk Development Boards Educational Society of which he is the President.

Governor's Recall Demanded

Seventytwo members of Opposition Parties in Parliament, excepting the Swatantra, the Jana Sangh and the PSP, in a petition submitted to President Zakir Hussain yesterday, demanded the recall of Sri Dharma Vira, Governor of West Bengal, on the ground that he had 'forfeited the confidence of the people' of West Bengal. The petitioners have accused the Governor of 'unconstitutional conduct'.

SWAMIJI'S PRAISE FOR MYSORE

Mysore, Nov. 30

A civic address was presented to SriMallikarjuna Murugharajendra Swamiji of Chitradurga yesterday at Town Hall by the City Municipal Council.

President B. C. Lingiah presenting the address praised the services of the Mutt in the field of education and religion.

He recalled the visit of the late Jayadeva Murugharajendra Swamiji, who gave munificent donation for the construction of the Pathology Block at K R. Hospital.

Sri Murugharajendra Swamiji praisedCouncils' efforts in maintaining the beauty and cleanliness of the city, for which it was well-known.

The Municipality, he said, should keep constant watch in maintaining cleanliness and providing civic amenities in a growing city like Mysore.

It was the duty of the mutts to know the needs of the society and serve them, Swamiji added.

KEROSENE DEALERS WARNED

Mysore, Nov. 30

Kerosene dealers in the city and district have been warned of selling kerosene at a higher rate than fixed by the Government.

The Deputy Commissioner in a notification has said that the dealers should notify the kerosene rate and stock they possess. If they violate the rules, the entire stock would be seized, he has warned.

NO PROPOSAL FROM MYSORE CM

The Government had not received any proposal from the Chief Minister suggesting the abolition of linguistic States, Home Minister Chavan told the Lok Sabha yesterday.

SPEAKER HOLDS GOVERNOR'S ACTION ILLEGAL

West Bengal Assembly Speaker Bijoy Kumar Banerjee of the United Front yesterday made history by declaring that the dissolution of the United Front Ministry, the appointment of Dr. P. C. Ghosh as Chief Minister and the summoning of the Assembly on his advice by the Governor, were "unconstitutional and invalid since it has been effected behind the back of this House".

He said: "This House is the supreme authority in regard to making and unmakingMinisters", and refused to recognise the new Ministry and adjourned the House sine die.

But in the Council, Chairman P.C. Guharoy upheld the Governor's action. A motion of confidence in the new Chief Minister and his Cabinet was passed by a voice vote.

In the pandemonium which prevailed in the House, the Chief Minister suffered a minor cut when an ink pot and a wooden stand hit him on his forehead.

Dr Ghosh later in a broadcast said that the Government continued to function as before and the Speaker's observations in the Assembly "will have no legal effect."

A joint meeting of the Congress Parliamentary Party and Dr. Ghosh's Progressive Democratic Front decided to move a no-confidence motion against the Speaker and the Deputy Speaker.

BANK CREDIT TO FARMERS

Bangalore, Nov. 30

The Cabinet yesterday considered a scheme to attract banks to finance small irrigation projects in the State as an experiment to help increase food production.

The State Government would stand guarantee to the banks which advance loans to farmers on the security of achkat lands to enable them to pay betterment levy and water rates in advance.

NO ARBITRATION ON WATER ROW

Union Irrigation Minister K.L. Rao yesterday turned down the demand for arbitration for settling the Krishna water dispute.

He told the Rajya Sabha that arbitration would result in bitterness and hard feelings. He said that a negotiated settlement was the best solution to the problem and all Government's efforts were directed towards this end

Sri Rao said that the talks between the Chief Ministers of Maharashtra, Andhra and Mysore on the controversial Nagarjunasagar project had progressed somewhat and that the differences between the three States had narrowed down.

A bid to table an adjournment motion by the Opposition in the Municipal Council meeting to discuss the West Bengal Governor's action in dismissing the Ajoy Kumar Mukherjee Ministry and the situation arising out of it failed yesterday.

The motion, which sought to adjourn the house by two hours, was tabled by Dr B G Das and seconded by Sri Belliappa.

The President, Sri B. C. Lingiah, disallowing the motion said, the West Bengal issue did not come under the purview of the municipal administration and hence it had no place there.

The opposition headed by Sri M N Thimmiah, protesting against the ruling of the Chair, walked out of the House.

CORRUPTION IN VARSITIES

A committee appointed by the University Grants Commission has said that corruption and malpractices existed in some universities to some extent.

Civic Guards To Check Thefts

Mysore, Dec 2

A suggestion to have guards going round the city in mobile vans during the nights to check thefts of municipal property was suggested at the Municipal Meeting on Thursday.

Sri J. M. Cutinho, who made the suggestion, said there was an increase in the number of thefts of municipal property like public taps, man-hole covers, size-stones, railings, etc., during night times in the city. He wanted the anti-socials to be apprehended by the municipality itself in view of the police department's reluctance to have a Mobile Police Station.

PLEA FOR COLLECTIVE EFFORT

Kerala Chief Minister Namboodiripad told the National Development Council yesterday that the Central Government's political approach was not conductive to generating a spirit of co-operation with the States essential for implementing the Plan

He appealed to the Centre to 'reconsider this approach and create a proper atmosphere for a collective effort to solve the country's problems'.

Tax On Farms Opposed

STATES PLEA FOR MORE CENTRAL AID

At the National Development Council, which met yesterday at New Delhi, the States virtually rejected the Planning Commission's proposal for the levy of Agricultural Income-tax and its integration with the general income-tax.

They also demanded a larger share of Central assistance.

Some of them pressed for an expert body to re-examine the Centre-State financial relations and make changes in favour of States before the next five-year plan.

They demanded that instead of the States being asked to raise resources in those ways, the Centre should cut down the defence budget, check evasion of income-tax and secure larger yields from the public sector enterprises.

Maharani Deplores Fashionmongering

Mysore, Dec. 4

Maharani Smt. Tripura Sundarammanni yesterday called upon women to be careful as not to demage Indian culture by their fashions.

Declaring open the new building of the Seetha Sadana, a ladies organisation, here yesterday, the Maharani said in the name of beauty, the practice of wearing such transparent garments as nylon, decron and terylene was becoming common. Older women had to conduct themselves according to their age. If even mothers start changing sartorial standards it would not be surprising that their example being followed by their daughters. They had to think of the effect of this, she warned.

The Maharani praised the Seetha Sadana for its good work and said such women organisations should increase. It was essential also that they should receive all support. Unless women had their effective role in the society, democracy would not make any progress, she said.

Swami Shanthanandaji of Rishikesh conducted the Bhajan programme. Smt. Prabha Lakshminarayan welcomed the gathering. Smt. Padma Narasimhamurthy, Secre-

Parvathamma Subbarao, President, presented an address to the Maharani. Smt. Lalitha Mahadevarao proposed a vote of

SAMITI PLANS STIR

The Sampoorna Maharashtra Samiti at its second conference at Kolhapur yesterday gave a call for "Maharashtra bundh" on Jan. 5 to record "mounting dissatisfaction" of the Marathi-speaking people over the failure of the Congress leadership in solving the Mysore-Maharashtra boundary issue.

The bundh programme includes 'mass dharana' by people on all roads in Maharashtra leading to Sangli with the object of bringing home to delegates attending the plenary session of the Congress "the mind of Maharashtra" over the issue.

HEART TRANSPLANT

A team of surgeons yesterday successfully carried out the world's first human heart transplant by putting the heart of a 24-year-old girl into a 56-year-old man at Cape Town. The heart was taken from the girl just after she had died in a car crash.

CALL TO PROTECT DEMOCRACY

Mysore, Dec 4

Sri George Fernandez, MP, yesterday addressing a public meeting at the Town Hall maidan called upon the people to strongly resist the 'murder' of democracy by the Congress Government in the country.

He said while people were ready to sacrifice on issues like ban on cow slaughter, it was unfortunate that they simply watched the canons of democracy being thrown to winds.

Sri Fernandez said the problem of Shiv Sena was more of a socio-economic nature. But, he alleged, national level parties like Praja Socialist Party and the Swatantra were supporting the movement.

Sri Venkataram, Organising Secretary of the State Hind Mazdoor Panchayat, presided. Messrs S Gopala Gowda, Aziz Sait and Veerendra Kumar spoke. Sri M. Shivanna welcomed the gathering.

Earlier, Sri Fernandez inaugurated the first State conference of the Hind Hazdoor Panchayat.

He said that labour was politically divided. Youth alone could revolutionise the labour movement and bring unity to it.

Choice Of New CM Will Be Unanimous

SAYS NIJALINGAPPA

Chief Minister Nijalingappa has expressed the confidence that the new leader of the Mysore Legislature Congress Party would be unanimously elected.

Speaking to newsmen at Belgaum, Sri Nijalingappa said that he did not see any difficulty in electing the new leader unanimously because, "the Mysore Congress Legislature Party is a set of well-disciplined persons".

To a question whether the proposed meeting of the Legislature Congress Party at Bangalore on Dec. 7 would elect the new leader, the Chief Minister replied in the negative.

He said the meeting had been called for a different purpose. But it might discuss the succession issue.

Sri Nijalingappa was confident that his departure from the Mysore scene would not create any difficulties in the way of speedy solution of various problems facing the State. "A firm foundation has already been laid for the solution of various problems", he added.

FLAG DAY APPEAL

Bangalore, Dec 4

Chief Minister Nijalingappa has made an appeal to the public to contribute liberally on Flag Day to be observed tomorrow to raise funds for the benefit of ex-servicemen and their families and for providing better amenities to armed forces personnel.

When young men in the prime of their life have made the supreme sacrifice in the defence of our country, the least that we can do to express our gratitude to them is to contribute for the welfare and comfort of their lives and children, he said.

Mysore Roads

Bangalore, Dec. 6

The State Director of Plan Evaluation in his report on Mysore roads, has suggested a total freeze on all new constructions and surfacing of roads in the road-rich districts of Mysore, Mandya, Shimoga and Bangalore and stepped up tempo of rural works in the backward districts of Gulbarga divisions.

Another recommendation was to hand over the management of rural roads to local bodies, keeping only fairly long roads of over 15 miles with PWD

Mysore State had only 880 miles of national highways as against the all-India total of 1.674 or about 6 per cent of the total There has been no addition to this mileage in Third Plan.

Against the State average of 44 miles per 100sq. miles, Gulbarga, Bidar, Raichur and Bellary districts have 16, 155, 25 and 25 miles respectively.

KRISHNA WATER FOR ARBITRATION

Public Works Minister Veerendra Patil said yesterday that the Centre is likely to refer the Krishna water dispute to arbitration after trying another round of talks between the three concerned Chief Ministers.

He has invited leaders of the Opposition parties in the State Legislature today for talks on this subject.

FAMILY PLANNING DRIVE

Mysore, Dec 6

Upto end of October this year, 3952 sterlisations were done in the District against the target of 6964 accounting to 57 per cent. The progress of IUCD placements was only 10 per cent of the target.

This was revealed in a report presented at the District Family Planning Action Committee held under the chairmanship of Deputy Commissioner S. Varadan recently.

To carry the message of family planning to the Muslim population in the District, the meeting decided to approach the Song and Drama Division of the Union Information and Broadcasting Ministry for a qawali troupe to be sent to the District at least for a month.

It was also decided to arrage a Mushaira inviting top ranking Urdu poets.

It was proposed to hold 13 sterilisation and seven IUCD camps in the District during the month.

Deficit Financing

Deputy Prime Minister Morarji Desai yesterday said that deficit financing in the current year was inevitable because of the shortfall in the realisation of the customs and excise duties. The shortfall in excise duty alone amounted to Rs. 30 crores.

He did not indicate the likely order of the deficit. But he emphasised that the Centre and the States should trim their expenditure.

In order to check expenditure, no overdrafts would be given to the States next year, he added.

NO RATIONS FOR I-T PAYERS

The Gujarat Government has decided to invalidate ration cards of income-tax payers. This measure would enable the Government to supply more grain to the poor sections who cannot afford to purchase grain from the open market.

NO BUMPER CROP

The earlier assumptions of a bumper crop with the estimate of foodgrains production at 95 million tons had to undergo a revision because of the lack of rains in October in some parts of the country. The revised estimate was 92 million tons, Deputy Prime Minister MorarjiDesai said yesterday.

He gave a dismal picture of the rate of industrial production in the current year and said the rate of growth in the first seven months of 1967 was 1 3 per cent as against 1 5 per cent last year.

MPS CONSENSUS FOR MAHAJAN REPORT

Union Home Minister Chavan announced in the Lok Sabha yesterday that the Government would convene a meeting of leaders of political parties in Parliament to evolve a national consensus in regard to border disputes.

Sri Chavan announced this after Sri Nath Pai had suggested the convening of a round-table conference to arrive at a solution to the Mysore-Maharashtra border dispute.

This provoked bitter protests from Mysore members.

Sri K. Lakkappa asked whether there was any conspiracy to shelve the report. 'Is it because you are from Maharashtra?'

In a half-hour discussion on the Mahajan Commission report, Mysore members, J M. Lobo, J H. Patel, Imam and others strongly protested against the convening of a conference and said the report of the Commission was an award and should be implemented.

Boon For Paralysed

Invalids may soon be able to manoeuvre their wheelchairs by a simple movement of the eyelids or eyeballs.

The system is based on a thin, harmless infrared ray fixed on and reflected by the eye.

A movement of the eyeball or the eyelid increases or decreases the intensity of the reflected light, which can set off mechanisms to make a wheelchair go forward or backward, stop or pivot

MALPE TO BE MADE FISHING HARBOUR

Chief Minister Nijalingappa stated yesterday that the Government had decided to develop Malpe, near Udipi in South Canara, into a fishing harbour with Yugoslavia collaboration.

He said the foreign experts who had visited the place had agreed to supply all the technical know-how and the machinery needed for its development. They have also agreed to purchase fish in return for their aid amount.

The Yugoslavia proposal on Malpe would cost Rs. 9 crores, which included the cost of construction of a number of shipping vessels.

ANTI-ENGLISH AGITATION

The Language Bill was a target of bonfire by the Hindi Sainiks outside Parliament House yesterterday.

The old Delhi City observed complete hartal. Schools were closed.

In Agra, the police made a lathi charge to disperse a violent crowd of anti-English demonstrators who smashed the announcing booth of railway station, indulged in brickbating and beat up five policemen.

LUCKNOW BUNDH

The Lucknow Bundh call given jointly by the SSP and the Jan Sangh to protest against the Official Languages (Amendment) Bill was a total success yesterday in Lucknow.

A huge mob of students and others stormed the fashionable shopping centre of Hajatganj, smashing glass cases, neon signs and pulling down English signboards.

The mob later moved to the State Secretariat and burnt the effigy of the Languages Bill.

Storm In Lok Sabha

There was a storm in the Lok Sabha yesterday when some Opposition members made a vain bid to block the consideration of the Official Languages Amendment Bill.

For nearly two hours, the House was in turn gripped by tension and thrown into confusion as SSP, Jan Sangh members and some Independents challenged the legality of the Bill and the official resolution on languages.

Sri Madhu Limaye urged the Bill to be referred to a joint committee of Parliament to find an agreed solution.

Minister Ram Subhag Singh declined to oblige and urged that the House must start discussion on the Bill.

MYSORE MPS REJECT CONSENSUS FORMULA

Parliament members from Mysore numbering about 25 yesterday met Prime Minister Indira Gandhi and told her that the proposal of Home Minister Chavan of evolving a national consensus on the Mahajan Commission's recommendations was a deliberate and unwarranted attempt to scuttle the recommendations of the Commission.

The all party deputation led by Sri Mohammed Imam of the Swatantra Party submitted a memorandum to the Prime Minister and said they were perturbed at Home Minister Chavan's statement.

Referring to the statement of Sri Chavan that the Commission's findings were self-contradictory and self-defeating, the Mysore MPs told the Prime Minister that by his statement and his past stand on the issue, the Home Minister had shown he could not be impartial.

They appealed to Smt. Indira Gandhi to treat the Mahajan Commission's report as an award and implement it speedily.

Hallikeri Warns

Members in the Mysore Legislative Council yesterday sharply criticised Sri Chavan's national consensus formula.

Sri G. V. Hallikeri threatened to fight the "monster of national consensus" with all strength the three-crore Kannadigas could command by a vigorous agitation.

VALEDICTORY FUNCTION

Mysore, Dec. 9

The valedictory address of the eighth general course in development administration was delivered yesterday by Sri H. Chikkanna, Controller of the State Accounts Department, at the Administrative Training Institute.

He emphasised the need for such training programmes for good administration. Sri Chikkanna appealed to the participants to make the best use of the training.

Institute Principal H. L. Kulkarni welcomed the guests. Sri H. Seetharama Bhatta and Sri Ramasinghiah spoke on behalf of the participants. Sri M. N. Anantharaman proposed a vote of thanks.

Legislation To Store In Warehouses

CM'S SUGGESTION

Mysore, Dec. 9

Chief Minister Nijalingappa suggested the feasibility of introducing a legislation to make the agriculturists compulsory to store their produce in the State Warehouses instead of keeping them in their own villages.

He was inaugurating the additional blocks of the State Warehouse and also the fifth all Mysore State Warehousemen's Conference here today. Co-operation Minister P. M. Nadagouda presided.

The Chief Minister referring to villagers not coming forward to avail the facilities offered by the State Warehouse, said it was necessary to educate them in this regard.

He also stressed the need to undertake medium and big irrigation works to increase production.

Sri Nijalingappa supported recourse to deficit financing to undertake these big projects which would pay back the amount invested later. By this it would be also possible to increase agricultural production, he said.

Earlier, Sri R. Bharaniah, Chairman of the State Warehousing Corporation, welcomed the gathering.

Sri S. B. Mudappa, Managing Director, proposed a vote of thanks.

REMOVE S. T. ON FOODGRAINS

Mysore, Dec. 9

A demand to remove sales tax on foodgrains in the State will be made by the City Sales Tax Payers' Association at a meeting to be held at Kaveripatnam Hall at 10 a.m. tomorrow.

The Association has said that with the removal of Prohibition and an additional income of Rs. 10 crores, the Government should remove 'single point' tax on other articles, besides foodgrains.

It has also urged exemption of sales tax on small dealers and extend the limit from Rs. 10,000 to 25,000.

KANNADA FILM MUHURT

Mysore, Dec. 9

The muhurt of Sri Nagendra Chitra Kala's new Kannada film 'Sarvamangala' will be held tomorrow at 9-30 a.m. at the Premier Studios. Health Minister Puttaswamy will switch on the camera. Information Minister D. Devaraj Urs will clap and Education Minister K. V. Shankara Gowda will preside. The film is based on a novel of 'Chaduranga', who also provides dialogues and produces the film.

PANEL ON DEFECTIONS

The Lok Sabha yesterday unanimously passed a resolution recommending the appointment of a high-level committee consisting of representatives of political parties and constitutional experts to consider the quetion of floor crossing by legislators.

Intervening in the debate, Home Minister Chavan said that defections were threatening the democratic way of life and introducing an element of instability in the administration. If defections were not checked, a time would come when people would be disillusioned by the democratic way of life.

Revive Spirit Of Selfless Service

—NIJALINGAPPA

Bangalore, Dec. 11

Congress President-elect Nijalingappa yesterday called upon partymen to revive the spirit of dedicated selfless service of the freedom struggle days to consolidate solidarity and integrity of the country and fight successfully the battle against illiteracy, poverty and unemployment to achieve the goal of economic prosperity.

He was replying to felicitations offered to him at his 65th birthday at a function organised here by the Pradesh Congress Committeee.

Sri Nijalingappa hoped that he would be able to tackle the various problems confronting the nation and the party, encouraged as he was by the all round support he had assured in the hard work that had been assigned to him.

The outgoing Congress President Kamaraj who presided over the function, paid warm tributes to Sri Nijalingappa as the only leader to whom the Congress and the people could look to for guidance in their onward march towards the ideal they had set for themselves and for free India.

He unreservedly pledged his support to any endeavour of Sri Nijalingappa, as his successor, in building the economic prosperity by consolidating the unity and integrity of the country and in eliminating the 'political intrigues and conspiracies of self-seekers'.

Film Subsidy Assured

Mysore, Dec 11

Kannada film producers need have no doubt about the Government giving subsidy of Rs. 50,000 for each film produced in the State, Information Minister Devaraj Urs assured here yesterday.

Speaking at the muhurt ceremony of' 'Sarvamangala'', based on the novel of Sri Subramanyaraj Urs, the Minister said that due to some legal technicalities there was delay in implementing the scheme.

So far no film had yet received the subsidy But it would be given effect soon, Sri Devaraj Urs said.

Education Minister Shankara Gowda, who presided, said that films should be educative and provide entertainment. He criticised films of low standard and said quality pictures also would bring in good gate collections.

Health Minister Puttaswamy switched on the camera. Dr. H M. Naik, Sri T. R. Subba Rao, Smt. Rukkamma Chandrasekhar and actress Kalpana, who plays the title role in the film, spoke.

Earlier, Master Vikram welcomed the gathering

105 KILLED IN EARTHQUAKE AT KOYNA NAGAR

1,600 Injured: 5,000 Homeless

Atleast 105 people were killed and over 1, 00 injured in the calamitous earthquake that shook yesterday Koyna Nagar, the township of Maharashtra's hydel power station in Satara District.

Most of the casualties, trapped under the debris of their residences while they were asleep, were women and children.

Over 5,000 have been rendered homeless.

The Koyna town, with a population of about 10,000, presented a picture of devastation with almost all buildings, including the residential quarters, razed to the ground.

The shock was over a wide area from Bombay to Poona, Panaji, Surat, Hyderabad and other places

POLICE ATROCITIES ON INNOCENT MEN AND WOMEN

JUDICIAL PROBE DEMANDED

Bangalore, Dec. 14

The Congress members joined the Opposition in the Legislative Assembly in condemning the police atrocities on innocent men and women in Madhugiri taluk and demanded a thorough probe into it.

The Opposition and the Congress members including a lady member, painted a lurid picture of the gruesome incidents happened at Hanumanthapura.

They alleged that the police went to the villages after clearing them of all menfolk to pounce on defenceless women. They had outraged the modesty of women and girls.

Home Minisier assured the House that an appropriate authority will hold a thorough inquiry into the alleged police atrocities. He also assured that the Government will not do anything to shield any wrong-doer, whoever he might be.

The entire Opposition walked out of the House at the fag end of the sitting when the Home Minister did not commit himself either to hold a judicial inquiry or to visit the spot personally and report to the House his findings.

CM ANNOUNCES JUDICIAL PROBE

Bangalore, Dec. 15

Chief Minister Nijalingappa announced yesterday in the Legislative Assembly that a judicial enquiry will be conducted into the alleged police atrocities in eight villages of Madhugiri taluk

He said that he had already contacted the Chief Justice of the Mysore High Court to find out which of the judges could be spared for the enquiry.

The Chief Minister said that he had taken the decision after considering all that had been narrated in both the Houses.

He told newsmen that it was the duty of any Government to hold such an enquiry when feelings ran so high on a sensitive matter like this. He could not just afford to sleep over the allegations. He reaffirmed theGovernment's resolve to punish the offenders if the charges were proved.

VIGILANCE PANEL PRAISED

Bangalore, Dec. 15

Chief Minister Nijalingappa said in the Assembly yesterday that the State Vigilance Commission had been doing good work. It had so far taken action against3 015 officials. The number of cases under enquiry was 1,023. The number of officers punished was 337, of which 123 were gazetted officers and the number of those exonerated was 36 gazetted and 33 non-gazetted.

Hoteliers To Raise Prices

Bangalore, Dec. 16

The joint meeting of the executive committee of the All Mysore Hotels Association and the managing committee of the Bangalore Hotels Association has decided to raise prices of some of the items in view of the increased sugar price.

The meeting suggested to its members to spread the price rise over a number of items rather than a large increase in price of sugar based tems so that the customer may face the burden less.

HINDI YOUTH STARTLES LOK SABHA

A Lucknow University student yesterday startled the Lok Sabha by shouting pro-Hindi slogans and throwing pamphlets from the visitors gallery.

The Lok Sabha was discussing an adjournment motion on the arrest of two Uttar Pradesh Ministers.

The student was speedily apprehended by the watch and ward officers and taken into custody.

The Lok Sabha considered the act a grave offence and the youth guilty of contempt of the House, and for the first time after the Independence sentenced him to one day's simple imprisonment.

Earlier, there were heated exchanges between Hindi and non-Hindi members resulting in a pandemonium during the second reading of the Official Languages (Amendment) Bill.

Border Report Not An Award

The Mahajan Commission Report could not be treated like an award of an arbitrator. It was recommendatory and Parliament and the Government had to weigh the recommendations, Sri V. C Shukla, Minister of State for Home Affairs, told the Rajya Sabha yesterday.

He said the Government's decision on the report would be based "on the national consensus" that might be evolved during the discussion with Opposition groups in Parilament.

The conduct of an opinion poll in the disputed border areas of Mysore and Maharashtra "will be one of the matters that will be considered" by the proposed conference, he added.

Hoteliers To Raise Prices

Bangalore, Dec. 16

The joint meeting of the executive committee of the All Mysore Hotels Association and the managing committee of the Bangalore HotelsAssociation has decided to raise prices of some of the items in view of the increased sugar price.

The meeting suggested to its members to spread the price rise over a number of items rather than a large increase in price of sugar based tems so that the customer may face the burden less.

HINDI YOUTH STARTLES LOK SABHA

A Lucknow University student yesterday startled the Lok Sabha by shouting pro-Hindi slogans and throwing pamphlets from the visitors gallery.

The Lok Sabha was discussing an adjournment motion on the arrest of two Uttar Pradesh Ministers.

The student was speedily apprehended by the watch and ward officers and taken into custody.

The Lok Sabha considered the act a grave offence and the youth guilty of contempt of the House, and for the first time after the Independence sentenced him to one day's simple imprisonment.

Earlier, there were heated exchanges between Hindi and non-Hindi members resulting in a pandemonium during the second reading of the Official Languages (Amendment) Bill.

The Monday's earthquake in Koynanagar has left a 50-mile long fissure.

Starting from behind the Shivasagar dam of the Koyna project, the fissure cuts across two hills and ends at the Warna river belt. The gapping fissure is over six feet deep and about six inches wide.

PLEA FOR BETTER RELATIONSHIP

Mysore, Dec. 18

A plea for better relationship between the State Information Department and the Pressmen was made here on Saturday.

The Mysore District Journalists Association had arranged a party in honour of the visiting Mangalore Pressmen. President N N Sastry was in the chair.

Messrs. Gopalan, U. Narasimharao and Gopalakrishna of Mangalore and Messrs. A Ramanna, Agaram Rangiah and T. Narayana of Mysore speaking pointed out various defects in the Information Department.

If the activities of the Government had to reach the masses, the Government should see that there was better relationship between the two, they said.

Secretary G. Satyanarayana proposed a vote of thanks.

The population of nomadic tribes in the country is over six millions.

LANGUAGE BILL HAMPERS UNITY

Congress President Kamaraj yesterday expressed the fear that the Official Languages Amendment Bill as passed by the Lok Sabha might come in the way of strengthening the unity and integrity of the country.

He said: 'My fear is that after some time non-Hindi speaking people may ask that they should be permitted to enter the services on the basis of the knowledge of their own language, since the Bill provides for compulsory knowledge of either Hindi or English alone for recruitment to the Central services. We will not be able to resist the demand'.

END LANGUAGE CONTROVERSY

President Zakir Hussain yestesday appealed to the nation 'to bury the fruitless language controversies and concontrate on the constructive work of developing our languages'.

He said 'we can make our languages serve the needs of a modern and progressive society'.

Accept Mahajan Report-CM

Bangalore, Dec. 19

Chief Minister Nijalingappa yesterday appealed to the parties concerned in the boundary dispute and the Central Government to accept the Mahajan Commission report in the name of wisdom and patriotism, irrespective of the fact that all the three sides had lost some territory.

He told the Assembly that it would help none to whip agitation Urging the Centre to implement the report without any changes, he expressed the hope that the entire House was with him in making this demand.

It was his personal opinion that the Mahajan Commission report was nothing less than an award and should be accepted on all hands as such. If it was not considered so, he warned, there would be no finality to the issue, which had already caused enough bitterness.

NO FAVOURITISM

Bangalore, Dec 19

Education Minister Shankara Gowda yesterday refuted any favouritism in the grant of permit for filming the annual Dasara Sports in Mysore.

After calling for tenders it had been given to a firm in Madras. He knew that one of the directors of this firm was a son of Vice President Giri, he said.

Asked whether the tenders were advertised in newspapers, the Minister said, he did not know.

TITLE RECIPIENTS FELICITATED

Mysore, Dec. 19

Warm tributes were paid to "Sastravaidyapraveena" Dr. A. K. Gopalarajan, the recipient of the State Award from the Mysore Government, and "Rajasabhabhushana" F.K. Irani and "Rajakaryaprasakta" Safi Darasha, who have been conferred titles by the Mysore Maharaja.

The function had been arranged by a committee of hosts of the local Citizens' Forum. Divisional Commissioner M S. Swaminathan and Civic Chief B.C. Lingiah presided.

The Divisional Commissioner said that each of these three eminent citizens of Mysore had set a pace in the city in their own way, one being an efficient surgeon, another helping to industrialise the city and the other as an able administrator and sportsman.

Dr. Parpia, Director of the CFTRI, Sri N. N. Sastry, Sri M N. Parthasarathy and Sri Gopala Rao praised services of Dr. Gopalarajan, Sri Farooq Irani and Sri Safi Darasha.

Sri H. Subba Rao welcomed the gathering. Sri C. Srikantan, Secretary-General of the Forum, proposed a vote of thanks.

No-Confidence Motion

Bangalore, Dec. 19

A no-confidence motion moved by the combined Opposition was admitted in the Assembly yesterday.

The one-sentence motion read: "This House has no confidence in the Council of Ministers".

The Speaker said he would fix the date and time for the debate later.

RAMA RAO'S RESIGNATION

Bangalore, Dec. 19

The final decision on the resignation of Home Minister Rama Rao will taken by Chief Minister Nijalingappa only after he returns from Delhi on Thursday.

He told newsmen that it was for the first time a situation of this kind had arisen and he was giving some thought to it. 'It will take time before I come to some conclusion', he added.

CENTRAL DA FOR STATE NGOs

Bangalore, Dec. 19

The second interim report by the Tukol Commission which has recommended payment of Central DA to State NGOs was under the active consideration and a decision would be taken soon, Food Minister Jatti told the Council yesterday. If the recommendation was implemented the extra expenditure would be Rs. 4 50 crores, he said.

Central DA Raised

The Central Government has decided to increase the exhisting rates of dearness allowance to its employees with effect from Nov. 1, 1967 in view of the all-India working class consumer price index having crossed 205 points. The increase ranges from Rs. 6 to Rs 10 per mensum to those getting pay below Rs. 450 and Rs. 33 per mensum to those in the range of Rs. 450 and Rs. 499.

FAMILY PLANNING FORTNIGHT

Mysore, Dec. 19

Family Planning Fortnight was inaugurated in Kodanur village in Mysore Taluk on Sunday by Sri Madappa, a villager who had recently undergone Vasectomy operation.

He said that the misgivings on post-operation effects were absolutely baseless and unfounded.

The function had been arranged by the District Family Planning Bureau and the Family Planning Publicity Unit of the Union Directorate of the Field Publicity.

DONATION FOR "MYSORE HOUSE"

Mysore, Dec. 19

Sri F.K. Irani has donated Rs. 10,000 for the Rs 2 lakh "Mysore House" to be constructed in the "Vidyarthi Grama" by the Mysore University in the Manasa Gangotri campus.

AJOY MUKHERJEE AND OTHERS ARRESTED

The United Front led by Sri Ajoy Kumar Mukherjee, former Chief Minister of West Bengal, yesterday launched civil disobedience movement against the prohibitory order and demonstrated in court premises at several places in the district.

Ajoy Mukherjee and three other former Ministers courted arrest.

In Calcutta, schools and colleges remained closed in response to the strike call given by nine students associations as a protest against 'police excesses' in a college.

ENVOY WARNED

Prime Minister Indira Gandhi told the Lok Sabha yesterday that the Indian High Commissioner in Singapore had been warned for making an indiscreet statement.

He had stated that in case privy purses and privileges of princes were abolished, it would have an adverse effect on foreign investments

MOBILISE RESOURCES

Prime Minister Indira Gandhi yesterday warned that if the Centre and States failed to mobilise resources, 'we will not be able to fulfil any plan, no matter the brave words we may speak'.

She emphasised the need to mobilise resources 'even if it goes against some group of regional or State interest'. She deplored the habit of one section of the community or sector of the economy expecting the other to raise the resources for investment.

GRAFT BY WIVES OF OFFICERS

Bangalore, Dec. 19

The Government was not aware of the allegations that wives of officers were taking bribes and it was matter of opinion to allege that corruption had become a 'mamool' in every department, Food Minister Jatti told the Legislative Council yesterday.

He said the recommendations of the Vigilance Commissioners' Conference for giving more powers to the State Vigilance Commission was under consideration.

Hawkers' To Protest

Mysore, Dec. 20

The hawkers and footpath traders in the City have decided to hold a protest demonstration tomorrow against "harassment" by the police and municipal authorities.

They will urge the Government to provide them facilities to carry on their legitimate business as provided in the other places.

They will also hold a public meeting today at 6 p m. at Town Hall under the chairmanship of Sri Aziz Sait, MLA.

NEW INDUSTRIES BY OUTSIDERS

Bangalore, Dec. 20

Eight outside entrepreneurs had applied for licenses to set up industries in the State. Four had been recommended to the Union Government and one had been sent to the Industries and Commerce Department of the State and the rest were being processed.

Food Minister Jatti disclosing this, said the Government would insist that entrepreneurs from outside who desired to set up industries in the State should employ skilled and unskilled labour available in the State.

Mysore's Plan For 1968 Cut

A plan of the size of Rs. 51 32 crores on the availability of resources had been fixed for Mysore for 1968-69 during discussions on the State's annual plan with the Planning Commission yesterday at Delhi.

Chief Minister Nijalingappa felt that the size of the plan for 1968-69 should not be less than that of the current year, namely Rs. 60 25 crores. He emphasised that the programme requirements of agricultural production, irrigation and other sectors indicated an outlay of this size.

It was agreed that efforts should be made to increase the resources of the State by exploring possibilities of selling power to other States, collection of arrears and other avenues.

3,000 UNEMPLOYED ENGINEERS

Bangalore, Dec. 20

There were about 3,000 unemployed engineering graduates in the State, Education Minister Shankara Gowda informed the Assembly yesterday.

He said the annual turnout of engineering graduates in the State was roughly 1,000 and about 10 per cent of them were absorbed in the Government service.

Chinese Missiles

Defence Minister Swaran Singh told the Rajya Sabha yesterday that China had already completed the development of a medium range ballistic missile and would probably have an operational ICBM capacity by 1972.

He said the range of missiles currently developed in China was between 500 and 1,000 miles

The Defence Minister firmly rejected that India should go in for a nuclear bomb in self-defence when a number of members expressed their apprehension about the rise of China as a nuclear power and the threat it posed to India.

LOSS IN GOVT. INDUSTRIES

Bangalore, Dec 20

Four Government-owned industrial units in the State were running under loss, Food Minister Jatti told the Council yesterday.

The Central Workshop, Mercara, suffered a loss of Rs. 0 16 lakhs in 1965-66, Silk Filatures, Mysore, Rs. 18.16 lakhs Silk Filatures, Kollegal, Rs. 12.78 lakhs and Silk Filatures, Kanakapura, Rs. 4.37 lakhs.

CONSENSUS TALKS TOMORROW

Home Minister Chavan has called a conference of Oppositition leaders of Parliament tomorrow to discuss the Mahajan Commissin's report on the boundary disputes between Mysore and Maharashtra to evolve a national consensus for settling these disputes.

MOTION REJECTING CONSENSUS PROPOSAL MOVED

Bangalore, Dec. 20

Law Minister Kanthi yesterday appealed to saner elements in Maharashtra to take courage and assert that they will accept the Mahajan Commission report.

Intervening in the thrid day's debate on the Commission's report in the Assembly, he hoped that Maharashtrians would be led by their clean conscience.

Sri Kanthi said that even as late as Sept. 14, this year, Maharashtra Chief Minister V. P. Naik and on Aug. 15 this year, Union Home Minister Chavan had said that both Mysore and Maharashtra must accept the report.

It did not therefore lie in the mouth of Maharashtra to say now that the report must not be accepted, he said.

Food Minister Jatti moved in the Assembly a substantive motion urging the Centre to implement immediately the Mahajan Commission report and opposing all proposals for a national consensus or taking of opinion poll.

100 HELD IN BENGAL STIR

Over a hundred women volunteers of the United Front, led by Smt. Renu Chakravarty, former MP, courted arrest at the north gate of Raj Bhavan in Calcutta on the second dayyesterday of the week-long State-wide disobedience movement against the Ghosh Ministry.

995 persons were arrested in the district including nine MLAs and one MLC.

STUDENTS' CLASH

There were violent clashes between rival groups of students of the Presidency College in Calcutta yesterday.

There were heated exchanges between leaders of the two student unions, one owing allegiance to the United Front and the other to the Congress on the United Front CD call.

Members of the rival groups attacked one another with stones and brickbats. A tram car was set on fire and bombs and crackers were thrown at the police from the college premises.

Kannada Board

Bangalore, Dec. 21

The State Government has set up a board for the development of Kannada as medium of instruction at the university level.

The Board has been asked to suggest steps for production of text-books and supplementary reading materials.

The vice-chancellors of Mysore, Bangalore, Karnataka and Agricultural universities, the Secretary to Government Education Department and the Directors of Public Instruction, Technical Education and Collegiate Education are the members of the Board, with the Education Minister as chairman.

PM ON 3-LANGUAGE FORMULA

Prime Minister Indira Gandhi yesterday called upon all the States to implement fully the three-language formula.

If this was done, the controversy over languages would end and the period of transition would not be difficult, she said.

She appealed to the people in the North and as well as in the South not to allow the language issue to divide the country. The Language Bill was really a cementing force for the unity, she added.

MYSORE OPPOSED TO BORDER CONSENSUS

Bangalore, Dec. 21

The Mysore Legislative Assembly yesterday adopted a Government motion that the Mahajan Commission report should be accepted in toto as an award and the House opposed the move for either a national consensus or opinion poll on the boundary dispute.

Only four MES members voted against the motion, while independent members remained neutral.

Food Minister Jatti warned the Centre that the State would have to come to the conclusion that the Centre adopted different yardsticks for the same issues, if it were to finally succumb to the national consensus idea.

Students Oppose Language Policy

Bangalore, Dec. 26

The students of the Bangalore University have warned that the whole South would be forced to give a clarion call to the country to oppose the Centre on its language policy if no favourable and far-sighted policy was implemented at the earliest.

In a memorandum submitted yesterday to the Union Education Minister here, the students have condemned 'as one man' the Government in the 'heinous act' of passing the Official Languages Amendment Bill which affected the future of millions of students in the non-Hindi speaking areas.

"We feel greatly perturbed at the unfair advantage that has been conferred on the Hindi-speaking population of the country. This would result in breeding separatist tendencies and a time might shortly arise to bring a permanent barrier which separated the Hindi-speaking and the non-Hindi speaking entities in the country".

EVEN SHARE OF LANGUAGE BURDEN

Bangalore, Dec. 26

Union Education Minister Triguna Sen told the Bangalore University Students Council here yesterday that it was the duty of the Government to see that no region of the country was unduly benefited by the Official Languages Act recently passed by Parliament.

He pledged that it would be his duty as the Education Minister to get this done. 'If we succeed in doing so, there would not be any further chance of misunderstanding'.

If the Government failed in its task, it was left to the representatives of the people in Parliament to change the Constitution so that the burden of language was distributed evenly in the country in the matter of job opportunities.

CLOSE TIES WITH PRIVATE SECTOR

The Administrative Reforms Commission's study team has recommended closer association of the private sector in the plan process.

It has also suggested greater freedom for the States and the Central Ministers in working out detailed plans and appointment of a parliamentary committee on planning on the lines of the Committee on Public Undertakings.

Tackle Housing Problem

Mysore, Dec. 26

Sri M.S Gurupadaswamy, Union Minister of State for Co-operation, called upon co-operative societies to mobilise resources from the private and institutional sources in an increasing measure to have a deeper impact on the problem of housing in the country.

He was inaugurating the golden jubilee celebration of the City Co-operative Housing Society here today.

The Minister hoped that the commercial banks would also play a significant role in the field of housing finance.

He said with the rise in population, the problem of housing had assumed great dimensions. Housing co operatives in Madras, Maharashtra, Gujarat and Mysore were playing a notable role. But compared to the magnitude of the problem, the achievements so far were meagre.

To wipe out the entire shortage of houses in the country an outlay of Rs. 43,000 crores was required, he said.

Sri Gurupadaswamy said that the proposed Central Housing and Finance Corporation was expected to tap private savings and provide additional resources for housing programmes including co-operative housing.

Useful Education For Girls

MAHARANI'S PLEA

Mysore, Dec. 28

Inaugurating a three-day State-level seminar on girls' education, here this morning, Smt. Tripura Sundarammanni, Maharani of Mysore, said it was essential to give a full and useful education for girls, to fit them to be good citizens and good wives and mothers.

She also pleaded for a happy solution for the problems of women teachers in rural areas as the need for good girls' schools in villages was as as pressing as in the town.

The Maharani said 'we live in times that are changing with bewildering rapidity. Our boys and girls have to adopt themselves to new ways of life. Who is to teach and lead them, but the teacher'.

She felt that much of the present unrest among students was due to lack of proper guidance, both moral and intellectual.

Sri S V. Jevoor, Director of Public Instruction, who presided, called for concerted efforts for progress of women's education.

The DPI wanted that milk powder supplied by CARE for mid-day meals for children should be made full use of without lying them idle.

In this ladies could play a great part in undertaking its preparation. The lady teachers should take up this work in their schools.

SriT.V.Thimme Gowda, Joint Director of Public Instruction, welcomed the gathering.

Smt. K. N. Kausalya Bai, DDPI, read a report

COLLEGE STUDENTS ON STRIKE

Mysore, Dec. 29

The students of the Maharaja's College are on strike since Wednesday protesting against the attitude of the Principal in not sanctioning scholarships and free studentships to the poor students.

They went in a procession to the University Office yesterday and met Registrar Ramachandran and Syndicate members Shivappa and Bande Gowda and represented their grievances

PUBLIC HEALTH IS DEPLORABLE

Though two decades have elapsed since independnce, the state of public health in the country is deplorable, said Dr. P. R. Trivedi, President, All India Medical Conference, at Jabalpur.

He said that quackery had become a chronic problem in India and it was a pity that the Government was encouraging it.

MASTER PLAN FOR KUDALASANGAMA

Mysore Law Minister Kanthi said yesterday that there was a plan to develop Kudalasangamma in Bijapur district as pilgrim centre on the lines of Tirupathi.

Speaking at the eighth centenary celebrations of Basava, Sri Kanthi announced a Rs 1-crore master plan for the development of Kudalasangama.

HAWKERS' PROTEST

Mysore, Dec. 29

Over 300 hawkers in the city went in procession protesting against the harassment by police and municipal authorities in vending their goods on footpaths.

They were led by Sri Aziz Sait, MLA.

The demonstrators later met Municipal President B.C. Lingiah and Superindent of Police Bagalathaya and detailed their grievances.

NO PRESIDENT'S RULE

The question of President's rule in West Bengal did not arise since the Ministry headed by P. M. Ghosh had a majority, Deputy Prime Minister Morarji Desai said yesterday at Calcutta.

FINANCIAL BOYCOTT

Movements for suspending payment of Government's loans, rents, taxes, etc were suggested at a meeting of the United Front yesterday in Calcutta for launching the third phase of the struggle next month against the Ghosh Ministry.

INDIA'S SICKMEN

He said that about 13 3 per cent Indians are always having some sort of illness.

Panel On Defence Policy

JANA SANGH'S PLEA

At the 14th annual session of the Jana Sangh, which commenced yesterdap at Calicut in Kerala, a resolution was adopted calling for a joint committee of defence and foreign policy experts at Parliamentary and Ministerial levels to review constantly the policies of the country in co-relation with each other.

Over 4 000 delegates, including 800 women, are attending the session.

Sri Balraj Madhok, the outgoing president, in his address said it was the duty of every nationalist to take the pledge once more that no one would be allowed to nibble away our territory. He asserted that the Jana Sangh would meet the challenge of the Communists and the Muslim League in Kerala

Sri Deen Dayal Upadhyaya, the new president, in his address claimed the Sangh's potential for growing into a clear alternative to the Congress.

He suggested a unitary form for the Constitution and decentralisation of financial and other powers now concentrated in the Centre to get over the problems of Centre-States relations.

Sri Upadhyaya warned that with the removal of restrictions on Mirza Afzal and Sheikh Abdullah, the elements aiming at detaching Kashmir again become active.

On language, he said the Jana Sangh did not support any step which restricted the rights of those who did not know Hindi. But the domination of English at the Centre was bound to be at the cost of not only Hindi but even other Indian languages. He opposed the Official Languages Bill passed recently.

PM INVITED FOR KHEDDA

Bangalore, Dec. 29

KANNADA GAZETTE

Bangalore, Dec 29

The State Government has decided to publish the Mysore Gazette in Kannada also from the 1968-69 financial year.

This follows the Government's decision to adopt Kannada as the State administrative language.

2 LANGUAGES PREFERRED

Educationists attending the 42nd All-India Education Conference at Madras seemed to prefer two-language formula. They said it was sufficient if the mother-tongue and English were taught to children.

OWN YOUR PHONE

The 'own your telephone' scheme will be extended to Mysore, Mangalore, Belgaum and Hubli from Jan. 1.

NO DANGER FROM FOREIGN CAPITAL

Deputy Prime Minister Morarji Desai yesterday denied that there had been any 'foreign financial penetration in the country'.

He told newsmen that majority partnership did not mean that foreign collaboration would dictate to the Government. They would fall in line with the Government policy, he added.

ASSAM SET-UP

Prime Minister Indira Gandhi stated yesterday that the Government hoped to take a final decision on the reorganisation of Assam before the next Budget session of Parliament.

GROOM KILLS NINE

23-year-old Mustafa Colen is reported to have killed his fiancee and eight members of her family after a row about their wedding date, at Izmir in Turkey.

STUDENTS STOP TRAINS

A thousand-strong crowd of anti-Hindi demonstrators, mostly students, yesterday stopped two express and one passenger trains at Kuppam, on Bangalore - Jalarpet section.

KOYNA QUAKE EQUAL 100 A-BOMBS

The earthquake at Koynanagar on Dec. 11 was comparable in intensity to 100 atom bombs of 20,000 tons of TNT each, Sri B.P. Saha, Indian Meteorogicial Department, said yesterday.

SHIV SENA RAIDS REDS OFFICE

A Shiv Sena mob attaked and ransacked the Right Communist Party office yesterday in Central Bombay.

Several people were injured in the clash between the Shiv Senas and Communist workers.

SIMPLIFYING TREASURY PROCEDURES

"TASK FORCE" CONSTITUTED

Bangalore, Dec. 30

Sri K. Hanumanthaiya, Chairman of the Administrative Reforms Commission, has constituted a "Task Force" to go into the problems relating to receipts and payments to and from treasuries and Governmental departments.

The "Task Force" consists of Messrs. B. V. Narayana Reddy (Chairman), R.N. Vasudeva, N. S. Bharath and P.S.Dardi.

Constituting the "Task Force", Sri Hanumanthaiah has said, "The existing procedure of receipts and payments in the treasury is cumbersome and causes harassment to the citizen. He has to pay repeated visits to the treasury and wait for long time. Similarly, there is delay in the payment of pensions. The problem for solution is one of considerable importance and it is considered desirable that the possibilities of simplifying the procedure in order to avoid the inconvenience to the public should be explored".

"If we realise that the citizen is the master and all of us are his servants, we will see how perverse the procedures are. For instance, the existing procedure of receiving payments from the treasury is extremely tortuous and dilatory. The citizen has to pay repeated visits and wait for long in queue. The master is made to petition, wait, beg and if need be bribe the servant".

"A system has to be evolved whereby direct payments are made to those to whom they are due. This one reform will clear the air of dissatisfaction to such a degree that people will think that a new era has been ushered in." Sri Hanumanthaiya said.

Another research project costing Rs. seven lakhs is in the initial stages with the VRA, Institute Director J J Dharmaraj told newsmen on Saturday.

A committee of professionals in America will donate a modern library to the Institute. The Institute will also be receiving assistance from the Danish Government in the form of equipments.

The equipments donated by the Nuffield Foundation is on its way, he added.

QUORUM HOLDS CIVIC MEETING

Mysore, Jan. 2

The City Municipal Council monthly meeting on Dec. 30 began after 27 minutes for want of quorum in the House.

The meeting scheduled to begin at 4 p m. had only about six members present for a strength of eleven required for Quorum. After about 25 minutes more members walked in and the meet ing began at 4 27 p m.

President B. C. Lingiah appealed to members to be punctual in attending the civic meetings.

STATE POLICY COMMENDED

Mysore, Jan. 2

The State policy of education of boys and girls separately at the secondary stage was commended by the three-day State-level Seminar on Girls' Education, which concluded here on Dec. 30.

The Seminar resented the recent trend of adding girls' sections to boys' high schools when a separate girls' high school existed in the same locality. It wanted this tendency to be discouraged.

The Seminar wanted the State Advisory Council for Girls' and Women's Education to be re established on a better footing.

Fulfil 12-Point Charter Of Demands

SSP's NOTICE TO CENTRE

The Samyukta Socialist Convention which concluded yesterday at Lohianagar, has served a notice on the Central Government to act on its 12-point charter of demands without any delay and in any case within the next three months.

It warned the Government that their failure to act on them would compel the SSP to launch a mighty agitation in the country through mass and individual civil disobedience, strikes, satyagraha and bundhs.

The 12-point demand includes putting a stop to mounting inflation in the country by immediately fixing a ceiling of Rs. 1,500 per month on individual expenditure, nationalisation of banks, general insurance and all foreign trades, abolition of privy purses and other special privileges available to the former rulers and simultaneous abolition of the special privileges and fabulous expenses of the Ministers and Goverment officials, constitution of special commission to probe into all cases of corruption and to unearth all ill-gotten wealth by all persons at all levels, withdrawol of Unlawful Activities Act, the Defence of India Act, Industrial Security Forces Bill, amendment of the Constitution to provide special opportunity in jobs and in other spheres for the backwards and the scheduled castes, evolution of a price policy in which the sale price of essential goods and cost of their manufacture and that of foodgrains do not vary more than 16 per cent between two harvests.

Mysore-Ooty Bus Service

RUNNING ON ALTERNATE DAYS

Mysore, Jan. 3

The Mysore-Ootacamund bus service is being run only on alternate days from Jan. 1 with the private bus service ceasing to run its buses on this route.

The bus service was being jointly operated by the Mysore State Road Transport Department and a private company on alternate days on a reciprocal basis.

But the private bus service ceased to operate as per the orders from the Madras Government following its decision to take-over in accordance with its policy of nationalisation.

No arrangement has been made by the Madras State Transport Department to put buses on the line. However, the Mysore State Road Transport Corporation is running its buses to Ooty on alternate days as usual.

FREE SERVICE TO REVIVE ECONOMY

A unique way to pull economically — troubled Britain out of the red seems to be catching on.

People are working an extra half hour a day without pay. The idea is that 30 minutes' free production will increase the amount of goods available for export without adding to company costs of manufacturing them.

The drive, started by five typists has soon caught on and spread to other firms.

PSP DEMANDS BANK TAKE-OVER

The National Conference of the Praja-Socialist Party, meeting at Kanpur, yesterday, demanded nationalisation of banks, general insurance and other large credit institutions so that credits could be diverted to the priority sectors of the economy like agriculture and small-scale industries.

Tax Rural Sector

PC's SUGGESTIONS

The Planning Commission has told the States that the Central assistance for the next year's annual plan will be the same as the assistance being given this year, namely Rs. 590 crores.

The commission has emphasised to the Chief Ministers the need to mop up part of the huge increase in the taxable capacity of the rural sector. The collection of arrears, increases in irrigation levies and forms of agricultural income-tax have been suggested as ways to step up resource mobilisation from the rural sectors.

The commission feels that it is unfair for farmers earning large incomes not be taxed at the same rate as their urban counterparts.

The Planning Commission has made it clear that in future it will be up to the States to raise resources if they want more development.

JSS COLLEGE PRINCIPAL KILLED IN MISHAP

Mysore, Jan. 5

Prof. Puttabasappa (35), Principal of the JSS College of Commerce and Arts, died under tragic circumstances last night here near the Mysore Jail.

It is reported that the deceased was returning to his home on his scooter at about 9-45 p.m. and a motorcyclist coming from the opposite side is alleged to have collided. With the result both the riders were thron off their seats. Sri Puttabasappa, who sustained serious head injuries, died on the spot.

Some persons who were near the accident spot are reported to have seen a lorry running over Sri Puttabasappa, immediately after the collision when he was thrown off on the road, killing him on the spot.

Motorcyclist Narayanaswamy, who also received injuries, has been admitted in the K. R. Hospital, where he is progressing.

As a mark of respect, the JSS College and other educational institutions of Sri Shivaratreswara Mutt remained closed today.

HOSPITAL-RUN BAKERY

Bangalore, Jan. 5

The 100-year-old Bowring and Lady Curzon Hospital here will start its own bakery that can eventually supply bread to all hospitals in the city.

First of its kind in the State, the hospital-run bakery will be in a position to supply 1,000 kg. of enriched bread every day, that too at a much cheaper price of 96 paise a kg while the private bakers sell the ordinary bread for Rs. 1.40.

LEAVE VARSITIES ALONE

President Zakir Hussain yesterday asked the politicians to take a long-range view of problem of education and not live solely for the immediate present.

Speaking at the Madurai University, the President said 'It is their duty to help the system of higher education to function smoothly and grow effectively. If they cannot do so, let them at least leave the universities to function in peace and not try to convert them into foci of discontent deliberately fostered for narrow and short-term political ends'.

No Change In Kashmir Policy

SHEIKH RELEASE AN EXPERIMENT : PM

Prime Minister Indira Gandhi said yesterday that there was no change in the Government's basic stand on Kashmir "but within that there are lots of possibilities".

Addressing a press conference, she said the release of Sheikh Abdullah was "an experiment worth trying". Sheikh Abdullah should be allowed to go round and judge the situation for himself before any specific decisions could be taken.

Smt. Gandhi said that during her meeting with Sheikh Abdullah, he had told her certain things with which she did not agree Nor were they correct.

She denied any correspondence with Sheikh Abdullah offering greater autonomy for Kashmir on the lines of Bhutan or Sikkim.

The Prime Minister said she was ready to take initiative for a summit meeting with President Ayub Khan "provided I feel something will come out of it".

ALL SET FOR KHEDDA

TO BEGIN TOMORROW AT 2 P.M.

Mysore Jan. 9

All is set for the Khedda operation, to begin tomorrow, which is likely to be the last one on the banks of the river Kabini in Kakanakote forest. The Khedda operation, which has a past from the days of Hyder Ali, is likely to excel the previous Khedda held in December 1960.

After the construction of the Kabini project, the Kakanakote forest area will go under waters of the reservoir.

Pressmen, who visited the Khedda operation area, saw final touches being given to the arrangements. About 1.300 people had been engaged yesterday. the largest number since three months, the beginning of the arrangements.

The entire Khedda operation area is about 40 square miles.

A big herd of 37 elephants, including some beautiful calves, have already been impounded in Khedda No. 1. These elephants will be released on Jan. 13 at 2 p.m. when the chief guest gives the signal.

RIVER DRIVE

These elephants will be driven through the river Kabini, presenting a spectable to the visitors. About three furlongs off from the Khedda No. 1, Khedda No. 2 is located. The elephants will be driven into this place.

The first river drive will be held tomorrow at 2 p.m. For this a herd of 25 elephants and two herds of seven elephants are being driven towards the river side. These elephants will be driven through the river into Khedda No. 2.

In the first river drive it is expected to capture about 42 elephants. These elephants will be waiting in Khedda No. 2 to receive their associates on Jan. 13. The area of Khedda No. 2 is about nine and half acres.

In all, the authorities hope to capture about 80 elephants. The old ones, which usually do not get habituated to man's surroundings, will be let off in the forest.

About 500 seats have been provided for visitors on payment of Rs. 500 for each seat. Besides, seating arrangements have been provided for cameramen, TV units, pressmen, invitees, VIPs, MLAs, MLCs and the Palace.

ALL SET FOR KHEDDA

TO BEGIN TOMORROW AT 2 P.M.

Mysore Jan. 9

All is set for the Khedda operation, to begin tomorrow, which is likely to be the last one on the banks of the river Kabini in Kakanakote forest. The Khedda operation, which has a past from the days of Hyder Ali, is likely to excel the previous Khedda held in December 1960.

After the construction of the Kabini project, the Kakanakote forest area will go under waters of the reservoir.

Pressmen, who visited the Khedda operation area, saw final touches being given to the arrangements. About 1.300 people had been engaged yesterday. the largest number since three months, the beginning of the arrangements.

The entire Khedda operation area is about 40 square miles.

A big herd of 37 elephants, including some beautiful calves, have already been impounded in Khedda No. 1. These elephants will be released on Jan. 13 at 2 p.m. when the chief guest gives the signal.

RIVER DRIVE

These elephants will be driven through the river Kabini, presenting a spectable to the visitors. About three furlongs off from the Khedda No. 1, Khedda No. 2 is located. The elephants will be driven into this place.

The first river drive will be held tomorrow at 2 p.m. For this a herd of 25 elephants and two herds of seven elephants are being driven towards the river side. These elephants will be driven through the river into Khedda No. 2.

In the first river drive it is expected to capture about 42 elephants. These elephants will be waiting in Khedda No. 2 to receive their associates on Jan. 13. The area of Khedda No. 2 is about nine and half acres.

In all, the authorities hope to capture about 80 elephants. The old ones, which usually do not get habituated to man's surroundings, will be let off in the forest.

About 500 seats have been provided for visitors on payment of Rs. 500 for each seat. Besides, seating arrangements have been provided for cameramen, TV units, pressmen, invitees, VIPs, MLAs, MLCs and the Palace.

ROPING OPERATIONS

The Roping Operations will begin from Jan. 14. About 400 people can witness this operation daily on payment basis. It is likely to last about ten days.

The expenditure of the Forest Department for the Khedda opetitons is estimated Rs 7 lakhs and of Public Works Department about Rs 9 5 lakhs.

Each male calf is worth about Rs. 4,000 and a fully grown elephant Rs. 10,000. The Forest Department is the main buyer.

The first rives drive tomorrow will be witnessed among others by Vice-Preisident V. V. Giri, Union Food Minister Jagjivan Ram and Tourism Minister Karan Singh.

Cong. Condemns Opposition

The official resolution of the Congress Party charges the Opposition parties in charge of some State Governments with encouraging violence and lawlessness instead of strengthening democracy.

The resolution on the political situation which was approved by the Steering Committee of the 71st session of the Indian National Congress says: "The functioning of these Governments has exposed the weaknesses and dificiencies of the opportunist combinations of parties of varying and conflicting ideologies."

"There has been a regrettable flight from responsibility among the non-Congress political parties even when put in power."

"There are political parties participating in some State Governments without any faith in democracy or democratic processes. Their only aim is to use the power they have gained through the combination with other political parties as a springboard for the subversion of democracy through violence and chaos", the resolution says.

The resolution adds that the Congress should exert itself to the utmost to strengthen democracy and to safeguard the integrity, security and progress of the country.

NEW CONG. CHIEF'S CALL

Sri S. Nijalingappa yesterday gave a call to his partymen to face resolutely the formidable political and economic challenges facing the Congress and the country.

Formally taking over charge as President of the Indian National Congress from Sri Kamaraj, he called upon them to make great efforts to regain the ground the party had lost in the 1967 general election.

Paying tribute to Sri Kamaraj's contribution to the party, Sri Nijalingappa said he was taking over this heavy and challenging responsibility from a man who had rendered great service to the nation.

Earlier, unfurling the party flag at Lal Bahadur Nagar in Hyderabad, the venue of the Congress session, the new Congress President called for the "highest sacrifice" to increase agricultural and industrial production and liquidate illiteracy.

He appealed to the youth not only to build the country and run the Government but ensure that everything that the country needed was done.

FALSE CHARGES BY PAKISTAN

Pakistan has been asked not to make India a scapegoat to cover up the internal difficulties which it is facing in East Pakistan by advancing false charges against Indian diplomats functioning in that country.

In a note delivered to the Pakistan High Commission yesterday, the External Affairs Ministry said: "The Government of Pakistan, in making false allegations and by linking an Indian diplomat, Sri Ojha, with certain recent events in East Pakistan has attempted to divert attention from what is essentially an internal problem of disaffection in Pakistan".

NO DISLODGING NON-CONG. GOVTS.

Prime Minister Indira Gandhi stated yesterday that the Congress had no intention to dislodge the non-Congress administrations in the States but that it would oppose them when they acted wrongly.

She told the Congress Subjects Committee that the Centre had promised the non-Congress States every assistance in the performance of their functions. Such co-operation was now one-sided. She deplored the way the non-CongressGovernments sought to blame the Congress and the Central Goverment for their failures.

CONG. TO JOIN GHOSH CABINET

The Congress Parliamentary Board yesterday decided to allow the West Bengal Congress to join the P. C. Ghosh Ministry in coalition.

★ The Union Government has sanctioned Rs. ten crores for publicity and education to spread the message of family planning throughout the country.

SEE REALITIES, SHEIKH TOLD

Kashmir Chief Minister G.M. Sadiq said at Srinagar yesterday that Kashmir was not a commodity to be bartered for Indo-Pakistan friendship.

Addressing a public meeting, Sri Sadiq said he was happy the Sheikh was a free man and hoped that he and his colleagues would see the realities and adopt a suitable course of action.

However, he warned, "Kashmir is not negotiable. No Indian is prepared to part with an inch of territory, not to speak of surrendering Kashmir".

CONGRESS COALITION

The Congress Working Committee was seriously considering the question of coalition with other democratic parties as the country could not afford the "luxury of midterm polls", Sri S K. Patil said at Lal Bahadur Nagar yesterday.

Replying to discussion on the political resolution, the former Railway Minister said coalition could be only with such parties which had faith in democracy, secularism and socialism. Coalition would be only on a common programme, he said.

IMPLEMENT BORDER AWARD

Prime Minister Indira Gandhi was yesterday urged to take early steps to implement the Mahajan Commission's recommendations on the Mysore – Maharashtra and Kerala border disputes.

A deputation of Congress leaders from South Kanara, led by Railway Minister C. M. Poonacha told the Prime Minister that the Commission had clearly favoured the inclusion of Kasargod in Mysore State.

47 ELEPHANTS CAPTURED

SUCCESSFUL KHEDDA

Mysore, Jan. 11

The 35th Khedda proved a success with the capturing of 47 elephants yesterday at Kakanakote forest.

At 2-15 p m. Forest Minister B. Rachiah declared over wireless from VIPs Shamiana "Commence Drive". The driving party and Kumkis (tamed elephants includ ing guards astride with guns) began driving the wild elephants from about a mile inside the jungle towards the river Kabini. At 2-45 the elephants got into the river. The two-furlong river drive of the frightened animals which were trying to escape and the noise of the driving party to successfully drive them into stockade was an exciting spectacle which lasted for about half-hour. At 3-15 the elephants were successfully captured in the stockade.

Among those dignitaries who witnessed the river drive included Vice-President V V Giri and Smt. Giri, Governor G.S. Pathak and Smt. Pathak, Maharaja Jayachamaraja Wadiyar and Maharani Tripurasundarammani and their children and Maharaja's mother, Union Deputy Minister for Industries Bhanu Prakash Singh, Mr. John P. Lewis, US Aid Minister-Director, and Gen. K. M. Cariappa. In all about 1,500 people witnessed.

Sri Jayarama Reddy was incharge of the drive.

Vice-President Giri said that the Khedda operation was most exciting. The way in which wild elephants were driven were dexterous and according to plan and showed how scientifically it was organised.

Governor G. S. Pathak congratulated the Forest Department and the Forest Minister on the successful operation.

The second river drive will be held on Jan. 13 for which 37 elephants have already been captured.

MLA INJURED DURING KHEDDA

Mysore, Jan. 11

Sri Rathnakumar Kattemar, Swatantra MLA of South Kanara, was injured yesterday while witnessing the Khedda operations.

When Kumkis were firing shots to drive the wild elephants into the stockade through the river one of the shots got deflected and hit Sri Kattemar below the eye.

He was given first aid immediately and admitted to the K.R. Hospital in the city where he is progressing.

Rededicate To Democratic Socialism

Congress President Nijalingappa yesterday admitted that the Congress had failed in implementing the resolution adopted at Bhubaneswar on "Democratic Socialism".

In his Presidential address to the open AICC session, he asked his partymen: "It takes time to bring about such a radical change but are we at least taking necessary steps in that direction?"

"There is even now a lack of clarity about our objectives in terms of implementation and lack of any conspecuously visible criteria in the direction of moving towards the eventual establishment of such a society."

Setting the task before the Congress to rededicate to meet the challenges in the political, social and economic fronts, Sri Nijalingappa said that if necessary the Congress organisation should be reshaped and reconstructed for this purpose.

He warned the political parties that the country would not tolerate anti-democratic and anti-national activities. "All possible steps will be taken to counter them and organisations indulging in such conduct even have to be banned if it becomes necessary."

Sri Nijalingappa suggested that even deficit financing might be resorted to for taking up major irrigation works. Instead of the States being asked, the Centre should execute them.

NIJALINGAPPA's VISIT TO CITY

Mysore, Jan. 11

The new Congress President, Sri S. Nijalingappa, will arrive in the city tomorrow at 8 p m. It has been arranged to receive him at Rajendra Circle. All Congress workers and public have been requested by the City Congress Committee Secretary B. Baliah to offer him garlands and receive him.

Sri Nijalingappa will address the Congress workers on Jan. 13 at 7 p.m.

Earlier, he will witness the Khedda operations at Kakanakote forest.

ELEPHANT NAMED AS "GIRI"

Mysore, Jan. 11

A wild elephant captured in the Khedda operations yesterday was christened "Giri". This was in honour of the chief guest, the Vice-President of India, Sri V. V. Giri who witnessed the thrilling spectacle of driving 47 wild elephants into the stockade.

SENTENCED

Mysore, Jan 11

Rama of Sunnadakeri was sentenced to two years' RI by the Sessions Judge on Tuesday on a charge of attempting to commit rape on a seven-year-old girl in Nazarbad in the city.

Emergency Ends

The state of emergency, proclaimed more than five years ago ended yesterday when the President Dr. Zakir Hussain signed an order revoking the proclamation of emergency. The state of emergency had been imposed on Oct. 26, 1962, in the wake of the Chinese invasion.

With the lifting of emergency, the Fundamental Rights suspended under Articles 358 and 359 of the Constitution are restored. However, the Defence of India rules continue to operate for six months.

LANGUAGE MEET

The National Ad Hoc Council of the Indian youth Congress has urged that the Centre convene a language conference comprising all shades of public opinion to settle the linguistic controversy once and for all.

REORIENT THE CONGRESS

Congress President Nijalingappa winding up the 71st plenary session of the Indian National Congress yesterday in Hyderabad, said the party had to be reorganised and reoriented for facing the new challenge that had arisen after the general elections.

He asked Congressmen to go to the people, particularly the rural areas, with a sense of humility, understand their problems and difficulties and also explain to them what the Congress through its Governments were trying to do for them.

The session adopted the only resolution on the political situation.

He told pressmen, yesterday that he would have to continue till the budget session of the State Legislature. The session is likely to commence in the second or third week of February and last till the March end.

Sri Nijalingappa regretted very much that lobbying on succession should have been continued in Hyderabad.

"I am sorry about it. I did not want it to happen in the Congress", he added.

TALKS ON LANGUAGE ISSUE

Bangalore, Jan. 13

Congress President Nijalingappa said here yesterday that he would pursue the preliminary talks on the language issue in Delhi where he would meet people from North, South-East and West.

He said it was necessary for them to remove suspicions in the minds of the people of the South about the language policy. Clarification at the highest level was necessary. "We will have to see what we can do to implement the Act in such a way that it affects the people the least", he said.

Sri Nijalingappa said that he had some discussion on the issue with Sri Kamaraj and Andhra Chief Minister Brahmananda Reddy.

Tax Burden

An anverage person in the country gains Rs. 481 every year and pays Rs. 64 by way of direct and indirect taxes.

The tax ratio was 10 8 per cent to national income in 1961-62, and over the past five years it gradually rose to 13 8 per cent in 1965-66. In 1966-67 it dropped slightly to 13 3 per cent. The draft fourth plan envisages the ratio to be raised to 17 per cent by 1970-71.

Agriculture is relatively lightly taxed. Out of Rs. 12,000 crores total income in the agricultural sector, the tax amount is only Rs. 109 crores or about 0.9 per cent.

On the other hand, organised industry produce about 2,400 crores of national income and pays by way of tax Rs. 350 crores or about 15 per cent of the income generated.

He added that a Bill intended to set up a self-acting machinery to investigate corruption charges against persons holding important positions in political life would be introduced.

LIMITS OF DEFICIT FINANCING

Reserve Bank Governor L. K. Jha said in Delhi yesterday that if the level of deficit financing exceeded the " safe level of monetary expansion in the prevailing conditions, it will become another form of taxation.

He said the alternative to deficit finacing was not very different from taxation in its ultimate effects. It resulted in a forced transfer of resources to the Government as much as taxation did.

But, Sri Jha said, its burden could not be distributed equitably and fell more heavily on the more vulnerable sections of society which could not be compensated for the resultant price rise.

With the experience of an upsurge of prices and inflationary pressures that the economy had suffered in the recent past, adequate attention would have to be given to the importance of avoiding policies which might generate or add to the inflationary pressures, the Reserve Bank Governor said.

Khedda Elephants Freed

Mysore, Jan. 16

About 30 elephants were set free after the "River Drive" on Jan. 13 at the Kakanakote Khedda operations.

About 37 elephants had been inpounded for the second day's Khedda on Jan. 28, itself. On Jan. 13, at 2-30 p.m. the signl was given for the "River Drive" of these elephants. But for about half-hour the elephants refused to out come of the stockade.

Then with the help of the tamed elephants, the leader of the herd was driven out followed by others.

The three-furlong river drive lasted for about 45 minutes providing a thrilling spectacle to about 4,000 people gathered there.

But, at the end of the river drive, near the entrance into the stockade where already about 50 elephants captured on the first day (Jan.10) had been impounded, the elephants were let free to go into the forest.

Among those who witnessed the river drive included Congress President S. Nijalingappa, K. Kamaraj, Andhra Chief Minister K. S. Brahmananda Reddy, Union Ministers V. C. Shukla, K.C. Pant, Dinesh Singh and I.K. Gujral. Forest Minister Rachiah received the dignitaries.

Of the elephants captured on the first day, five were roped for the benefit of the VIPs.

Of them two were named after Chief Minister Nijalingappa and former Congress Chief Kamaraj.

In all, the forest authorities have captured about 50 elephants in the present, and perhaps the last, khedda operations.

Power Supply Talks With Madras

Mysore, Jan. 18

Public Works Minister Veerendra Patil said here today that he would attend the second round of talks on Mysore's power supply to Madras on Jan. 21.

He said Madras was the only bulk consumer now and hoped that an agreement would be arrived at for bulk supply of electricity.

Sri Patil said that our State was lagging behind in utilising plenty of power available with the commissioning of four Sharavathi units.

It was a great challenge to our entreprencurs and they had to come forward to set up industries for which the Government was assuring all facilities, he said.

The immediate problem before the Government, Sri Patil said, was how to utilise the surplus power. It had successfully persuaded for setting up an aluminium factory at Belgaum and also a fertiliser factory at Mangalore. It was trying to get the Steel factory in Bellary. But getting these industries was a question of great time, he added.

RAMA RAO AICC SECRETARY?

Congress President Nijalingappa is likely to appoint the second general secretary of the AICC from Mysore. The name of Sri M. V. Rama Rao, Home Minister is mentioned in this connection.

PRACTICAL TRAINING FOR ENGG. STUDENTS

Mysore, Jan. 18

Public Works Minister Veerendra Patil suggested here today of having a practical training course of six or twelve months for engineering graduates as given to the medical students to equip them with full knowledge of engineering science.

Sri Patil said that as in the medical course the engineering students should be asked to undergo practical training in their respective courses by working in an industry or a project. Students should not be awarded the degree unless they completed the training period, he said.

Sri Veerendra Patil suggested to the Universities in the State to think of starting post-graduate courses in well-equipped engineering colleges. It was high time attention was bestowed on this, he said.

Sri Patil stressed the need for evolving new processes in engineering works as being done in advanced countries. About three-fourths of the annual budget was being spent on the the public works. If even five per cent could be cut in the expenditure due to adoption of new techniques atleast five to six crores could be saved.

Don't Hustle Hindi

SN'S ADIVISE TO NORTH

Congress President Nijalingappa told newsmen yesterday at Delhi that he would initiate informal discussions with party leaders in Hindi and non-Hindi areas to arrive at a consensus on the language issue.

He appealed to the people of the North not to hustle the process of introduction of Hindi which was bound to become the link language. 'If things are left as they are, I am sure the people of the South will learn Hindi in ten years'.

The Congress Chief said the Official Languages Bill had created misgivings in the South. In the interest of the unity, it should be ensured that no section of the people was allowed to nurse a sense of grievance. He would appoint a committee to go into the details of language question only after preparing the ground.

ANNIVERSARY

Mysore, Jan. 18

CRUEL AVENGE

Two brothers in Mexico City soaked an 11-year-old boy in gasoline and set him aflame to settle an old score with the youth's father. The father who tried in vain to suffocate the flames with his own body was also severely burned.

NO JOBS FOR ENGINEERS

Mysore, Jan. 18

The lack of job opportunities for engineering graduates in the State was a fact, Public Works Minister Veerendra Patil admitted here today.

He said the lack of proper planning while starting new engineering colleges was mainly responsible for the present situation.

In order to create more job opportunities it was essential to start more and more industries both in private and public sector. But the resources with the Government was limited and it had to give priority for irrigation projects. Hence, the enterpreneurs should come forward to start more industries, the Minister appealed.

Sri Veerendra Patil said that private capital was shy and there might be valid grounds for that. They might find the atmosphere not so condusive with the Gheraos and threats. Therefore, it was essential to creat a secured atomosphere, he said.

The Minister also explained the various measures the Government had taken to provide alternative employment for engineering graduates.

Make Mysore More Beautiful

Mysore, Jan. 22

"You have great opportunities before you for making this city more beautiful and prosperous. I have no doubt you are all working in this direction", Sri Morarji Desai, Deputy Prime Minister, said here yesterday.

He was replying to the civic address presented to him by the City Municipal Council at theRangacharlu Memorial Hall.

Sri Desai recalled his first visit to Mysore in1929. He said that he was attracted in those days itself by the progress and beauty of Mysore City.

"Since then I have watched this city growing every way and specially in its beauty", he said.

The Deputy Prime Minister welcomed the proposal of having "Nehru Loka" at the foothills of Chamundi. It will attract tourists from both foreign and inland.

"As we go further in our planned development of the State", Sri Desai expressed the confidence that the city "will grow further in the course of next few years."

He also praised the people of Mysore as peace-loving. The unique features he saw in the Convocation gave an indication that the people here valued both beauty and peace, he said.

The Deputy Prime Minister said that more attention was given for the growth of local and civic bodies in the country as they were the best foundations for the working of sound democracy and in decentralisation of Government.

They served in the fundamental purpose of training people in good citizenship and in democratic way of life.

The local bodies have to realise that they had a purpose in their task and function in such a manner as to cultivate co-operation and national spirit and develop this country into a strong and prosperous nation, Sri Morarji added.

Earlier, Sri B.C.Lingiah, President, presenting an address requested for the conversion of Mysore-Bangalore rail line into broad gauge, linking Chamarajanagar-Satyamangalam by rail and the setting up of "Nehru Loka".

3-LANGUAGE FORMULA UNFAIR

Mysore, Jan. 22

The three-language formula imposed upon the South by the North would be a disadvantage for us, Law Minister Kanthi said here yesterday.

The Northern States while imposing the three-language formula on us would learn only one language. For them three language formula meant only Hindi, he said.

Even those States where people opposed Hindi vehemently they were learning Hindi seriously. Whereas, in our State it was only an optional subject for studies. This would leave an advantage for other States so far as all-India recruitments are concerned, Sri Kanthi said.

5 KILLED, 21 INJURED IN POLICE FIRING

Hooliganism By Violent Mobs

Bangalore, Jan. 24

Five persons, including a women, were killed and 21 injured when police opened fire at different places on violent mobs here yesterday.

Three BTS buses, including a road train, were burnt by the hooligans. A police jeep belonging to an Assistant Commissioner and one private lorry was set on fire.

The unruly mobs set fire to a post-box, and a telephone booth. More than 15 buses and about 25 private cars were smashed. Several underground telephone cables were gutted.

The anti-Hindi agitation of the second day began at the Bangalore varsity campus and then spread to a very wide area.

Hooligans in thousands rained stones on shops, vehicles, the police and the street lights. They fought a running battle with the police. The police made lathi-charges, burst teargas shells and finally resorted to firing.

Bangalore saw the worst ever acts of hooliganism with considerable damage to public and private property.

SCHOOLS CLOSED

The Director of Public Instruction has ordered the closure of all schools till Jan. 29.

The Bangalore University has already ordered the closure of all the city colleges till Jan. 27. The polytechnics have also been closed.

The State Road Transport Corporation has withdrawn the city bus service until further notice. The authorities assessed the damage suffered yesterday at Rs. 1.2 lakhs.

SITUATION GRAVE : CM

"The situatian is very grave and it is going to be worse. Small matters like the Hindi agitation developing into such huge dimesnsion is really unfortunate", Chief Minister Nijalingappa said.

"My feeling is that the trouble is not merely by students. We have to look deeper into the matter". Anti-social elements of extreme nature had joined and taken law into their hands, he said.

Police Commissioner Quadir Ali told pressmen: "We are determined to maintain law and order at all costs".

UNION DAY

Mysore, Jan. 24

The Union Day of the Municipal Girls' High School will be celebrated tomorrow at 4-30 p. m. Transport Minister Mohamad Ali will distribute prizes and deliver the valedictory address. Municipal President B. C. Lingiah will preside.

Peaceful Stir In City

Mysore, Jan. 24

The second day's anti-Hindi demonstration in the city was peaceful. Students went in procsssion from one college to another and later held a meeting at the Town Hall and dispersed. No untoward incidents were reported.

All the schools in the city were closed on the suggestion of the authorities. The city bus service was suspended from 10a.m. onwards.

Madras For 2-Language Formula

The Madras Legislative Assembly yesterday adopted the official resolution on the language issue demanding amendment of the Constitution with a view to making all regional languages official language of the Union and till this was done English should continue as the sole official language of the Union.

It was also decided to urge for immediate suspension of the language resolution passed by Parliament along with the Official Languages Amendment Bill.

The resolution also wanted the three-language formula to be replaced by a two-language formula providing for the study of Tamil and English in schools and colleges in the State.

Krishna Leads By 34,720 Votes

Mysore, Jan. 24

Sri S. M. Krishna (PSP) was having a big lead of 34,720 votes this afternoon in the counting of Mandya Parliamentary by-election.

Counting of four constituencies out of eight had been completed so far.

In today's counting, in Kirigaval constituency Sri Krishna had polled 21,642 votes as against 15,561 secured by his Congress rival Sri H. D. Chowdiah.

In Malavalli, Krishna had secured 20,824 and Chowdiah 9,573 votes.

THIRD TEST LOST BY 39 RUNS

India today lost the third test to Australia by 39 runs. They were all out in their second innings for 356 runs. Jaisimha scored 101 runs, the first century in the Australian series.

TRAIN DETAINED AT BELLARY

Anti-Hindi demonstrators yesterday detained the Gadag-Guntur passenger and a goods train for more than half-an-hour at Bellary. Police burst teargas shells to disperse about 4,000 student agitators.

It also urged the Centre to drop the use of Hindi words in NCC commands. If this was not done, the State Government would disband the NCC and similar units.

Colourless R-Day In City

Mysore, Jan. 27

This year's RepublicDay Parade at Town Hall lacked its usual gaiety and colour due to anti-Hindi demonstration in the city.

The morning function which began at 9 a. m. concluded in about 20 minutes. Singing of "Vande Matharam" and "Jhanda Uncha Rahe Hamara" had been removed from the programme list.

Co – operation Minister Nadagouda unfurled the flag and took salute in the march past parade which was headed by Capt. K. R. Krishna.

Addressing the gathering, the Minister said it was essential to have a feeling that we belonged to one nation. The present attitude of the people in taking up to violent demonstrations and agitations were not good signs of an independent nation. They had to remember our culture and work for a strong united India, he said.

AT VARSITY CAMPUS

The parade and celebrations held by the Mysore University at the Open Air Theatre in Manasa Gangotri was witnessed by nearly 5,000 people.

Vice - Chancellor Shrimali unfurled the flag and took salute. Dr. I. T. Shvetz, Rector of the University of Kiev, presented greetings from his country.

Dr.Shrimali told students not to forget the ideals of Mahatma Gandhi. They had to behave in a disciplined manner and orderly way so as to protect and preserve our freedom.

The colourful cultural programme was held later in which students of various colleges in the city took part.

Janatha Bazar Opened

Mysore, Jan. 27

The Janatha Bazar in the city was declared open by Co-operation Minister P.M. Nadagouda here yesterday.

The Janatha Bazar run by the District Central Co-operative Wholesale Stores will start selling articles of daily need including foodgrains from Jan. 31.

The Minister said that the Union Government had sanctioned six Janatha Bazars for the State and was prepared to sanction three more. It was the intention of the State Government to start a Janatha Bazar in each district headquarters.

He said the Mysore Janatha Bazar was the fourth one, three already working at Bangalore, Belgaum and Dharwar. The State Government had provided financial aid to the Bazar.

Earlier, Sri S. Linganna, Stores President, welcomed the gathering.

PROTEST IN MERCARA

Anti-Hindi demonstrators yesterday are reported to have protested against the use of Hindi words during the Republic Day parade in Mercara.

Anti-Hindi Demonstration

Mysore, Jan. 27

When the anti-Hindi demonstrators numbering about 500 came in a procession towards Nehru Circle, the venue of the inauguration of Janatha Bazar, they were barricaded by the police on the Asoka Road, yesterday.

The inauguration was completed in a hurry by Sri Nadagouda and then he met the demonstrators.

The processionists urged that two-language formula should be implemented in the State, removing Hindi.

The Minister assured them that he would convey their demand to the Chief Minister.

Afterwards, the demonstrators went in procession and met at Town Hall. They decided to continue their agitation until Hindi was removed.

The police released yesterday four students stated to be of Sagar who had taken part in the demonstrations.

OPPOSITION PARTIES DEMAND

The representatives of the Opposition parties who held a meeting yesterday at the residence of Sri S. Channiah, MLA, urged the Government to hold an open inquiry into the police "high-handedness" on students and public by resorting to athi-charge on Thursday.

They demanded the resignation of present Congress Ministry which they blambed was responsible for the present situation.

They appealed to students, people and police to be peaceful on the proposed "Mysore Bundh" on Monday and not to allow for any violence or damage to property to take place.

Prohibitory Order In City

1 KILLED : 5 INJURED

ANTI-HINDI AGITATION

Mysore, Jan. 29

One person was killed and about five persons were injured when police opened fire on violent anti-Hindi demonstrators this morning at Chamaraja Double Road near Sitavilas Choultry.. They also fired a number of tear-gas shells.

The anti-Hindi student demonstrators as per their decision met today at 10 a.m. at Crawford Hall. A procession numbering about 2,000 went towards Ramaswamy Circle shouting anti-Hindi slogans.

When it came near the Circle, police burst tear-gas shells to disperse the processionists who were violating prohibitory order. The students ran helter skelter and started pelting stones. Circle fencings were removed, street sign boards burnt, street lights destroyed and barricades were placed hindering movement of police vehicles on the road. Two petrol bunks also suffered damage.

The police burst many rounds of tear-gas shells along the Chamaraja Road. When the crowd became more violent with barrage of stones, the police opened fire. The agitators attack continued in the afternoon also.

Mysore Bundh called by the Students Action Committee was a success-shops, hotels, cinemas and other establishmets remaining closed. City buses were suspended and educational institutions closed.

By about 3 p.m. the situation was well under control. The police were chasing and dispersing the crowds of demonstrators. The total damage is estimated to be about Rs. 25,000.

Co-op. Stores and Shop Looted

Mysore, Jan. 30

The Graduates' Co-operative Stores and the adjacent K.R. Mills cloth shop in Chamaraja Double road were looted last night.

The doors of the shop had been broken open and all the cloth taken away. The foodgrains in the stores had been carried away and small fire was burning inside. Furniture and records had been removed and thrown out and set to fire.

The interior of the shop and stores had been completely ransacked.

The Chamaraja Double Road which was the scene of battle between the police and violent mob, yesterday night presented a ghastly sight. All the new mercury lamps had been smashed and the street was littered with glass pieces, boulders, brick-bats and all sorts of barricades to prevent movement of police vehicles. The only light was of the burning of records in front of the Graduates' Bank and a tree which had been set on fire. The fire brigade later put off the fire.

GLASS HARP CONCERT

Mysore, Jan. 30

The Mysore Rotary Club had arranged the glass harp concert by Mr. Bruno Hoffmann, master of glass harp of West Germany, on Jan. 27 at the Maharaja's College Centenary Hall in aid of its Children's Library.

Mr. Hoffmann explained the features of the musical instrument, constructed by himself. It is a chromatic instrument with glass bowls which stand on a sounding board and tuned to physical criteria making the use of water unnecessary. The sound, similar to the harp-like tones, is produced by slightly rubbing their rims with the moistened finger tips.

He played some folk songs and compositions of Mozart, Beethoven, Reichardt and others.

Sri N. N. Sastry, Club President, welcomed the gathering. Sri F. K. Irani proposed a vote of thanks.

PRIZES DISTRIBUTED

Mysore, Jan. 30

Sri Aziz Sait, Chairman of the Samyukta Socialist Party, Sri R.G. Shamanna, Sri Srikanta Sharma and Sri M. Shivanna, in a statement, have condemned the police firing on student demonstrators in the city on Monday and demanded an immediate judicial enquiry instituted by the Government.

It was regrettable, they said, that peace had been broken and there had been a lack of tact and wisdom on the part of the police authorities.

They have appealed to the students to return to the classes and help to restore peace in the city.

SHEIKH ALI CHOSEN PRESIDENT

Mysore, Jan. 30

Dr. Sheik Ali, Professor of Post-graduate History Department, Manasa Gangotri, has been selected at the 29th Indian History Congress at Patiala as its President for the Modern Indian History Section of the 30th Congress to be held at Bhagalpur in Dec. 1968.

City Back To Normal

Mysore Jan. 30

The city was back to normal today with shops, hotels and other establishments being open.

The Chamaraja Double Road, which was the field of battle for about eight hours yesterday was peaceful this morning.

All barricades on the road had been removed enabling traffic movement. Police were posted at important places.

A small crowd at the circle near Maharaja's College hostel on the Krishnaraja Boulevard had removed the traffic-island fencing and placed it across the roads this morning. They had set fire to two avenue trees.

CIVIC CHIEF'S APPEAL

CivicChief B. [illegible]. Lingiah in a press note today has appealed to students to restore peace in the city by returning to their classes. Their continuing agitation would help anti-socials to exploit the situation.

TEMPORARY CALL OFF

Mysore, Jan. 30

Adjournment Motion On Police Firing Disallowed

Mysore, Feb. 1

An adjournment motion moved by the Opposition in the Municipal Council yesterday demanding public judicial enquiry into the police firing in the city on Jan. 29 was disallowed by the President Sri B. C. Lingiah.

Sri T. V. Srinivasa Rao, moving the motion, which sought to adjourn the House by two and half-hours to consider the subject, said the police firing was unwarranted as the situation was well under control.

Messrs. Vedantha Hemmige, Srikanta Sharma, L. Chikkarangappa, B.A. Belliappa, B.N. Kenge Gowda and M.N. Thimmiah, Opposition members, condemned the police firing. They also blamed the police for their "excesses" during the lathi charges.

Congress members Messers. M. K. Lingiah, K. Siddiah, H. Kempe Gowda and Smt. Soundaramma blamed the Opposition party members for inciting the students to resort to agitation and thus trying to exploit the opportunity.

They said the Opposition leaders on Jan. 29 were not to be seen anywhere at all for guiding the students properly.

As the magisterial enquiry had already been ordered, there was no need for any other enquiry, the Congress members said.

After about 200 minutes discussion, the President disallowed the motion and said the House had been adjourned. The Opposition members standing up said that if the motion had been disallowed they would stage a walkout. Meanwhile, Congress members were seen going out of the House.

34 PERSONS RELEASED

Mysore, Feb. 1

Out of 106 persons taken into custody since Jan. 29 in connection with the violent anti-Hindi agitation in the city, 34 persons were released on bail. Other 72 persons were remanded to judicial custody by the City Magistrate yesterday.

CM'S CAR STONED

Anti-Hindi student demonstrators yesterday hurled stones at the car in which Chief Minister Nijalingappa left after a discussion with student leaders at Chikmagalur. Stones were thrown as he entered into the car. The Chief Minister escaped unhurt. The police made lathi charge to disperse the crowd.

Arson and looting took-place in Hampankatta in Mangalore when the anti-Hindi agitation took an ugly turn. A big cloth shop was looted and set fire to. A bus shelter was burnt down completely. Police resorted to lathi-charge and seven persons were injured.

STOP TALL TALKS

Mysore, Feb. 1

Municipal President B. C. Lingiah said here recently that he was pained to see some high officers indulging in vain criticism of the Government without contributing much for the development of the nation.

He was inaugurating the third applied nutrition programme course at the Administrative Training Institute.

Sri Lingiah said dedication to service of the nation should be the top most concern of all officers.

Dr. H. L. Kulkarny, Institute Principal, welcoming expliained the objectives of the course. Sri Srinivas proposed a vote of thanks.

INDIRA TELLS RICH NATIONS

Prime Minister Indira Gandhi yesterday told the second United Nations Conference on Trade and Development at New Delhi that 'there can be no peace without erasing the harshness of the growing contrast between the rich and the poor nations'.

She said peace and prosperity were so inextricably linked that unless there was an eradication of poverty 'men and women will be impelled to revolt and to use violent means to bring about change'.

In this world context, Smt. Gandhi said, 'the question before the advanced nations is not whether they can afford to help the developing nations but whether they can afford not to do so'.

She said there was tendency among developing nations to view external capital and know-how as bonds which increase their dependence on dominant economics. It was necessary to discard the illusion that small efforts could yield big results. If the advanced nations continued to retreat inwards, then international cooperation would be the first casualty.

The UN Secretary-General U Thant in his message said that the peace of nations could be ensured only from a feeling of mutual understanding and meaningful cooperation, this in turn hinged on concrete and positive solution of economic growth, trade, and development financing.

Thumba, Hallmark Of Resurgent India

Prime Minister Indira Gandhi said yesterday that she saw in Thumba equatorial launching range near Trivandrum,the vision of a resurgent India , an India struggling to liberate herself from.the shackles of poverty and ignorance and to harness the strength and bounty of modern science and technology for the betterment of her 520 million people.

Smt. Gandhi who was dedicating the Thumba range as international facility said this centre represented only one facet of the tremendous industrial and technological revolution in which they were involved.

The Prime Minister said they were examining the possibility of developing a national television network through a satellite distribution system. She said the envisaged television would be an aid to education and development and as a force for national integration.

She pointed out ultimately it was the quality of man that mattered more than the instruments he used. India was now engaged in a mighty struggle to improve the quality of her people. The progress they had made in 15 years was, in many ways, impressive but they still had a long way to go. The Thumba rocket centre was a milestone on that road.

Language Issue: PM To Discuss With CMs

Bangalore, Feb.

Prime Minister Indira Gandhi told newsmen here yesterday that she proposed to hold discussions with the Chief Ministers of all States on the language issue.

When asked when the Centre would take steps on the recent directive given by the Congress Working Committee, she said she could not give any definite date.

"I have told you that all of us are worried. We have to think on this issue from the point of the future, keeping in view the unity of the country,' she said.

Asked whether there was any possibility of evolving a national consenus on the issue, the Prime Minister said 'I do not know if a consensus could be evolved especially when there are divergent opinions. I am always willing to try for a consensus'.

Asked if there would be any modifications to the language scheme, she said 'how will it help'. In fact Home Minister Chavan has assured Parliament that he is willing to talk over the matter with those concerned. We must not look at these problems emotionally but rationally'.

UGC Scales For College Teachers

Mysore, Feb. 6

Education Minister Shankara Gowda stated yesterday that the Government has decided to implement the UGC scales of pay for teachers in all Government and private colleges in the State.

He was replying to a deputation of the Mysore University Private Affiliated College Teachers Association which met him at Bangalore.

The Minister said there had been some delay in the implementation of the scales because the State Government was insisting upon the inclusion of the cadre of professors also for the revsion of salaries as against only the cadres of lecturers and principals recommended by the UGC.

Referring to the age of retirement of teachers in private colleges, Sri Gowda said the Government had already issued orders that the retirement age should be 60.

The deputation consistde of Messrs. Viswanathan, G. N. Chakravarti, M. Satyanarayana Rao and N. Rajagopal.

STUDENTS TO MEET ON SUNDAY

Mysore, Feb. 9

The students of all the colleges in the city will meet before Crawford Hall on Feb. 11 at 4 p.m. and decide their future course of action, Sri Javare Gowda, President of the Students Action Committee, said yesterday.

The anti-Hindi agitation by the students has been suspended from Jan. 30, till the prohibitory order is lifted.

The prohibitory order will expire at 12 noon on Feb. 11 and all colleges in the city will reopen the next day.

The various examinations of the Mysore University are likely to be postponed by 12 days and may begin on April 2 instead of March 20. This is due to the closure of all the colleges in the city for a fortnight because of the students agitation.

CONCERN OVER VIETNAM FLARE-UP

JS Chief Upadhyaya Found Dead On Rly. Track

Sri Deendayal Upadhyaya, President of the Jan Sangh, was found dead on the railway track near the Moghulsarai railway station in Uttar Pradesh in the early hours of Sunday.

The Jan Sangh leader was travelling in a first class compartment from Lucknow to Patna. His body was recovered lying near the west cabin about 100 yards from the station.

It is reported his body bore marks of injuries on his head. One of the ankles was broken and there was blood marks on the right arm.

The Uttar Pradesh Government has ordered a probe into the circumstances leading to the death of Upadhyaya.

The Mysore unit of the Jan Sangh meeting here yesterday evening, under the presidentship of Sri M. Govinda Rao, mourned the death.

The local unit of the SSP, under the chairmanship of Sri Nagaraj, expressed sorrow and demanded an enquiry into the death of Sri Upadhyaya.

CONDOLENCE MEETING

Mysore, Feb. 12

An all party condolence meeting will be held today at 6-30 p.m. at the Town Hall maidan to pay tributes to late Deendayal Upadhyaya, President of the Bharatiya Jan Sangh.

SECTION 144 IN CITY

Mysore, Feb. 12

The Deputy Commissioner and the District Magistrate, Sri S. Varadan, last night, promulgated an order under section 144 CrPC, banning assemblies, meetings processions, etc, for a period of 15 days from Sunday in view of the students' decision to continue the anti-Hindi agitation.

The prohibitory order earlier issued under section 35 of the Police Act expired at 12 noon yesterday.

National Solidarity Rally

Bombay yesterday witnessed a unique national solidarity youth march and rally.

Students parading the main roads of North Bombay, pledged to preserve and protect the unity and dignity of the nation and its wealth.

The first of its kind in the context of wave of violence, the march was led by Bombay University Vice-Chancellor Ganjendragadkar.

School children, secondary school students, undergraduates and post-graduate students of both sexes and teachers and principals participated in the orderly procession.

Banners in all 15 languages signifying the unity and integrity of the country and condemning violence and destruction of public property were held aloft by the students.

Poor Attendance In Colleges

Mysore, Feb. 12

There was thin attendance in the city colleges which reopened today after about 20 days closure by the University in view of the anti-Hindi demonstrations.

About 500 students, as per their decision yesterday to continue the agitation indefinitely, met before the Crawford Hall this morning.

CMs Meet On Language Issue

Congress President Nijalingappa has suggested to the Prime Minister to convene a meeting of Chief Ministers to consider the language problem.

After meeting Smt. Gandhi yesterday at Delhi, Sri Nijalingappa told newsmen that the proposed meeting could only be convened by the Union Government.

He said that if it was found necessary, the resolution passed with the Language Act should be suitably amended. The resolution had created a lot of doubts in people's mind and it should be removed, he added.

ReddyCondemns Violence

Mysore, Feb. 12

Madhya Pradesh Governor K.C. Reddy yesterday condemned needless demonstrations, gheraos, bandhs and satyagrahas and said they were anti-national and against Gandhian principles.

He was delivering the valedictory address of the Gandhi Smaraka Shanti Saptaha under the auspices of Mahatma Gandhi Seva Sangha at Town Hall.

Sri Reddy said that Gandhiji used Satyagraha as a weapon with utmost discipline and for constructive activity. It was his last weapon to fight for legitimate rights. But today one saw "Asatyagraha". From such activivies the nation could not prosper, he warned.

The Governor said there was indiscipline and chaos in the country, "We are in a sense of disservice to nation. We find more of selfishness and less of sacrifice attitude". With this how the country could prosper, he asked.

Sri Reddy stressed the need to remember Gandhiji's life ond teachings and follow them.

Seva Sangh President H. Kempe Gowda welcomed the gathering. Secretary B.G. Das proposed a vote of thanks.

WEST BENGAL TANGLE

Seventeen legislators of whom eleven belonged to the Bengal rebel Congress, yesterday informed the Governor of their decision to withdraw support from the Congress-PDF Coalition Ministry.

They have formed a party called the Indian National Democratic Front under the leadership of Sankar Das Banerjee, a former Congress Finance Minister, in a bid to form an alternate Government with the support of the 132-member United Front.

PM CONCERNED OVER VIOLENCE

Prime Minister Indira Gandhi yesterday expressed her deep concern over the deteriorating law and order situation in the country.

She told the Congress Parliamentary Party meeting about the recent riots in Meerut, violence in Assam and continued tension centering round the language question.

DIVISIVE FORCES WILL BE PUT DOWN

Warns President

President Zakir Hussain yesterday expressed his concern over the "recrudescence of divisive forces causing conflicts and violence either in the name of region, language or community".

Addressing the joint session of Parliament, the President said this was a matter for deep national concern transcending party affiliations. He expressed Government's determination to do everything to curb the force of disruption.

He said : "Reasoned debate and persuasion are the only way of democratic functioning. Violent agitation in the streets weakens democratic system and foundations of national unity".

Calling for an end to all controversies over language, Dr. Hussain said: "The over riding objective of Government's language policy is to strengthen the unity of the country and to promote the integration of my people, providing full opportunity to all sections of the community for self-expression and cultural development".

Whatever practical problems arose in the implementation of our language policy and programmes they should be approached in aspirit of understanding and mutual accommodation, he said.

On Centre-State relationship, the President affirmed the Centre's desire to work in co-operation with the State Governments irrespective of party affiliations.

He referred to the Mysore-Maharashtra and Mysore-Kerala boundary adjustments and said the Government hoped that these boundary problems would be satisfactorily resolved.

Dr. Hussain disclosed an increase during the current year of 10.8 per cent in the national income over that of last year. The food output would be 95 million tonnes, a 20 million increase then in 1966-67, he added.

STUDENTS ABSTAIN FROM CLASSES

Mysore, Feb. 13

There was poor attendance in the city colleges today also for the second day.

STUDENTS SUSPEND AGITATION

Mysore, Feb. 14

The Mysore City Students Action Committtee yesterday decided to suspend "temporarily" the anti-Hindi agitation and gave a call to all the students to return to classes from today.

A resolution adopted uanimously said that the committee awaited an assurance from the State and Centre that Hindi would not be imposed on them. "If no such assurance is given within a reasonable time, the students reserve the right to strike", it added.

The Students Action Committee demanded that all the studentswho were in police custody should be immediately released and cases against them withdrawn.

It wanted all the examinations of the Mysore University be postponed by one month and Sec. 35 of the Police Act now in force in the city should be removed.

The Committee also requested all the cinema managements in the city not to screen Hindi films till an assurance was given in regard to non-imposition of Hindi.

The meeting was presided over by President K. Javare Gowda and the resolutions were moved by Sri Mohan Padaki.

The decision of the students has brought relief to parents and academicians as it brought an end to the 21-day old agitation which had resulted inpolice firing and death of one person.

LOAN DUES FROM MUNICIPALITIES

Mysore, Feb. 14

Municipal Administration Minister R. M. Patil disclosed here yesterday that out of Rs. 6 crores given as loans to Municipalities, the overdue instalment was Rs. 2-3 crores and Rs. 5 crores had accrued as interest from them.

Delivering the valedictory address of the district confrence of presidents, vice-presidents, administrators and chief officers of town municipal councils, the Minister asked the municipalities to repay the loans promptly.

Referring to the poor tax collection by the civic bodies, he said that Mysore City Municipality, supposed to be a modelone, had collected only Rs. 10 lakhs out of Rs. 28 lakhs Mohatarffa dues. If this sorry state of affairs continued, the entire administration of these bodies would crumble, he warned.

It was not imposible to collect cent per cent of taxes. But what was coming in the way was the unwanted favouritism by civic fathers, the Minister added.

Exception Taken To Minister's Speech

Mysore, Feb. 15

BothOpposition and Congress members yesterday tookexceptiontothe remarks of Municipal Administration Minister R. M. Patil regarding the Mohatarffa collections of the Mysore City Municipality made while delivering the valedictory address of the district conference of presidents, vice-presidents, administrators and chief officers of town municipal councils here on Feb. 13.

Congress leader H. Kempe Gowda criticising vehemently said that the Minister had a "stepmotherly" attitude towards the Mysore City Municipality.

He said the current demand of Mohatarffa was only Rs. 14 lakhs Including the accrued dues the total Mohatarffa tax to be collected was Rs. 23 lakhs. But the Municipality this year alone had collected Rs.16 lakhs, the highest for any year.

The Minister's reference that Councillors interefered in the collections was uncalled for and the allegation was beyond truth, he added.

Sri Vedantha Hemmige, moved a resolution to censure the speech of the Minister. It was not pressed by him later on the assurance of the President that a clarification would be sought from the Minister regarding his speech.

Students Continue Stir

Mysore, Feb. 16

City College students continued their anti-Hindi stir today also by abstaining from classes. They held a protest meeting near Crawford Hall.

The Students Action Committee yesterday decided to continue the agitation indefinitely.

Meeting under the presidentship of Sri Javare Gowda, it demanded the resignation of the Vice-Chancellor of Mysore University as he had not come out with any statement regarding students opposition to Hindi it opined.

In another resolution, referring to the Chief Minister and Congress President Sri Nijalingappa saying that there was outside element in the agitation, it said that the Mysore students had voluntarily opposed the imposition of Hindi.

The Committee appealed to the students of all the colleges of the Mysore University to take part in the agitation.

It also said that some persons were making false propaganda against the student leaders and said this should be enquired into.

The meeting also decided to write to the State legislators and MPs urging the implementation of the two-language formula.

Cariappa's Vain Appeal

Gen. K. M. Cariappa, who addressed the students yesterday at Crawford Hall appealed to students to return to their classes leaving the language issue to the leaders.

He said that he was in favour of the two-language formula. The students, however, turned down the request of Sri Cariappa.

Opposition To Hindi Films Only

Sri Javare Gowda, Action Committee President, in a statement today said their agitation was to oppose Hindi and until the Government gave an assurance, he requested the theatre managements not to screen Hindi films. However, they can screen other films.

Rhino 'Rani' Gives Birth In Captivity

Mysore, Feb. 16

Indian Rhinoceros "Rani" gave birth to a male calf after 16 months of gestation period at the Zoo here on Feb. 13.

Thus the Mysore Zoo has become the first in Asia and the third in the world to breed successfully the Indian Rhinoceros in captivity.

Basal Zoo in Switizerland and the Wipsande in England occupy the first and second places respectively.

Rhino, which looks like the pre-historic type, is the rarest animal in the world. In the early 16th century it ranged over the Punjab, United Provinces, Madras and Narmada Valley. Now it is confined to Assam and Nepal.

Mysore Zoo is the first one in the world to breed successfully the laraest land animals likeElephant, African Rhinoceros, Indian Rhinoceros and Hippopotamus.

Family Plan For Politicians

Mysore, Feb. 16

"Why should not politicians who beget more than the specified number of children be disqualified from seeking nomination to various elected bodies?".

This was one of the points raised at the district level family planning seminar at the Administrative Training Institute on Wednesday in which representatives of taluk development boards, municipalities and panchayats took part.

The proposal touched off a hot discussion. Sri K. P. Shanthamoorthy, President of a Village Panchayat, supported the proposal, while others opposed it.

Sri Jayadevaraj Urs, Taluk Board President, doubted the legality of forcing officials to limit their family as it was sought to be done by the State Government. Such a measure might hold good for non-officials also, he felt.

Another member said that a day might come soon when the people with more children might be blacklisted.

JOBLESS ENGINEERS

Bangalore, Feb. 16

Union Irrigation Minister K. L. Rao yesterday warned that the problem of jobless engineers was a serious one and if the universities and polytechnics continued to produce 40,000 of these personnel annually, there might be over one lakh unemployed engineers in five years' time.

He was inaugurating the first All-India Diploma Engineers' Conference.

Train Ploughs Into Crowd: 16 Killed

16 persons were killed and 13 others were injured when the Calcutta-bound express train from Delhi ploughed through a group of pilgrims crossing the railway track at Lakhiserai station, about 80 miles from Patna last night.

There was a heavy rush of pilgrims to take a holy dip in the Ganga on the occasion of the Magha Purnima and they tried to cross the railway track to board a special train, when the non-stop express arrived and ran over them.

BOAC Plane & Gold Seized

The Collector of Customs and Central Excise, New Delhi, yesterday, ordered the confiscation of the BOAC aircraft and two consignment of 106 bars of gold seized from it at Palam in September last.

He said the BOAC had made wilful and deliberate violations of the Foreign Exchange Regulation and the Customs Acts. It had transited six consignments of over 3,000 kgs of gold between April and August 1967 via India marked as metal.

Serve Rural People

ADVISE TO DRs.

Mysore, Feb. 17

Dr. M. Gurudas, President, State Branch of the Indian Medical Association, yesterday exhorted young medical men to serve the suffering children, men and women in rurul areas where lie their field of work and just rewards.

Declaring open the new building of the Mysore branch of the Association, he set before them the ideals of late Dr. Scweitzer who served in the heart of the tropical jungles of Africa.

He said: "It is indeed a sorry plight that whereas in countries like Australia and Canada where doctors hopping on planes served even remote farms, in our country little has been achieved in serving the rural masses in an age of such fantastic advances that men like Dr. Christian Barnard graft spare hearts".

Dr. Gurudas said that the medical association could do yeomen service in drawing up schemes for the Government and in rendering voluntary service in selected villages. In fact such a voluntary service should form part of its permanent programme, he said.

Making a special appeal to the younger section of the medical profession, he said: "Yours is no wise a trade or a mere calling, but a mission with a high purpose to be carried on with tolerance, integrity, courage, tact and dedicated hard work".

"Let your ambition in life be to gain the esteem of your fraternity, the confidence of your patients and the appreciation of the people you serve. Let it not be merely to reap financial rewards for a comfortable life and high social status. It is the gratitude of those whom you have healed and the deep satisfaction of your inner self in your chosen work which verily resembles the work of God that are just rewards of an honest doctor", Dr. Gurudas added.

Dr. Lalitha Lingiah, Medical College Dean, presided over the function.

Dr. H.V. Suryanarayana Rao, local branch President, welcomed the gathering. Dr. Rajagopala Shetty read messages. Dr. P. D. Krishna Swamy also spoke. Dr. Mariswamy proposed a vote of thanks.

Students' Ultimatum

Mysore, Feb. 17

The Students Action Committee yesterday gave an ultimatum to the members of the State Legislature and Parliament that if they failed to give them an assurance that they would work for two-language formula before Feb.21, they would be forced to take suitable action.

It also decided that in future elections students would support only those candidates who backed the two-language formula, Kannada and English.

The Action Committee appealed to all the Principals of the city colleges to refrain from taking any action against agitating students.

Mysore, Feb. 17

Dr. K. C. Naik, Vice-Chancellor of the Agricultural University, Bangalore, will lay the foundation stone for the A. B. Shetty memorial students' hostel here tomorrow at 9-30 a.m. SriS.M.Krishna, M.P,. will preside.

Agitation Continued

Mysore, Feb. 17

City college students continued their anti-Hindi agitation today also. They did not attend the classes, instead met near the Crawford Hall and decided to meet again on Feb. 19 at 11 a.m.

The authorities of some of the private colleges have closed down their colleges awaiting the outcome of the Principals' meeting today convened by the Vice-Chancellor.

APPEALS TO END STIR

Municipal President B. C. Lingiah in an appeal yesterday requested the student community to return to their classes. The continuation of the agitation, he said, would give opportunity to anti-socials to create disturbances and would not help solve the language question.

The District Congress Committee meeting under the chairmanship of President P. Venkataraman urged the adoption of constitutional means leaving the language issue to be solved by national leaders and educationists.

It condemned violent activities and exploitation of the cause of students by some vested interests and politicians.

AN APPEAL TO THE WELL-WISHERS OF KANNADA LANGUAGE AND ART OF MYSORE

We are always giving priority to screen Kannada films in our theatre with an aim that Kannada films should develop well. But on occasions when Kannada pictures are not available in time, we are screening other language films in Telugu or Tamil. On such occasions, considering our problems of business, we request all Kannada film and art patrons to co-operate.

So Far 1.5 Lakh Operations By Modi

Mysore, Feb. 19

Health Minister Puttaswamy yesterday inaugurated Dr. Modi's free eye camp at the Exhibition Buildings under the auspices of the Lions Club.

The Minister praised the services of Dr. Modi and appealed to all to make the Mysore camp a success.

Dr. Modi addressing said that since 25 years he had conducted 1.5 lakh eye operations and examined about 20 lakh persons. This was a record for any mobile eye hospital in the world.

Dr. Modi said about 500 persons had been admitted for operation in the present camp. He said his way of conducting operation was comparable to any modern method in the western countries. He had achieved an efficiency of conducting 1,000 operations a day.

RAMA RAO RESIGNS

Bangalore, Feb. 19

Governor Pathak yesterday accepted the resignation of Sri M. V. Rama Rao, Home Minister, who has been appointed General Secretary of the AICC.

NEW STORES OPENED

Mysore, Feb. 19

The management of Hotel Prakash opened their new enterprise "Prakash Traders" to sell provisions and general articles at Shivarampet on Feb. 16.

Govt. Attitude Criticised

Mysore, Feb. 19

Sri S. M. Krishna, MP, yesterday blamed the State Government for keeping quiet in regard to the students agitation as though nothing had happened inspite of the colleges remaining closed since 23 days.

He was presiding over the function of laying the foundation stone for the late A.B.Shetty Memorial Hostel at Vanivilasa Mohalla. Dr. K.C. Naik, Vice Chancellor of the Bangalore Agricultural University, who laid the foundation stone praised the services of late A.B. Shetty.

Sri A. Ramanna, President, welcoming the gathering said that the hostel costing Rs. 8 lakhs would provide accommodation for 150 students.

Sri Krishna said the Government by keeping quiet had not discharged its duty properly. It was unpardonable on its part to advance the plea that the agitation was motivated by outsiders.

He expressed the hope that the State Legislature, which began today, would consider seriously the burning language issue and the student unrest.

The new MP suggested convening of a Round Table Conference to discuss the language question, academicians, students, parents, political parties and Government representatives taking part in it.

He gave a word of advise to students and said that the language question had to be tackled at Parliament by its members and by the State and Centre. He advised them to develop a sense of high patriotism and create a new climate in the country.

Students' Stir May End

Mysore, Feb. 19

College Students abstained from their classes today also in continuation of their anti-Hindi agitation.

A feeling to discontinue the agitation is forming among the students and an announcement to the effect is expected soon, it is learnt.

UNEQUAL BURDEN TO BE REMOVED

Bangalore, Feb. 19

Congress President Nijalingappa yesterday assured the people of non-Hindi areas that a satisfactory solution to equalise the language burden would be hammered out soon.

He said that he was more than convinced of the apprehensions of the people of non-Hindi areas that the three-language formula if applied only to them imposed on them an unequal burden.

He appealed to all concerned to realise that there was no need to continue the agitation, now that the position was more than recognised and responsible leaders were making concerned efforts to find a way-out.

Opposition Walks Out

Bangalore, Feb. 19

The opposition members today staged a walkout before the beginning of the Governor's address to the joint session of the Legislature.

Switch-Over To Kannada

Bangalore, Feb. 19

The Rajya Bhasha Parishat, a new organisation inaugurated here yesterday, has resolved that Kannada must be the medium of instruction at all levels and the language of administration and law courts and that students must learn one other language in addition to the regional language.

Sri K.V. Puttappa who inaugurated the conference, said it was unfortunate that language, which was the instrument for acquiring knowledge, had been mixed up with politics and turned into an instrument for sowing discord and hatred.

Stressing the need for imparting instruction in the regional language, Sri Puttappa ridiculed the argument that the regional languages were not sufficiently developed to become the medium of instruction. As a matter of fact, tremendous work had been done in Kannada in the last 30 years and it was easier to teach and learn in Kannada than in English.

GO BACK TO CLASSES

PARENTS' PLEA TO STUDENTS

Mysore, Feb. 20

The parents, Principals and citizens meeting here yesterday, under the chairmanship of Vice-Chancellor K.L. Shrimali, made a fervent appeal to the agitating students to return to their classes.

The meeting convened by the Vice-Chancellor expressed its deep concern over the continued absentation of students from classes since the last three weeks protesting against the imposition of Hindi.

The meeting expressing its consensus said: "Students have already expressed their unmitigated opposition towards the resolution recently passed by Parliament which casts upon non-Hindi speaking citizens a greater degree of burden than those upon whose mother tongue happens to be Hindi".

"As the students have achieved their principal resolve demonstrating the depth of their feeling over the language issue, we make an earnest appeal to them now to go back and resume their academic work. Any further continuance of agitation will in our view be in the nature of a sacrifice without a purpose", it said.

Dr. Shrimali speaking at the outset said that it was neither in the hands of the University nor the State Government to change the Official Language Act. Even Parliamentary process would take some time.

The Vice-Chancellor said that if the students continued to abstain from classes for a fortnight or over, they would miss their examinations. Some colleges in mofussil areas, which had not participated in the stir, were opposing the postponement of examinations. Hence, our boys would lose one full year, he said.

Municipal President B. C. Lingiah appealed to students to leave the language issue to legislators and members of Parliament and resume their studies.

Prof. D. Javare Gowda, Messrs. D. Jayadevaraj Urs, B. N. Satyanarayana. M. N. Ugrappa, Y. Nagaraju, K. Ramaswamy, M. R. Seshagiri Rao, Sampath Kumaran and Bhima Rao spoke.

ACCEPT MAHAJAN REPORT

Bangalore, Feb. 20

Addressing the joint session of the State Legislature, yesterday, Governor Pathak urged that the Mahajan Commission report on the border dispute between Mysore and Maharashtra and Mysore-Kerala should be accepted by all the States concerned.

He appealed to people to combat divisive forces and settle differences if any, in such a manner as to manitain and strengthen national integration at all times. The entire opposition staged a walk-out when the Governor began speech.

RAIL AND FREIGHT RATES GO UP

An increase in fares and frigehts have been proposed by Railway Minister Poonacha to raise Rs. 28 crores to balance the railway budget for 1968-69 and show a surplus of Rs. one crore.

The Railway Minister presenting the budget to the Parliament yesterday, proposed a rise by 10 per cent in the fares for air-conditioned travel and raised the fare for chair-cars in air-conditioned deluxe expresses to the level of second class fares.

A new surcharge on passenger tickets will be levied. Ranging from five paise on tickets upto a value of Rs. 5 to 25 paise on tickets of the value above Rs. 15 each, would yield Rs. 3 crores.

The hardest hit will be long distance third class passengers, who hither to were able to travel free in three-tier coaches, have to pay Rs. 4 per night for sleeper accommodation, whether it is the three-tier or the two-tier coach.

Platform tickets will cost 20 paise.

Third class season tickets will go up by 25 paise and first class tickets by by Re. one.

The supplementary charge on goods freight has gone up by three per cent and a ten per cent surcharge has been imposed on parcel and luggage traffic. Milk and vagetables are exempted.

President's Rule In West Bengal

President's rule was imposed on West Bengal yesterday under Article 356 of the Constitution, thus ending the constitutional impasse created by the Speakers' ruling adjourning the Assembly sine die a second time seven days ago.

The President in a proclamation dissolved the State Assembly and assumed control of the State administration.

Shortly before, Dr. Ghosh had submitted the resignation of his Ministry.

Home Minister Chavan making a statement in Parliament said that repeated adjournment of the West Bengal Assembly by the Speaker was one of the three factors which had compelled the Central Government to recommend President's rule for that State.

The other two factors, were the political instability in West Bengal and the determined bid of some political parties to prevent the democratic functioning of the Legislature.

LADY TEACHERS MEET

Mysore, Feb. 21

For the first time 105 lady teachers undergoing training in Shivarathreshwara Basic Teachers' Training Institute for women met to discuss how best they can help the country to check the fast growing population.

STUDENTS SUSPEND AGITATION

Mysore, Feb. 22

The Joint Action Committee of the Bangalore and Mysore University Students has suspended the month-long anti-Hindi agitation.

A statement issued yesterday said: "Considering the anxiety of the student community and their parents in view of the ensuing examinations and the assurances given by the Chief Minister, Vice Chancellor Gokak and other leaders, the Action Committee has decided to suspend the agitation, reserving its right to voice the students grievances."

The statement said the Chief Minister, whom the committee members met yesterday, had assured that he would try his best to remove the unequal burden on the non-Hindi students cast by the language policy of the Government. He said that English had to stay and was bitterly criticial of Hindi zealots.

The Chief Minister had also assured that all police charges on students would be withdrawn. Compensation to the dependents of the victims of the police firing would be paid, the statement said.

It appealed to all responsible sections of the community to see that the bilingual formula was adopted.

PLEA FOR SEPERATE MIZO STATE

Mysore, Feb. 23

Sri Lalbuaia, Chairman of the Mizo District Council, said here yesterday that if the problems in Mizo District in Assam were not tackled soon, it may recede from the country itself.

Speaking at the civic reception given in honour of 22 Mizo representatives, the team's leader said that Mizo district had a number of problems and most of them were due to political reasons.

There were, he said, some who demanded cessation from India itself, but most of them were in favour of a separate State for Mizo Hill District.

Sri Sri Lalbuaia said that rebels had a greater control over the villages and if the Mizo problem was not given attention soon by the Union Government, the problem might become serious.

Earlier, Municipal President B. C. Lingiah welcomed the delegation. Vice-President K. V. Anantharamiah proposed a vote of thanks.

The Mizo representatives yestereday visited the various tourist spots in the city and also the Brindavan Gardens. The tour is being conducted by Sri N. S Venkoba Rao, Regional Officer of the Directorate of Field Publicity, on behalf of the Government of India.

PLEA FOR SEPERATE MIZO STATE

Mysore, Feb. 23

Sri Lalbuaia, Chairman of the Mizo District Council, said here yesterday that if the problems in Mizo District in Assam were not tackled soon, it may recede from the country itself.

Speaking at the civic reception given in honour of 22 Mizo representatives, the team's leader said that Mizo district had a number of problems and most of them were due to political reasons.

There were, he said, some who demanded cessation from India itself, but most of them were in favour of a separate State for Mizo Hill District.

Sri Sri Lalbuaia said that rebels had a greater control over the villages and if the Mizo problem was not given attention soon by the Union Government, the problem might become serious.

Earlier, Municipal President B. C. Lingiah welcomed the delegation. Vice-President K. V. Anantharamiah proposed a vote of thanks.

The Mizo representatives yestereday visited the various tourist spots in the city and also the Brindavan Gardens. The tour is being conducted by Sri N. S Venkoba Rao, Regional Officer of the Directorate of Field Publicity, on behalf of the Government of India.

Big Deficit in Union Budget

There will be significant budgetary deficit in the Union Budget because of the decline in revenue yields and foreign aid utilisation resulting from slowing down of the rate of industrial production.

This is indicated in the economic survey presented to the Lok Sabha by the Finance Minister.

The drop in the production of commerical crops combined with a sluggish movement in the international market had cut into earnings.

The survey has warned that only a moderate increase in industrial outlay is likely to be feasible in the context of the overall position of the economy.

In the industrial field further expansion of the production materials and equipment needed by agriculture would have the highest priority.

The national income in 1967-68 will be about 10.8 per cent higher while agricultural output will be 20 per cent more.

It underlines the need for larger savings to step the rate of economic growth.

AID FOR BREAD CO-OPS.

The Union Government has decided to grant financial assistance to consumer co-operative stores in the States to start small plants to manufacture bread.

India To Honour Kutch Award

Prime Minister Indira Gandhi told the Lok Sabha yesterday that 'we shall naturally honour commitments on the Kutch. It will be a sad day for India if it failed to honour its international commitments'.

A comprehensive official resolution on the language issue will be placed before the State Assembly.

Law Minister Kanthi informed the House that the resolution had already been drafted but theGovernment was trying to accommodate the views of the Opposition also. It had been sent to the Opposition with this end in view.

SHEIKH'S STATEMENTS OBJECTIONABLE

Union Home Minister Chavan admitted in the Lok Sabha that some of the statements of Sheikh Abdullah were misconceived and objectionable.

But he said that there should be no hasty prosecution of Sheikh about whose visit to Meerut and communal disturbance formed the supplementaries in the House.

CORPORATION STATUS FOR CITY IN ONE YEAR

BILL UNDER SCRUTINY

Mysore, Feb. 24

The status of the Mysore City Municipality will be raised into a Corporation within the next one year, Municipal Administration Minister R.M.Patil said here today.

He was laying the foundation stone for the High School building at Ittigegud under the auspices of the City Improvement Trust Board.

The Minister said that the Government had proposed to bring in a uniform legislation for raising the status of at least five cities into corporation.

Besides Mysore and Mangalore which would become corporation, it was proposed in the Bill to make two adjacent cities also into Corporation, on the lines of Hubli-Dharwar.

The Bill had been prepared and it was under scrutiny. It was likely to come before the next session of the Assembly, Sri Patil said.

Mysore Municipality had done good work which was being copied by the other civic bodies. But the underground drainage scheme remained to be completed. There were many open drains which had become centres of mosquito breeding, he said.

The Minister asked the Municipality to give immediate attention to remove the mosquito nuisance and for whatever expenditure it would incur in this regard there would no objection from the Government.

Attention had also to be given in Mangalore and Bangalore, besides Mysore, as mosquito may cause the spread of phyleria.

Prasing the work done by the City Improvement Trust Board, Sri Patil said the novel idea of raising funds from a new outlay for providing civic facilities like schools, hospitals for the residents of that area could be copied by others also.

Earlier, Sri T. Venkataramanaiah, Trust Board Chairman, welcomed the gathering. Sri H. Kempe Gowda proposed a vote of thanks.

India Bound To Accept Kutch Award

Deputy Prime Minister Morarji Desai told the Lok Sabha yesterday that India had to accept the award of the international tribunal on the Kutch.

He said the Government would accept the Kutch tribunal award as determining the boundary between Kutch and Sindh and not as cession of Indian territory.

As it was only a question of determination of boundary, there was no quetion of Government seeking an amendment of the Consitution to implement the award, he added.

Sri Desai, however, declared that 'India should not go to arbitration in future on such cases'.

He was intervening in the debate on the Jan Sangh motion of no confidence in the Government.

Sri Desai said that under the Indo-Pakistan agreement, the award was binding on both sides and could not be questioned on any ground whatsoever. Therefore. 'there is no other excape for us from accepting the award'.

TAX-FREE CIVIC BUDGET

Mysore, Feb. 29

No new taxes are proposed in the Rs. 1.07-crore budget estimates for 1968-69 presented to the Municipal Council by Commissioner B.R. Prabhakar yesterday.

The budget with an opening balance of Rs. 12,16,893 anticipates an income of Rs. 95,48,600. The anticipated expenditure is Rs. 101,58,900 leaving a surplus of Rs. 6,06,593.

The revenue in the new budget year will be higher by Rs.15,59,500 than in the previous year. The increase is on account of the enhancement of mohatarfa tax by 1.75 per cent and the resulting revision of current demand which is likely to fetch Rs. 1.5 lakhs, Rs. 2 lakhs by way of revision of mohatarfa assessment, Rs. 4 lakhs by the revision of Octroi byelaws to come into effect in July, Rs. 2.75 lakhs from the entertainment tax, added income from the advertisement byelaws and collection of arrears amounting to Rs. 5 lakhs.

Stressing the need for maintaining a sinking fund for replacing distribution pipes and machinery under the city water supply system, the Commissioner said that the income from water rate which was Rs. 7.5 lakhs in the previous year should be raised to Rs. 12 lakhs by reducing free allowances, increasing excess water charges and other similar measures as the maintenance charges itself were Rs. 8.13 lakhs

The library cess, which is expected to be levied during the year, is likely to bring in Rs. 1,000 by way of collection charges.

Rs. 10 lakhs is expected for water supply and Rs. 2 lakhs for the third outfall works during the year as loans from the Government. It has been also proposed to obtain a loan of Rs. 15 lakhs for construction of shops and a super market behind Visveswariah Bhavan.

On the expenditure side, Rs. 8,25,500 has been provided for general administration, Rs. 6,11,500 for public safety including Rs. 4 lakhs for installing high voltage and mercury vapour lamps on important roads, Rs. 36,73,200 for public health and Rs. 33,37,300 for public works.

Under the miscellaneous head, Rs. 30,000 has been earmarked as election expenditure during the period.

CARDS, COVERS, INLAND LETTERS, TO COST MORE

BISCUITS AND CHOCOLATES DEARER

Rs. 66-CRORE CENTRAL LEVIES

Cards, inland letters, covers, money orders, and telegrams, biscuits and chocolates, radios and transistor sets, refrigerators and air-conditioners, imported liquor, raw tobacco and steel furniture are going to cost more following a Rs. 290-crore budget presented to the Lok Sabha by Finance Minister Morarji Desai.

The price of card has been increased from six to ten paise, inland letters from 10 to 15 paise and covers from 15 to 20 paise.

The money order commission now 15 paise per Rs. 10 is to be raised to 20 paise per Rs. 10 upto Rs. 200 and 30 paise per Rs. 20 thereafter.

The charge for non-press telegrams is to be increased from Re. 1 for the first eight words toRs.1-20. The charge for greetings telegrams is also to be raised from 80 paise to Re. 1

Biscuits and chocolates will cost 80 paise per kg. more. Radios and transistors cost Rs. 3 and Re. 1 per piece more.

The richer sections with incomes over Rs. one lakh will be charged more income tax. The wealth tax has been increased. The more affluent will not have to pay the annuity deposit.

The Government will earn Rs. 65.73 crores by fresh taxation, still leaving a deficit of Rs. 290 crores.

Sri Desai announced an increase in Central assistance to the States for their 1968-69 plans from 590 crores to Rs. 615 cores.

Defence expenditure has gone up to Rs. 1,015 crores from Rs. 970 crores largely because of increased dearness allowance.

The receipts for 1968-69 is Rs. 3,132 crores and expenditure Rs 3,447, leaving a deficit of Rs. 315 crores. The overall deficit will be Rs. 290 crores by imposition of new taxes.

Fully Filtered Water By June

Mysore, March 4

The whole city will get fully filtered water by June, Municipal President B. C. Lingiah told newsmen yesterday.

Addressing a press conference, he said that at present 70 lakh gallons from Hongalli and 40 lakh gallons from Belgola is being supplied to the city. With the completion of Rs. 30 lakh second stage of the water supply scheme, the total supply of drinking water will go up to 1.80 crore gallons.

The city is also likely to have a stadium of international standard. The Municipality and the University which have proposed construction of stadia have been suggested by the Chief Minister to jointly have one big stadium with the assistance of the State and the Centre at the Maharaja's College grounds.

The Civic Chief said that he si expecting a decision in this regard soon and if nothing came up within a month, the municipality will start the stadium construction at Doddakere maidan.

A provision of R. 3 lakhs has been made to put mercury vapour lights on important roads. There is also a proposal to change the 40-60 watt street bulbs to 150 watts to better the street lighting. This has been proposed to be done during a four-year period.

The big open drainage from which foul smell lets out near Sri Harsha Road will be covered with stone slabs soon, Sri B. C. Lingiah said.

It has been also proposed to make on spot octroi collections at the toll gates on Hunsur, Srirangapatna, Nanjangud and T. Narasipur roads. It has been proposed to post Assistant Octroi Superintendets at these check-gates with telephone and vehicle facility.

SHIFTING OF TODDY SHOPS DEMANDED

City Fathers Criticise DC's Actoin

Mysore, Mar. 6

The City Municipal Council yesterday urged that the toddy and arrack shops should be shifted from the present congested and residential areas to distant open places in the city.

The Council yesterday meeting specially to consider the location of arrack and toddy shops condemned the unilateral decision of the Deputy Commissioner in locating these shops without consulation of the City Municipal Council.

Sri B.C. Lingiah, President, was in the chair.

Both Congress and Opposition members in their vehement criticism said that the present seven shops were located in areas which were congested and affected the religious sentiments of the people.

The Kumbarageri shop for example, they said, was located near a temple. Similarly other shops were nearer to schools and residential areas.

Smt. Soundaramma, voicing women's concern, criticised the Government's decision of scrapping prohibition. These shops should be shifted to the outskirts of the city, she said. Dr. B.G. Das joined her in citicising the Government.

Some members suggested that facilities as in bars should be provided to these poor people who relaxed over liquor. They blamed the contractors and the Government for not providing proper facilities for them.

Messrs. D. Lingiah, H. N. Muddiah, M. K. Ramakrishna, Syed Masood, K. Siddiah, Jogi Siddiah, H. Kempe Gowda of Congress, Vedantha Hemmige, B.N. Kenge Gowda and B. A. Belliapya of the Opposition participated in the debate.

UNIFORM TEXT BOOKS

Bangalore, Mar. 6

Uniform text books would be introduced in the primary and secondary education throughout the State from the next academic year, Education Minister Shankara Gowda told the Assembly yesterday.

He said that the Government was going ahead with the nationalisation of the text-books. At present all the text-books at the primary stage had been nationalised and about 50 per cent of the secondary level were being published by the Government.

The Minister admitted that there were some printing and factual errors in some text-books and steps had been taken to set them right. In some cases, the authors of books had also been warned.

VIDYAPEETA COMMITTEE MEETS

Mysore, Mar. 6

The newly constituted Vidyapeeta Committee met recently in Nanjangud and reviewed its activities. Sri S. Varadan, Deputy Commissioner, presided.

The new committee consists of the following members with the Deputy Commissioner as chairman:

Messrs. Hejjige Linganna, Nanjangud Municipal President Subbaraya, TDB President N.C. Nagaraj, M. Mahadev, H. Ramiah, S. Puttaswamiah, V. Chandrasekhara Aradhya and Smt. Seethalakshamma.

The Vidyapeeta first to be starrted by the Adult Education Council in 1947 has trained so far 673 rural youths in 41 batches. The present batch has 18 students. The next session starts from May and the period of training is six months.

LOK PAL OPPOSED

Bangalore, Mar. 6

The Mysore Government has informed the Centre that it was not desirable to set up a Lok Pal and also that is was not necessary to constitute a Lok Ayukt on the recommendations of the Administrative Reforms Commission.

It has suggested that a committee comprising the President, Vice-President and the Prime Minister could inquire into charges of corruption against Ministers.

CM CHARGED WITH FAVOURITISM

Bangalore, Mar. 6

Sri H. Siddaveerappa, Janata Paksha member, made specific charges of favouritism against Chief Minister Nijalingappa in the Assembly yesterday.

Demanding a thorough enquiry into the affairs of all Ministers, both past and present, he alleged that the Chief Minister had got a stainless steel quota for his brother-in-law and thus enabled him to earn Rs. 10,000 a month.

He produced a photostat copy of a letter and claimed that Sri Nijalingappa had put noting on the letter that he would talk to the Managing Director of the Bhadravati Iron and Steel Mills about a special quota to the applicant.

The Opposition member also questioned the reasons for the Government's decision to invest another Rs. 55 lakhs on the MSK Mills of Gulbarga, which had been closed down.

SCIENCE DEBATE

Mysore, Mar. 6

Indira Ready To Fight

Prime Minister Indira Gandhi stated yesterday that if her opponents and critics were itching for a fight, the people of India were prepared for a show-down.

She said that it would not be the first country where such ideological warfare had been waged.

Addressing a mammoth rally of workers, farmess and traders at New Delhi, she said she had confidence in the people of this country and she was sure that if it came to a showdown, the victory would be 'ours'.

The Prime Minister said that she was not in the habit of throwing challenges or holding out threats but 'when others threaten me I cannot keep quiet'.

Smt. Gandhi said that if a single step taken to herald in true democracy had caused so much uproar, what would happen if other steps were taken.

She said that bank nationalisation was only a small step towards the bigger goal 'We have started towards a direction and we will take more steps toward that goal'.

She asked if those who have been criticising the public sector and the nationalisation were prepared for a thorough probe in the private sector undertakings and establishments.

Tulsi Das Sure Of Sanjiva Reddy's Election

Mysore, Aug. 7

Sri Tulsidas Dasappa, Congress MP of Mysore, said here today that he was certain of Congress nominee Sanjiva Reddy's election as the President of India.

Speaking to newsmen, Sri Tulsi Das spoke of the recent political developments in the Centre.

He said that inspite of all differences the Congress would pull through unitedly. The only change might be that the pace of implementation of the economic policies and their progress might be speeded up. Those who opposed the economic policies, in the meanwhile, might get isolated

Sri Tulsi Das welcomed the proposal to start a station of the All India Radio in Mysore City. He said that he would pursue the proposal.

He also assured that he would work to safe guard the interests of Mysore.

CONGRESS WALK-OUT IN ML. COUNCIL

Mysore, Aug. 7

The Congress Opposition members yesterday staged a walk-out in protest against the attitude of the ruling United Front towards them and also for not considering their suggestions regarding various proposals.

The walk-out came after the council decided by a majority of votes to shift the 'Gujari' to a place near People's Park on the Mysore Otacamund highway.

The Council, earlier, by a majority decided to refer to the Standing Committee two subjects, a UF member's resolution to drop eviction proceedings against the occupants of 101 houses in Agricultural Colony constructed for slum-dwellers and regularise their occupation and to request the Government to reconsider the acquisition of the area around the Band Office building in Nazarbad for converting them into parks.

Dr. P D. Krishnaswamy, Congress member, voted in favour of the earlier resolution along with the United Front members.

Sri A. Hakeem Sheriff, moving the resolution, asked the Council to sell the 101 houses to the present occupants. UF leader B.N. Kenge Gowda proposed an amendment to refer the resolution to the standing committee.

Opposing both the resolution and the amendment, Congress members, except Dr. Krishnaswamy, questioned the propriety of including the resolution in the agenda by the Commissioner while there was already a resolution passed to evict the illegal occupants.

Congress leader B. C. Lingiah, K. N. Somasundaram, Chikkathammiah, Doddathammiah, Jogi Siddiah and Smt Sourdaramma said that the houses were constructed with a specific purpose, to house the Harijans with Government assistance

'The trespassers should have been evicted and alternative houses provided to them. Any regularisation would be a bad precedent. It would recognise unauthorised occupation of shops and unauthorised constructions too they warned.

The UF members, Messrs Kenge Gowda, B. K. Puttiah, L. Chikkarangappa and Vedantha Hemmige spoke supporting the resolution.

After about two hours discussion, the controversial subject was put to vote by Sri Thimmiah. Fifteen members, including Dr. Krishnaswamy, voted in favour of the amendment and 11 Congress members opposed it.

NEW MARKET BUILDINGS

Mysore, Aug. 7

A scheme to construct new market buildings in Nazarbad, N. R Mohalla, Jayalakshmipuram and Yadavagiri at a cost of Rs. 1 83 lakhs has been sent to the Government for approval, Municipal President M. N. Thimmiah said here on Tuesday.

Sri Thimmiah inaugurated the Rs. 18,000 Jayanagar Market Buildings.

Councillor P.L. Krishaswamy welcomed the gathering and Commissioner P. P. Prabhu proposed a vote of thanks.

Take Up Remunerative Works

CITY FATHERS' SUGGESTIONS

Mysore, Mar. 9

Suggestions were made to undertake remunerative works and increase the income of the City Municipality at the budget meeting on Thursday. Sri B. C. Lingiah, President, was in the chair.

Initiating the budget debate, Sri B. G. Das suggested that the Municipality should start soap making, coir and other small industries. Thiswould also help in solving the unemployment problem to some extent. He wanted construction of shops around Subbarayanakere.

Welcoming the budget, Sri Abdul Gaffar wanted strong measures for collecting mohatarfa arrears. The Government should be approached to make necessary provision to enable the municipality to insist for mohatarfa clearance certificates from those who applied for building licences, on the lines of income-tax clearance certificates.

Sri B. N. Kenge Gowda said the budget had not provided for undertaking any new projects by the municipality.

Even small municipalities like Mandya and Hassan were conducting exhibitions. Whereas, there was no indication of any efforts to take-over the Dasara Exhibition from the Government, he complained.

Sri Kenge Gowda wanted exemption of mohatarfa tax for such of those citizens owning only one house and residing there. He also wanted the abolition of cycle tax.

Sri B. K. Puttiah said that the accounts of the municipality remained without being audited since thirty years, though a separate staff had been appointed for the purpose.

He said that the loans had not been utilised for the purpose they were taken for. The betel-leaf gardens had not been shifted though a loan had been obtained for the purpose.

Criticising the increasing expenditure on administration, he said, it had reached 30 per cent of the total expenditure. The administration was full of corruption, Sri Puttiah added.

He pointed out that the building tax which was 9 per cent four years ago had been enhanced to 17 per cent now. The income which was Rs. 10 lakhs had been increased to Rs. 24 lakhs. This was the concession offered to the citizens, he said.

A suggestion to construct a tourist home to provide accommodation fortourists, was made by Sri Vedantha Hemmiege. He also suggested introducing profession tax on those earning over Rs. 500.

Sri Hemmige wanted the municipality to start a girls college in the city.

The present town hall was small and offered little facilities for cultural troupes. Hence a modern town hall with uptodate equipments and stage and auditorium should be constructed, SriM.K. Lingaiah said.

He wanted the giving up of the proposal to construct a stadium at the Maharaja's College grounds, instead to undertake the stadium work at Doddakere maidan.

Sri L. Chikkarangappa and Sri H. N. Muddiah also participated in the discussion.

Barauni Oil Refinery Closed

The Centre has directed the Barauni oil refinery to be closed down for the time being in view of the gravity of the situation arising from pollution of the Ganga water near Monghyr in Bihar.

Over one lakh residents of Monghyr town, which is lying on the right bank of the Holy Ganges, are without water supply since six days. The water supply was cut off due to the pollution of the water of the Ganges by oily substance which has caused two fires on the river and claimed atleast six lives.

The town has been smelling foul with its unflushed latrines and uncleaned drains. Most eating places in the town have been closed as also schools and colleges.

The Second Munsiff Court yesterday issued an interim injunction directing the Barauni oil refinery management to stop production.

The order, on a petition filed by an advocate of Monghyr, asked the management to shop cause why it should not be closed down permanently.

With the closure of the refinery for an indefinite period from yesterday the production loss is estimated at Rs. eight lakhs per day.

Confusion In City Meeting

Mysore, Mar. 11

Confusion prevailed for some time in the public meeting organised by the Samajavadi Yuvajana Sabha, youth wing of Samyukta Socialist Party, at Town Hall maidan yesterday.

The Yuvajana Sabha had arranged the meeting calling for "Kannada Balasi--English Ilisi" under the presidentship of Sri T. T. Sharma.

Just after Sri B. S. N. Malya addressing the gathering, some students stated to be anti-Hindi agitators intervened and asked the speakers to spell out their opinion about link language.

There was confusion for some time and in the meanwhile police intervened and took one student leader into their custody.

Later, Dr. U. R. Ananthamurthy, Sri P.T. Narasimhachar and Konandur Lingappa addressed the gathering.

They urged that Kannada should be made the language of the State and law courts. They also demanded that Kannada should become medium of instruction at all stages, from elementary to the highest level of education in the State.

FARM COMMISSION

The Union Government is examining the question of setting up an agricultural commission to investigate the different aspects of agriculture with particular emphasis on different sectors of development.

Police Firing In Ramanagaram

Police opened fire twice in the air to disperse violent mob yesterday in Ramanagaram.

In a clash between two communal groups, some people were injured and a few shops were set on fire. A prohibitory order under Sec. 144 has been imposed on the town.

BENDRE, KARANTH TO BE HONOURED

Mysore, Mar. 11

Dr. D. R. Bendre and Dr. Shivaram Karanth, recipients of "Padmashri" and "Padma Bhushan" awards respectively, will be felicitated by a citizens' committee here on Mar.31. Sri P. T. Narasimhachar will preside.

AIR IMPACT UNSATISFACTORY

Bangalore, Mar. 11

Union Information and Broadcasting Minister K.K. Shah yesterday admitted that All India Radio had not yet succeeded in making the people informed to fulfil the requirements of the nascent democracy.

A thorough study of the reactions of the people to the various programmes broadcast by it would be made, he said.

AIR would sponsor Citizens' Forums and Students' Forums to speak on AIR, the Minister added.

TV For Bangalore

Bangalore, Mar. 11

It was proposed to set up a TV centre in Bangalore by about 1972, Union Minister for Information and Broadcasting K. K. Shah said yesterday.

He said it had been proposed to extend the TV network to seven mertopolitan cities. The main difficulty in the way of expansion was the availability of television sets. As against the present licensed capacity of only 30,000 sets per year, the requirements would be one million sets a year when the proposed seven TV centres were set up.

The first thing to do was to persuade the Bharat Electronics to fulfil the requirements of these seven stations as early as possibile, because ultimately there should be 100 TV stations in the country, Sri Shah said.

ARC REPORT ON CABINET SIZE

Bangalore, Mar. 11

The Administrative Reforms Commission will submit two reports to the Prime Minister in about two months with recommendations prescribing the size of the Central and State Cabinets and also the secretariat personnel, Commission's Chairman K. Hanumanthaiya said yesterday.

He also said that setting up of Lok Pal was absolutely necessary not only for ensuring good Government but also for protecting Ministers from all unjust accusations.

Holding Dual Posts Wrong

Bangalore, Mar. 11

Sri K. Hanumanthaiya, Chairman of the Administrative Reforms Commission, said here yesterday that according to indications Sri Nijalingappa would resign his Chief Ministership in April.

Replying to a question at a press conference on one person holding two offices of Chief Minister and Congress President, Sri Hanumanthaiya said: "It is impossible for any individual to undertake these two responsibilities and at the same time claim to have done the work satisfactorily".

"The office of the Chief Minister requires every ounce of the energy and time of the occupant. The office of the Congress President is much more exacting specially in view of the chaotic state of affairs in the Congress organisations of different States. This is a whole-time job requiring super-human abilities", Sri Hanumanthaiya said.

REPORT ON RURAL YOUTH

Bangalore, Mar. 11

Union Minister of State M.S. Gurupadaswamy said here yesterday that the preparatory committee set up by the Co-operation and Community Development Department on how best the rural youth could be involved in various developmental activities would submit its report by this month-end.

Solution For Punjab Crisis

The Government of India has advised the Punjab Governor to prorogue the State Assembly, which has been adjourned by the Speaker for two months, and resummon it immediately for adopting the budget proposals.

Explaining the provisions of the Constitution, Union Law Minister P. Govinda Menon said that the Governor enjoyed powers to issue ordinances. Article 209 provided for the regulation by law of procedure in the legislature of the States in relation to financial business. It ensured timely completion of the financial business so that the administrative machinery did not break down owing to lack of financial sanction at the appropriate time.

The ordinance could also lay down that the House would not be adjourned until the business was completed.

The Speaker, he said, had no doubt power to adjourn the House. But it should be for "the legitimate functioning of the Legislature" and not for blocking its normal functioning, Sri Menon said.

Having promulgated the ordinance, the Governor then could resummon the House and send a message under Article 175 asking it to immediately take up not only the financial business but also consideration of the ordinance to give it the sanction of the legislature within the stipulated period of six months.

The Governor by invoking these two Articles thus could ensure that the Speaker was stripped of his powers to adjourn the House at will and that the budget was passed by the end of this month, he said.

One person was killed and another injured in the police firing following a communal clash in Ramanagaram on Sunday night. The situation was peaceful yesterday.

New Kalyana Mantap Opened

Mysore. Mar. 12

Sringeri Jagadguru Srimadabhinava Vidyatheertha Swamiji yesterday declared open the Rs. 1.25-lakh Kalyana Mantap, constructed adjacent to the Abhinava Shankaralaya and named it "Sri Vidyashankara Nilaya."

The Swamiji complimenting the Shankara Samiti said that it had done a service to the people by constructing the kalyana mantap. He said it was a dharmic work to construct a choultry, a temple or a kalyana mantap and thanked the citizens for taking part in it.

The Sringeri Jagadguru suggested starting of a research centre in veda shastra by getting the financial assistance of the Government of India. He also wanted converting the open area around the Shankaralaya into a "nandana vana".

He also recalled the services of late Rao Bahadur M. Ramaswamy, who was the President of the Shankara Samiti. He described him as a "punya purusha".

The function began with veda ghoshti. Sowcar T. Thimmappa, Reception Committee President, welcoming the gathering said that the foundation-stone for the kalyana mantap had been laid by the same Jagadguru four years ago.

The Kalyana mantap when fully completed would cost Rs. 5 lakhs. He also thanked Sri T. V. Krishna Rao for donating Rs. 37,750 in the name of his aunt Smt. Puttaseethamma and the contractors, Sri. V. M. Puthak and T. Kempiah, for their donation of Rs. 10,000.

Secretary T. V. Krishna Rao, in his report, said that the extension work of the kalyana mantap and the research centre would start soon. Sri Agaram Rangiah proposed a vote of thanks.

Earlier, when the Swamiji arrived at Rajendra Circle he was received with all honours by Municipal President B. C. Lingiah, Shankara Samiti President D. V. Narasimharao, Sowcar T. Thimmappa and others.

The Jagadguru went in procession through the main streets. He went by foot from Santhepet to Abhinava Shankaralaya where large number of people had lined up to have his darshan.

At Shankaralaya, he was received with purnakumbham.

STIRS HAMPERING RAILWAYS

The Railways had been seriously hampered because of strikes and agitations in various parts of the country, Railway Minister C. M. Poonacha said in the Rajya Sabha yesterday.

The efficiency of Railways depended on the co-operation of the general public as a whole and the law and order situation in the country, he said.

The Minister added that the performance of the Railways in the coming year could not improve if agitators interfered in their day-to-day working.

POSTCARDS DESIGN TO BE CHANGED

Union Minister for Communication Ram Subhag Singh said yesterday that his Ministry was considering changes in the present designs of postcards, envelopes and inland letters to make them more aesthetically attractive.

Students DemandRejected

Bangalore, Mar. 13

Education Minister Shankara Gowda said in the Legislative Council yesterday that there was no need to implement the four demands submitted by the Bangalore University Students Council.

He said that the Government had adopted the three-language formula and the demand to continue English as the official language and language of administration and of UPSC examinations could not be accepted.

The Minister said that the students had also been told that it would not be possible to accept their demand to continue English till the people of the non-Hindi areas were prepared for the changeover.

The Official Languages Amendment Act had created some confusion mainly in the minds of some students. The Government had taken up the matter with the Centre to clear up the position, he added.

JUDGE STABBED IN SUPREME COURT

Sri Justice A.N. Grover of the Supreme Court was stabbed in the Court hall in Delhi yesterday. The judge was injured on the scalp. He was rushed to the hospital where the wound was stitched. He is progressing satisfactorily.

When the Chief Justice, Sri Hidayatullah, was dictating a judgment at 2-30 p.m., a slim young man in bush shirt and pyjamas whipped out a knife and rushed towards the raised platform of the judges' and made the attack.

The Chief Justice, who was looking at his record, did not notice the assailant, Manmohan Dass, rushing towards him. The assailant pounched on Sri Grover sitting on the left of the Chief Justice and a scuffle ensued. Meanwhile, lawyers rushed and helped to overpower the assailant.

Inspector-General of Police B.B. Mishra said that the police suspected the assailant as a person of unsound mind. The assailant was motivated by a desire to "do something sensational to become famous", according to preliminary enquiries.

Members in Parliament expressed shock at the incident and said it was a very serious matter.

Home Minister Chavan making a statement in both the Houses assured that the Government had made adequate security arrangements to protect Supreme Court Judges.

DONATION FOR TATAYYA'S STATUE

Mysore, Mar. 14

The Municipal Council yesterday accorded sanction for a donation of Rs. 5,000 for the erection of a statue of late M. Venkatakrishnayya in front of the Lansdowne Buildings by the Memorial Committee. President B. C. Lingiah presided.

Mysore, Mar. 14

The valedictory address of the German Language Association will be delivered by Dr. K.H. Geisweid and Dr. R. Zellermann of Maxplanck Institute of Aeronomy, Germany, at 6 p.m. tomorrow in the Junior B. A. Hall of the Maharaja's College.

REJECT HINDI MEETING

Mysore, Mar. 14

The Students' Action Committee will hold a public meeting tomorrow at 6 p.m. at the Town Hall maidan to call for "Kannada Balasiri, Hindi Tiraskarisi" (use Kannada-reject Hindi).

AP RICE FOR MYSORE

Andhra Pradesh will supply 2,000 tonnes of its allotted rice to Mysore soon.

85 Subjects In 10 Minutes

Mysore, Mar. 14

As many at 85 subjects of the agenda were disposed of in less than ten minutes in the adjourned monthly meeting of the Municipal Condcil yesterday.

The reason for the quick disposal was the entire Opposition, having a strength of eight members, was absent. On the ruling party's side only eight members, minimum required for the quorum, were present.

The Council considered as withdrawn a resolution tabled by Opposition member B. N. Kenge Gowda that the Council should conduct the Dasara Exhibition annually instead of the State Government holding it, as he was not present.

However, yesterday's meeting could not better the old record when a few years ago the entire agenda had been disposed of in about seven minutes.

NO RAISE IN I-T EXEMPTION

Deputy Prime Minister Morarji Desai has rejected the suggestion to raise the Income-tax exemption limit from Rs. 4,000 at Rs. 6,000 at a meeting of the Congress Party Standing Committee.

CIRCUS POSTPONED

Mysore, Mar. 14

Kamala Circus, which was scheduled to begin here from tomorrow, has been postponed since the vehicles carrying the animals have been held up between Calicut and Mysore due to rains.

ASSEMBLY ADJOURNED TWICE

Bangalore, Mar. 14

For the first time in its history, the Legislative Assembly was adjourned twice yesterday and no business was transacted as uproarious scenes prevailed in the House.

The disorder broke out when the Opposition members expressed their resentment over the continued absenee of the Chief Minister, the Finance and Food Ministers. With full fury they criticised Sri Nijalingappa's dual role.

RAMA RAO FOR RAJYA SABHA

Sri M. V. Rama Rao, Congress General Secretary and Sri Patil Puttappa for Rajya Sabha and Sri B. Rangappa, Sri K. Kannan, Sri R.G. Dubey and Smt. Leelavathi Shivananjappa for Mysore Legislative Council have been selected to contest the biennial elections by the Congress Parliamentary Board.

WAGONS EXPORT TO RUSSIA

A protocal for the export of 2,000 wagons in 1969-70, rising progressively to 10,000 wagons by 1972-73, was signed in Delhi yesterday.

STUDENTS' SUPPORT FOR KANNADA

Mysore, Mar. 16

"Kannada Balasiri-Hindi Tiraskarisi" (use Kannada-reject Hindi) meeting held yesterday at Town Hall maidan by the Students' Action Committee assured its unstinted support for due place to Kannada.

Student representatives and three Kannada film actors who addressed the public meeting said they were in no way opposed to Kannada being used more and more in the State.

The speakers said that they were opposed to Hindi being thrust on the Southerners, instead they wanted English to be continued as the link language.

Messrs. Srikantiah, Susheelendra, Shivanna, Mohan Padaki, Balakrishna, Satyanarayana and film actors Ganapathi Bhat, Balakrishna and Sudarshan addressed the gathering.

Sri K. Javare Gowda, Action Committee President, presided.

No Groupism In State Congress

SAYS NIJALINGAPPA

Bangalore, Mar. 16

"There is no groupism in the party so far and I do not expect it to develop in future", Chief Minister Nijalingappa said here yesterday.

Sri Nijalingappa, who returned from Delhi, answering questions put by newsmen, said he attached no political significance to the recent events in the State over the succession issue.

Confirming that Sri B.D. Jatti and his friends were in Delhi to express dissatisfaction over the selection of candidates for the Rajya Sabha and Council elections, Sri Nijalingappa said he did not see anything wrong in it.

Asked about leadership, he said that he had no preferences of his own. "I must see that an honest and good man is there to look after the State's affair", the Chief Minister said.

18 Burnt Alive In Faction Fight

So far 18 bodies have been recovered from the house of Yamanappa, which was set on fire in a faction fight on Mar. 15 in Rootgi village near Muddebihal in Bijapur District.

In a dispute over partition of land, it is stated, the enraged crowd set fire to the house by pouring kerosene where all the members of the family had gathered. When one of the victims tried to escape from the burning house he was shot dead.

Police have taken into custody six persons in this connection.

DEVELOP INDEPENDENT THINKING

Mysore, Mar. 18

Dr R.S. Mugali, Professor of Kannada, Bangalore University, advised students to develop independent thinking and express their opinions frankly and boldly.

He was presiding over the annual day celebrations of the D. Banumiah's College here on Saturday.

Opinions expressed should be after careful thinking. For this students have to cultivate the habit of reading books, he said.

Principal H.S. Krishnaswamy Iyengar welcomed the gathering. Student representative Appanna read a report. Vice-Principal M. Ramaswamy proposed a vote of thanks.

"VACHANA BHAGAVATA" IN KANNADA

Mysore, Mar. 18

"Vachana Bhagavata" in Kannada by Prof. K. Venkataramappa and published by the State Adult Education Council was released at a function held yesterday by Sri P. T. Narasimhachar.

Sri Narasimhachar said that reading of such great books made us pure in our thinking and heart. Though our ancestors were not educated, meaning as in the modern term, they knew our culture through these invaluable epics and they were much better than us.

There was a great need for such books being brought out in large numbers to enable the comman man to read them and understand our ancient culture, he said.

Dr. Javare Gowda, Head of the Kannada Department, Manasa Gangotri, who presided, said that we could find our culture fully depicted in three or four great books of our country.

He praised the Adult Education Council for its good work in bringing out "Vachana Bhagavata" as a popular edition in Kannada.

Adult Education Council President M. Mallikarjuna Swamy welcomed the gathering and Chief Executive Officer B. V. Satyanarayana proposed a vote of thanks.

THOTAPPA, MAHARAJA'S COLLEGE PRINCIPAL

Mysore, Mar. 18

Dr. K. B. Y. Thotappa, Head of the Political Science Department, Manasa Gangotri, has been appointed, in addition to his post, Principal of the Maharaja's College in place of Sri S. N. Shanthaveerappa for a period of two years.

Prof. Shanthaveerappa will continue to work in the college as Professor of English.

Dr. K.N. Narayan, Head of the Botany Department, Manasa Gangotri, has been appointed Principal of the Yuvaraja's College for two years, in addition to the post he is already holding.

MLA ESCAPES UNHURT

Mysore, Mar. 18

Sri H.N. Nanje Gowda, MLA, escaped unhurt yesterday afternoon when a lorry coming from the opposite direction dashed against his car near Srirangapatna on Mysore-Bangalore road.

It is stated, when Sri Nanje Gowda was driving the car a lorry came close and dashed against his car and proceeded without stopping. Sri Gowda turned back and made a vain chase. Police are investigating.

'SHOOT AT SIGHT' ORDER

West Bengal Governor Dharma Vira has directed the police that any one found stabbing or indulging in looting or arson should be shot at sight in the areas wherever disturbances occur.

Police fired eight rounds to disperse a violent mob in Central Calcutta yesterday.

In Allahabad over two dozen arson cases were reported yesterday. The total number of deaths in the communal clashes there has increased to three.

Incentives To Lady Teachers

Mysore, Mar. 18

The Education Department was contemplating to provide certain incentives to lady teachers to attract them to work in rural areas, Sri S. V. Jevoor, Director of Public Instruction, said here yesterday.

Presiding over the anniversary celebrations of the City Teachers' Association, Sri Jevoor said that the department was also thinking of allowing teachers to supplement their income.

Health Minister K. Putsawamy, who delivered the valedictory address, said that the standard in primary education was not up to the mark and teachers should see that the standard was raised.

Sri T.V. Thimme Gowda, Joint Director of Public Instruction, who distributed prizes, said that the standard of teaching and percentage of passes were very poor in Mysore Taluk. Teachers should give immediate attention to this, he said.

Civic Chief B.C. Lingiah inaugurated the teachers' Federation. Smt. S. S. Pandit, DDPI, unveiled the portraits of national leaders.

Association President A. M. Mallanna welcomed the gathering. Sri Seshadriah read a report and G. C. Phadke, DPO proposed a vote of thanks.

TRAIN DISASTER TOLL 53

Extrication Work Completed

Mysore, Mar. 21

The toll in the Yalvigi railway disaster near Hubli on Tuesday night has mounted to 53. It includes 9 women and 8 children. The total number of persons injured is 48. Of them, 27 have been discharged after treatment from the hospitals.

According to information received here this afternoon, all the capsized bogies have been removed enabling restoration of normal traffic.

Chief Minister Nijalingappa and Home Minister R.M. Patil visited the accident spot yesterday.

The collision of the Deccan Express from Poona to Bangalore and the passenger train from Birur-Hubli had resulted in the smashing of the two engines, two third class sleeper coaches of the Express next to the engine and two bogies of the passenger train.

The sleeper coaches were packed to the capacity and the casualties were principally from these two bogies. The bogies of passenger had telescoped.

It is stated that the accident was due to an error of judgment by the pointsman in giving the clearance signal to the Deccan Express on the main line where the passenger train was standing.

The Assistant Station Master on duty and the Pointsman have been taken into custody on charges of negligence of duty resulting in the accident.

JUDICIAL PROBE

A High Court Judge, assisted by two assessees, one of them a technical expert, will inquire into the railway accident. This was announced in the Lok Sabha by Railway Minister Poonacha.

Among the dead was a 30-year - old girl whose marriage was to take place in the next fortnight. Nalini, who was travelling with her father, Sri D.R.K.Rao, a chemist in Tata Chemicals, Poona, sustained fatal injuries. Sri Rao sustained severe injuries.

SLEEPER RESERVATION CHARGE

Railway Minister C. M. Poonacha yesterday announced two modifications in his budget proposols.

According to the modified rate the surcharge in respect of three-tier coaches will be Rs. 4 for the first night and Re. one for the subsequent nights. There will be no change in the flat rate of Rs. 4 a night proposed for the two-tier sleepers.

Concessions to passengers like nurses and artistes proposed to be withdrawn will stay.

Legal Remedy For Krishna Dispute

Bangalore, Mar. 22

Public Works Minister Veerendra Patil announced yesterday that there would be no more negotiations and arbitrations over the Krishha waters and legal redress would be sought now to safeguard the State's riparian rights.

He said that the State Government would hand over the entire dispute to the Advocate General to issue a notice to the Union Government in accordance with law.

Sri Patil said: "We have done everything possible to get justice. Our patience has reached the point of exhaustion."

The Union Government has ignored the request of the State Government to refer the riparian dispute with Andhra to arbitration. "Sometimes I feel that the Centre has forgotten that Mysore State is a part of India", he said.

Cut Motion On Cycle Tax Rejected

Mysore, Mar. 23

A cut motion moved by the Opposition members yesterday at the civic budget meeting demanding reduction in the cycle tax by one rupee was rejected by 5 votes to 12.

President B. C. Lingiah was in the chair.

Sri M. N. Thimmiah moving the cut motion said that cycle was a poor man's vehicle. They were eager that the tax should be removed completely but the Government had turned down the Council's plea. Atleast a reduction should be given, he added.

The Congress members opposed the motion and said that though the price of cycles had increased and also its number in the city, the tax had not been enhanced since a long time.

The House also rejected another cut motion of the Opposition demanding the abolition of the Vice-President's office. They said the Vice-President's post was not serving any purpose and an expenditure of Rs. 6,000 was a waste on it.

The Commissioner requested the House for an additional provision of Rs. two lakhs to implement the enhanced dearness allowance to the municipal employees, as announced by the Government recently.

PEOPLE'S SHARE IN EDUCATION

Mysore, Mar. 23

People's participation is very important in the development of education, Vice-Chancellor K.L. Shrimali said here yesterday.

Speaking on the occasion of the first anniversary of the MDTDB College, the Vice-Chancellor praised the example of the Taluk Boards of Mysore District for their joint venture of running a college. He expressed the hope that other taluk boards would follow the same.

Asking the students to develop a spirit of enquiry, Dr. Shrimali said that many of our present problems were due to that we were swayed by emotions than by reason.

Sri S. Varadan, Deputy Commissioner, in his presidential address, said that violence and democracy did not go together. Violence by youth would undermine the growth of democracy.

Sri Karimuddian, Principal, welcomed the gathering. Smt. Swarnalatha, Students' Union Secretary, read a report and Sri N. Subba Rao proposed a vote of thanks.

ANNIVERSARY

Mysore, Mar. 23

The 37th anniversary of Sri Kanyakaparameswari Co-operative Bank will be celebrated tomorrow at 11 a.m. Municipal President B.C. Lingiah will preside. Messrs. D. N. Krishnaiah Setty, C. K. Rajiah Setty and Chandrakantha G. Sindhol will be the chief guests.

FATE OF RURAL INDUSTRIES

Bangalore Mar. 25

The State Government's plan to help set up industries in the rural areas failed because entrepreneurs always preferred big cities. In future the Government would help rural entrepreneurs only against firm commitments from them regarding starting of units in the sheds built by the Government, Deputy Industries Minister Appanna said in the Assembly.

No Rice From Centre

Bangalore, Mar. 25

Union Food Minister Jagjivan Ram yesterday ruled out any allotment of rice to Mysore this year owing to insufficient stocks.

Addressing the Congress workers, he said that the State Government should maximise its efforts for procurement to meet the commitments.

Sri Jagjivan Ram said that he was disappointed that Mysore had not become self-sufficient in food this year. "I was actually hoping that Mysore would be in a position to spare something for me", he said.

He also declared that there would be no revision of procurement prices and controls on the movement and distribution of foodgrains would stay.

CONGRESS HAS FAILED

Bangalore, Mar. 25

If the Congress was losing ground with the people, it was not because the people did not believe in it, but because the party has lost contact with the people. "We have neglected the masses, instead we try to capture power through manipulation", Union Food Minister Jagjivan Ram told the Congress workers here yesterday.

He said industrial estates would hence forth be built only against deposits from prospective beneficiaries.

FILLIP TO PRIVATE SECTOR

Bangalore, Mar. 25

The Assembly was told by Industries Minister Ramakrishna Hegde that the State Goverment would, in future, start industries on its own only in sectors where the private ones could not step in.

He said if the Government could strengthen the working of the existing public sector industries and work them profitably it would continue to run them or otherwise would hand them over to corporations.

BIG UNIT FOR CAR PLANT

The Union Government has decided to establish a big unit in public sector capable of manufacturing a large number of cars.

Announcing this in the Rajya Sabha, Minister Fakruddin Ahmad said that the unit would turn out 50,000 to 60,000 cars per year.

Mysore Varsity Budget

Mysore, Mar. 28

Provisions have been made in the budget estimates of the Mysore University for 1968-69 for extending the benefit of the UGC scales of pay for teachers of Maharaja's and Yuvaraja's Colleges and upgrading the scales of pay of first division clerks and Superintendents in University service.

The budget estimates approved by the Senate yesterday provides for a net receipt of Rs. 1,82,35,867 and an estimated expenditure of Rs. 1,81,28,300 leaving a surplus of Rs. 1,07,567.

The budget also provides for establishing a Mineralogical Institute, extending the activities of the Institute of Kannada Studies, establishing a Student Village in Manasa Gangotri, renovation of the old Residency building near Yelwal to establish an All India Writers' Home, setting up a Centre of Post-graduate Studies in Mangalore and for implementing a num- of new research projects.

RAISE FEES

During the discussion, Sri T.R. Shamanna suggested that the University might consider the feasibility of improving its income by raising the fees to reduce its dependence on the State Government and the UGC.

CHANGE IN MEDIUM

Sri T. S. Rajagopala Iyengar warned against adopting Kannada as the medium of instruction at the degree level. He felt that such a switch-over might lead to eventual loss of inter-University contacts and lowering academic standards.

Sri Channegowda wanted that the University should consider and formulate its stand in regard to the three-language formula. "We need not take a political decision in the matter but we are entitled for an academic appraisal", he said.

1.96 Lakh Pupil For SSLC Exam.

KANNADA AS MEDIUM URGED

Mysore, Mar. 30

Sri C.P. Krishna Kumar yesterday pleaded for Kannada as medium of instruction at all levels.

He was releasing 'Udaya Ravi', collection of poems by Sri U. Chandrasekhara Holla under the auspices of the P & T Kannada Kala Sangha.

Sri Krishna Kumar said that Kannada had not received the due place. Contribution toKannada literature had remained only among particular sections of the society. If common man also should contribute to enrich Kannada literature, it was essential that he should be taught in his mother-tongue, he said.

Sri S. V. Parameshwara Bhatt spoke on "Humour in Life".

Kala Sangha President Venkatesh Sangli welcomed the gathering and S. Narayan proposed avote of thanks.

BENDRE, KARANTH HONOURED

Mysore. April 1

Dr. D.R. Bendre and Dr. K. S. Karanth, recipients of Padma Shri and Padma Bhushan awards respectively, were felicitated by a citizens' committee yesterday at the Maharaja's College Centenary Hall.

The well-known Kannada poet, Sri P.T. Narasimhachar, presided.

After welcome by Prof. D. Javare Gowda, President of the reception committee, Messrs. S.Ananthanarayana, S. Narayana Shetty, N. Shivarama Shastry and M.N.Viswanathiah felicitating praised the contribution made by the two literary giants of Karnataka.

If one found Vyasa Maharshi's saintliness in Dr. Bendre, one could see the challenging spirit in Dr. Karanth. To honour them was to honour ourselves, they said.

Both Dr. Bendre and Dr. Karanth were profusely garlanded by various institutions of the city and outside. They were presented with beautiful bronze statuette.

Dr. Bendre, thanking for the felicitations, said he was happy that people had started recognising knowledge and honouring it.

Either the Padma Shri or Padma Bhushan awards did not make any difference to him. What was more important for him was the feeling of attachment for one another, that they were together at the time of grief and joy, he said.

Dr. Karanth said that knowledge knew no bounds. The nature of inquisitiveness had made him to put questions and probe into various things in life. But never he could be the "Jack of all, but master of all", for knowledge was so vast.

He was neither a novelist nor a writer but an experimentist who tried to understand life and its vastness. He was still posing the question for himself whether he had done his job fully, Dr. Karanth said.

He remarked that he had found the present education a complete failure. An education without purpose and meaning was no education, he said.

The avenues in life were many and knowledge was immense. With love for his job, without aspiring for returns, if one did his job the country would definitely prosper, he added.

Sri Narasimhachar, in his presidential address, appealed to youngmen to give up the attitude of complacency and lack of interest in life, which would destroy a nation.

They should keep in mind the ideals of Dr. Karanth who evinced interest in everything in life he saw and tried to tackle the problems that came.

It was essential to honour such great men as Dr. Bendre and Dr. Karanth who had contributed so much to us, he added.

Sri P. Mallesh proposed a vote of thanks.

Liver Clinic Opened

Mysore, Apr. 1

The need for concentrated study and research on liver disease as the mortality rate among children due to liver disorders was very high in the country, was stressed here yesterday by Dr. Parpia, Director, Central Food Technological Research Institute.

He was inaugurating the liver clinic at the paediatric section of the Chaluvamba Hospital.

Dr. Parpia hailed this scheme as a land-mark in the collaborative efforts of the Chaluvamba Hospital and the CFTRI.

The Civic Chief, Sri B. C. Lingiah, presided.

Dr. Lalitha Lingiah, Dean, welcomed the gathering and Dr. Indira Amla, Vice-Dean, proposed a vote of thanks.

Barium Cloud On City

Mysore, April 2

Barium vapour cloud discharged from the rocket launched at the Thumba Station on Sunday was observed on the city by the Ionospheric Sounding Station, set up recently at Manasa Gangotri, the post-graduate centre of the Mysore University.

The bariu m vapour cloud was seen on Mar. 31 between 7-15 and 8 p.m. at the south-west of Mysore. The station has also collected data about the effects caused by the vapour cloud.

TWO CONVOCATIONS

Bangalore, Apr. 2

The Bangalore University Budget for 1968-69 provides Rs. 30 lakhs for work on the new campus at Nagarbhavi, near Kengeri.

The university will hold two convocations in a year. The second convocation will confer degrees on those who pass out in the supplementary examinations.

A diploma course in English for the benefit of students studying in the Kannada medium, would begin from June.

Honours and post-graduate courses in Sanskrit and sociology will be started in the Central College from the next academic year.

The Senate has approved the starting of a course in modern culture for PUC students and a bachelor's degree course in physical education.

Bombing Halt On Hanoi

An immediate bombing halt over large areas of North Vietnam in a bid for peace was announced by President Johnson on Sunday night.

He said the areas in which 'we are stopping our attacks includes almost 90 per cent of North Vietnam's population and most of its territory'.

The President set no time-limit to the bombing halt, but said even limited bombing of North Vietnam 'could come to an early end if our restraint is matched by restraint in Hanoi'.

STRENGTHENING DEFENCE FORCES

Defence Minister Swaran Singh yesterday informed the Lok Sabha various steps taken to modernise and strengthen the defence forces.

He said that the missile components of the armour would be manufactured indigenously soon. Submarines were now an integral part of the Navy. The process of modernising armour, artillery, air defence, small arms, transport equipment and training was going on.

Johnson Not To Seek Re-election

President Johnson on Sunday night announced that he will not seek re-election next November.

There was a moisture, a trace of tears in the President's eyes when he abruptly disclosed at the end of his address that 'I shall not seek and I will not accept the nomination of my party for another term as your President'.

Mr. Johnson preceded his bombshell announcement with a warning against divisiveness 'and all its ugly consequences'. Unity, he said, 'must not now be lost in suspicion and distrust and selfishness and politics among any of our people'.

He said he reached 'this conclusion (not being in presidential contest) because America's sons in the field far away, with America's future under challenge here at home, with our hopes--and the world's hopes--for peace in the balance every day, I do not believe that I should devote an hour of my time to any personal partisan causes or to any duties other than the awesome duties of this office'.

'I shall not permit the Presidency to become involved in the partisan divisions that are developing in this political year', he declared.

Mr. Johnson said 'Let men everywhere, know that a strong confident, vigilant America stands ready to seek an honourable peace and ready to defend an honoured cause, whatever the price, whatever the burden, whatever the sacrifice duty may require'.

TRAINING IN HORTICULTURE

Mysore, April 2

Forty boys, including ten Harijans, will undertake training in the second batch of horticulture training course which was inaugurated yesterday by Deputy Commissioner S. Varadan at Bannur in T. Narasipur Taluk.

Sri H.G. Abdul Hameed, Superintending Engineer, presided.

Sri Varadan also distributed certificates to the 22 successful trainees of the first batch. He advised them to make best use of the practical training they had received.

Sri Krishnappa Gowda, Vegetable Development Officer, welcomed the gathering.

SECOND MEETING ON BORDER ISSUE

Minister V. C. Shukla announced in the Lok Sabha yesterday that the Prime Minister will shortly convene a second meeting of various groups in Parliament to evolve a national consensous on solving the boundary dispute among Mysore, Maharashtra and Kerala.

ELECTRONICS ENGG. COURSE

Bangalore, April 2

A course in electronics engineering would be started in the University College of Engineering, here from the next academic year.

Vice-Chancellor Gokak announcing said the new course would also mark the golden jubilee celebrations of the college. The grant of Rs. 1.5 lakhs given by the UGC for the celebrations would be utilised to build an annexe to the University Library.

NO UAR ENGINE

Defence Minister Swaran Singh told the Lok Sabha that the United Arab Republic was not likely to produce an engine for the Indian-made HF-24 that would meet India's requirements. 'We are making alternative arrangements', he said.

NO RIFT IN CABINET

Both Prime Minister Indira Gandhi and Home Minister Chavan denied in the meeting of the Congress Parliamentary Party executive that there were differences between them. 'It is farthest from truth and the Central Government is working with one mind', they said.

CONGRESS LOSS

The recent biennial elections to the Rajya Sabha have deprived the Congress of its two-thirds majority strength.

The recent election has reduced the party strength to 142 from 170 in 1966 and 165 on the eve of the poll.

CHECK PRICE, SUGAR TRADE WARNED

Union Food Minister Jagjivan Ram yesterday threatened sugar manufacturers with Government intervention if the price of sugar in open market continued to rise.

He expressed concern at the recent rise in sugar prices and said the Government could not allow this to continue.

Sri Ram warned that if the industry persisted in charging abnormal price for free-market sugar, consumers in the country would be encouraged to develop resistance. He appealed to sugar manufacturers to take cognisance of the warning and co-operate in keeping the price at a reasonable level.

GAIN CONFIDENCE OF LABOUR

Deputy Prime Minister Morarji Desai said yesterday that a management that complains about labour laws does not deserve to be there.

He told the All-India Management Association that it was far more important that the management gained the confidence of all sections.

Sri Desai said he would rather judge a manager by the way he handled the available resources, both human and material.

DCC BANK PRESIDENT

Mysore, April 3

Sri S. Varadan, Deputy Commissioner, who has been also appointed ex-officio President of the District Co-operative Central Bank in place of Sri B. C. Lingiah, assumed charge yesterday.

DEMAND TO REMOVE THACKER FROM PANEL

Both Opposition and Congress members in the Lok Sabha yesterday demanded the removal of Prof. M. S. Thacker as the Chairman of the Industrial Licensing Committee.

They alleged that soon after his appointment to the committee, Prof. Thacker had been offered a directorship in a leading bank and that he had shown hesitancy in rejecting the offer.

'Truth Makes News'

—BENDRE

Mysore, April 3

"Truth Makes News" should be the ideal of newsmen, the well-known Kannada poet Dr. D. R. Bendre said here yesterday.

He was unveiling a portrait of the late N. S. Venkoba Rao, Regional Field Publicity Officer and a former journalist, at the Field Publicity Office, here. Sri P. T. Narasimhachar presided.

Paying warm tributes to Sri Venkoba Rao, Dr. Bendre described him as a 'bank' for capacity and kindness. He was also a person who found talent among the young and tried to lift them up.

His ideal was that whatever news that brought good name to the country should be highlighted, but bad ones should be played down.

'Suddi' comes from 'Shuddi' and wherever there is 'Ashuddi' there will be no news, he added.

Earlier, Field Publicity Officer, Sri M. R. Gaviragappa, welcomed the gathering and read the messages.

Be Alert, Bendre's Call To Journalists

Mysore, April 5

Poet Bendre called upon newsmen here yesterday not to create insensitiveness among people by what they published but keep them conscious of life and activate interest.

Addressing the "Meet the Press" programme at the Journalists' Association, Dr. Bendre stressed the importance of the Journalist's profession and said it was comparable to the breathing of the nation.

At certain level it is not at all a conscience act but an act of unconscious act like breathing, he said.

He told them that whatever they taught through newspapers should be with respect. News before being published should be verified and the truth should get importance.

The role of the newspapers should be to enlighten the people and educate them to distinguish between truth and falsehood, he said.

The people were today more alert and would not take to false and misleading information. Hence, the newsman should be all the more careful, Dr. Bendre said.

Referring to the language problem, he said language was no problem at all. The conflict that we saw today in the name of language was a conflict of feelings.

The conflict was on pro-proprietorship and not on language. Langauge was only secondary. He called the language conflict as "foolish".

The solution, Dr. Bendre said, was in the man himself. He was not aware of even the nearest thing around him. He does not know himself. There was misunderstandihg and everything was mixed up in him.

However, he said, the present period was "the darkest hour before the dawn". The problems would find a solution and settle down, Dr. Bendre hoped.

Earlier, Sri Agaram Rangiah welcomed and Secretary G.Satyanarayana proposed a vote of thanks.

Teachers Rapped

Mysore, April. 8

Education Minister K.V. Shankara Gowda called upon teachers to work with devotion and regain the position and prestige they had lost.

Presiding over the Mysore taluk range teachers and betterment committee presidents conference at the Town Hall, Sri Shankara Gowda said that complaints had bean made in the Assembly that teachers were not going to their schools regularly. Instead, they went behind the village leaders and were taking part in the local politics. This does not speak good for the teachers.

The Minister said that there could be no smoke without fire and the complaints could be true in some cases.

Teachers had occupied the first respectful place in the society. If they had lost that position it was their own making, he said.

The Minister reminded the teachers of their responsibility in shaping the future generation and asked them to work loyally.

He praised the working of the shcool betterment committees, and said they should as far as possible share some responsibility of the Government in the field of education.

Sri S.V. Jevoor, Director of Public Instruction, in his valedictory address, said Rs. 18 crores had been provided in the budget for primary education. Teachers should see that the sum was made best use of.

Sri T.V. Thimme Gowda, Joint Director of Public Instruction, said that he was happy to note the percentage of literates in Mysore taluk had gone up by ten per cent.

Sri M. Rajasekhara Murthy, MLA, distributed prizes to the best teachers and presidents of the betterment committees of the taluk.

Earlier, Sri Channabasapa, Inspector of Schools, welcomed the gathering. Sri D. Jayadevaraj Urs, Taluk Board President, read a report. Sri Sadashiva Murthy proposed a vote of thanks.

BIG INDUSTRIES NECESSARY

Prime Minister Indira Gandhi stated on Saturday that no country could become great without big industries and the Bokaro steel plant was an investment which would go a long way in strengthening the economic base of the country.

She was formally inaugurating the construction of Rs. 670-crore steel plant.

It is very necessary that we should undertake such works to banish poverty, illiteracy and backwardness, she said.

The blast furnace of Bokaro is capable of producing 1,700 tons of pig iron a day. The Bokaro steel plant will produce 1.7 million tonnes of ingot steel.

Nagaraja of Budubudakeri in the city, who was wanted in three cases of theft of idols and silver ornaments at Chamundi Hills, was jailed for one month.

During the period, police booked 1,460 cases under traffic rules and fines amounting to Rs. 3300 were collected.

WITHDRAW LANGUAGE RESOLUTION

Bangalore, Apr. 8

Education Minister Shankara Gowda stated in the Assembly that the Centre should forthwith withdraw the controversial language resolution and replace it with another resolution forcing all the States in the country to strictly implement the three-language formula and insist on all those appearing for Central services examinations answering questions in all the three languages.

ASSEMBLY SUPREME

The conference of the presiding officers of the country's legislatures held at Delhi has proposed that the question whether a Chief Minister has lost the confidence of the Assembly shall, at all times, be decided in the Assembly.

The two-day conference, which concluded yesterday, also proposed that a Governor shall summon or prorogue the legislature on the advice of the Chief Minister.

The conference requested the Union Government to take urgent and suitable steps to evolve a convention in regard to the powers of the Governors to summon or prorogue the legislatures and to dismiss ministries in the light of their observation.

FAIR RETURN

Mysore, April 9

Harijan leaders of the city on Sunday meeting under the chairmanship of Sri K. Siddiah, Municipal Councillor, condemned the incident in Andhra where a Harijan boy was burnt alive.

The meeting in a resolution extended its support to the Andhra Pradesh Chief Minister and the Prime Minister in taking suitable action. It also pleaded for convening a Chief Ministers' conference to check such incidents in the country.

2 MLAS ORDERED OUT IN ASSEMBLY

Bangalore, April 9

Two Communist members were ordered out of the House by the Deputy Speaker when noisy scenes prevailed in the Assembly yesterday.

Sri M.S. Krishnan (Com) through a supplementary, wanted to know how many of three co-operators involved in fake-note cases belonged to the Congress party. "It looks that only Congressmen are bent upon making money", he added.

The Home Minister in retort said: "An examination in detail appears to show that more Communists were involved". This touched off noisy scenes and 16 Opposition members walking out as a protest.

Social Control On General Insurance

A Bill for effective control on general insurance was moved by Deputy Prime Minister Morarji Desai in the Lok Sabha yesterday.

The Insurance (Amendment) Bill, 1968, empowers the Central Government to acquire the business of an insurer on payment of compensation. But this provision is only permissive and not mandatory.

The Bill provides for more effective supervision and control by fixing premium rates, appointment of officers and directors and investments and their assets.

It also places restrictions on share holding and voting rights and increase in the deposit of Rs. 20 lakhs for one or more classes of insurance business.

The Controller of Insurance will have power to carry out inspections, seize books and records and recommend amalgamations of firms.

SHEEP BREEDING FARM

Bangalore, Apr. 11

The Assembly was informed by Minister Devaraj Urs that the Government would rear the best available mutton-yielding breed of sheep on a 500-acre farm near Malavalli, in Mandya district.

He also disclosed that the Central Government had been promised 5,000 acres of land in the State for rearing a new pedigree of sheep.

NO BASE FOR RUSSIA

Defence Minister Swaran Singh told the Lok Sabha that India did not think that with the withdrawal of the British presence east of Suez, a power vacuum would come about.

He categorically stated that India was not giving facilities to the Soviet Union to establish a base on the Indian coast. 'We have no intention of asking for any help from the Soviet Union or the USA or any other country'.

LANGUAGE AMITY LIES WITH NORTH

Sri Nijalingappa, Congress President said, yesterday at Bombay that the solution to the current language problem lay in the Hindi States adopting a non - Hindi Indian language.

He said the Congress Working Committee's decision on the three-language formula must be accepted.

MINISTER WARNS LABOUR

Bangalore, April 11

The Government would not tolerate intimidation and violence on the part of labour, Labour Minister Devaraj Urs warned yesterday.

He said the tendency of workers to resort to unconstitutional methods had lead to a slowing down of production and deterioration in industrial relations. There appeared to be a tendency on the part of a section of the workers to shirk work, Sri Urs said.

The Minister also blamed the labour leaders and the inter-union rivalries were responsible for it, he said.

BORDER DISPUTE

Congress President Nijalingappa said at Bombay yesterday that he would do his best to solve the boundary disputes between Mysore and Maharashtra and Mysore and Kerala.

He said: "I should do my best to solve the issue. As President of the Congress, st is very difficult for me to disclose how and what I would do What I say, may have repercussions in the States concerned".

OVER 50 DEAD IN FERRY CAPSIZE

COMMENDABLE WORK

Mysore, April 12

A cash prize of Rs. five would be paid to the woman who underwent IUCD operation and Re. one for the motivators who brought them to the centre, Smt. Leela Anjanappa, President of the local Makkalakoota and Family Planning Centre, said here yesterday.

Explaining the progress made by the Centre to the newsmen, she said the centre started in 1965 covered the south of Mysore City (40,000 population). So far 401 loop inserations and 14 operations had been done and 340contraceptives supplied.

She said free advice for ladies by a lady doctor was available between 2 and 5 p.m. on Tuesdays and Fridays and for men on Mondays and Thursdays. Contracepetives were given free of charge between 2 and 5 p.m. on all days except Wednesdays.

Smt. Leela said the field staff had been concentrating on slum and labour areas. She appealed to the people to take advantage of the facilities provided in the Centre.

Dr. Rama Rao and Dr. Lalitha were present.

DACOITS KILL COP, KIDNAP 20 MEN

An armed gang of dacoits shot dead a sub-inspector of police and kidnapped 20 passengers of a Government Roadways bus on the Agra-Kheragargh road, about 20 miles from Agra.

More Cholera Deaths

Mysore, April 12

With four more deaths in the city, the cholera epidemic toll has increased to nine yesterday. The number of persons admitted to the E. D. Hospital is 98.

Disclosing this at the adjourned meeting of the Municipal Council, President B.C. Lingiah said that all precautionary measures have been taken to combat the spread of cholera.

Besides the health staff of the municipality, services of six doctors have been taken from the K. R. Hospital for mass inoculation. So far 30,000 people have been inoculated, he said.

As the number of patients at the E. D Hospital is increasing, it has been proposed to put up temporary sheds for providing more beds. At present the bed strength there is only 40.

Members, who expressed their concern over the increasing number of deaths wanted all preventive measures to be undertaken in all parts of the city.

They wanted surprise checking of hotels and if necessary closure of all the hotels also. All jathras around Mysore should be suspended for one or two years in order to check the regular occurance of cholera, they suggested.

96 m. Tons Food Output

The food production this year would exceed 96 million tons.

Disclosing this in the Lok Sabha, Minister Shinde said a new class of farmers were coming in the country and they knew when to utilise fertilisers and the value of good seeds. 'Never before in the history of agriculture has such enthusiasm as we see now', he added.

CONSTABLE ARRESTED

Mysore, April 12

Constable Lingiah of the Dismounted Police Company has been taken into custody yesterday on alleged charge of attempting to burn alive a person.

It is alleged that Lingiah tied the hands of Narayana of Kurubara Halli and poured kerosene on him and attempted to set fire. Narayana is stated to have been rescued by Yusuf Agha.

Naryana, who was admitted to the K. R. Hospital, is progressing.

HOMAGE TO MARTIN LUTHER KING

Mysore, April 12

The City Municipal Council yesterday paid homage to Dr. Martin Luther King, the American Negro leader, who died at the hands of an assassin. Sri B. C. Lingiah, President, moved the condelence resolusion. The members observed a minute's silence.

Atomic Energy For Food Output

The Lok Sabha was informed by Minister Shinde that the country will press in atomic energy to step up food production and a nuclear research laboratory will be established at the Indian Council of Agricultural Research.

FOLLOW MAHAVEER TEACHINGS

Mysore, April 12

Health Minister Puttaswamy yesterday called upon the people to follow the teachings of Mahaveer in day-to-day life.

Presiding over the Mahaveer Jayanthi at the Town Hall under the auspices of Sri Jain Sangh; the Minister said that the bane of our people was they preached the teachings of great men like Mahaveer and Bhudda without following them.

He said that the basic teaching behind all dharmas were the same and it was being taught by greatmen according to the period in which they lived. Mahatma Gandhi was also one of them who taught the principle of Ahimsa according to the framework of the twentieth century.

Pandit Srikantha Shastri of Vynad spoke on "Lord Mahaveer". Sri Mahaveer Prasad welcomed the gathering. Sri Uttam Chand spoke and Sri Sohanlal Kothari proposed a vote of thanks.

No Rice Sufficiency

Union Food Minister Jagjivan Ram yesterday hinted that it may not be possible to procure the targetted seven million ton kharif grains.

He was not guided by ideologies on the question of procurement. Sri Ram said no one method had given maximum results.

The Minister clarified that the bumper crop did not mean self-sufficiency or surplus production of rice that Kerala claimed. He was trying in various parts of the world to procure rice but had not succeeded yet.

DECLINE IN MURDER CASES

Mysore, Apr. 15

There was a decline in the number of murders in Mysore District during 1967-68. 28 cases were reported in 1967-68as against 40 in the previous year, Sri Bagilthaya, Superindent of Police, told newsmen yesterday.

As many as 516 cases of house-breaking and thefts were reported and 54 percent were detected as against 496 in the previous year.

Number of theft cases fell from 894 to 843.

There was a rise in the number of cases of theft of copper wire from 12 to 52. Out of 30 cases detected, an ex-employeee of the Telegraphs Department was responsible for 12 cases.

The district continued to be free from dacoity and robbery.

Crime Prevention Week

Mysore, Apr. 15

A national crime prevention week will be celebrated by the police at the Central Police Station buildings in Nehru Circle from tomorrw.

Sri S. Varadan, Deputy Commissioner will inaugurate the Week at 10 a.m- Sri Kegal DIG will preside.

An exhibition showing the recovered stolen properties will be held at the Central Police Station. It will be opened daily from 9 a.m. to 1 p.m. and 4 to 8 p.m.

The exhibition will also highlight how crimes are committed and how the public should conduct themselves, SP Bagilthaya told pressmen yesterday.

KENGAL FOR 3-PRONGED REFORM

Bangalore, Apr. 15

Sri K Hanumanthaiya, MP and chairman of the Administrative Reforms Commission, yesterday called for a three-pronged reforms in the country to save it from the crisis confronting it.

He told newsmen that self-government should immediately be replaced by good government, the country should aim at self-sufficiency in the industrial field and the people should reject secularism and develop a spirit of reconciliation in the midst of diversity.

Wireless Chowkies

Mysore, Apr. 15

There was a proposal to set up wireless chowkies on the main highways includingMysore-Bangalore road, on the lines of Madras, to check the over-speeding of motor vehicles.

Police Superintendent Bagilthaya disclosing this to newsmen yesterday, said that there was an increase in fatal motor accident cases in Mysore District during 1967-68.

About 13,479 cases under Motor Vehicles Act were detected as against 12,190 in the previous year and a sum of Rs. 18,000 was collected as fine.

CHOLERA IN CITY

Mysore, Apr. 15

There were 19 cholera cases reported in the city yesterday with one death, bringing the death toll to 16. The number of cases admitted in E. D. Hospital was 179.

So far 1.20 lakh people have been inoculated.

Sri Omprakash, President of the Hotel Owners Association, has assured the municipal authorities that they would fully cooperate in checking the spread of cholera by taking all precautionary measures.

MONTHLY RELEASED

Mysore, Apr. 15

'Manava', a Kannada monthly was released on Saturday by Sri Khadri Shamanna, at the Gandhi Vichara Parishat.

Sri G.H.Nayak presided. Sri Shivaram Ithai welcomed the gathering. Sri P. Mallesh proposed a vote of thanks.

Mysore Tops In Vice Cases

Mysore, Apr. 15

Mysore District tops the list in the detection of cases under the Suppression of Immoral Trafic Act.

There were 1,119 cases in 1967-68 as against 900 in the previous year, far exceeding the number of cases detected in all other districts in the State.

Sri Bagilthaya, Superintendent of Police, revealing to newsmen here yesterday said unless rehabilitation and detection went hand in hand, the problem of prostitution and beggary could not be solved.

He said the police can clean the city from beggars and women trafficking in immoral activities. But they cannot transfer the problem to other areas.

Ram's God

Union Food Minister Jagjivan Ram said yesterday that he was determined to satisfy the peasants whether 'I please God or not'. He would not rely entirely on the mercy of God. 'I have to depend on the mercy of the peasants'.

The Minister said he would, therefore, not lower the prices of agricultural commodities, whatever experts might advise. The Indian peasant had always received lower returns in a period of higher production.

Sri M.D. Nanjundaswamy is the chief editor of the monthly.

SVD TEAM TO MEET PRESIDENT

The deputation of Uttar Pradesh Samyukta Vidhayak Dal leaders will meet President Zakir Hussain today to plead for deferment of any decision to order a mid-term poll in the State.

The deputation will also ask that the conflicting claims of majority be verified in any manner the President desired.

The Swatantra Party has decided to quit the SVD in Uttar Pradesh and remain neutral in the current tangled political situation in the State.

INDUSTRY PANEL

A working group of the Administrative Reforms Commission has suggested setting up of an industry commission every five years to assess the industrial progress in various fields and to suggest measures to remove the imbalances.

Small and compact development boards, manned by technical personnel and assisted by economists and management experts, have also been suggested for important industries which have grown in dimensions.

These boards should fix targets for specific industries, furnish tehnical advice to the Government and other statutory organisations and suggest necessary imputs. They should be vested with powers to match their responsibilities.

CALL TO ENFORCE PROHIBITION

Smt. Yashodara Dasappa, a former Mysore Minister yesterday called upon Probibition workers to take an oath to get Probibition enforced throughout the country by October 2,1969.

POOR LEADERSHIP

Bangalare, April 15

Sri K. Hanumanthaiya, MP, yesterday addressing newsmen spoke strongly about the bloating ministries in practically all the States and regretted that they should be led and manned by people who distinctly lacked the qualities of leadership. Swaraj had become 'swartharaj' and a feeling was unfortunately developing that one could stoop to any level to gain a place in the cabinet.

Defence Exhibition On Rails

Mysore, April 20

The metre gauge "Raksha Pradarshini Train", Defence exhibition on wheels, was inaugurated yesterday by Transport Minister Mohammad Ali at the City Railway Station.

The exhibition, which made its first appearance in the State here yesterday, will be open for public till April 22 daily between 3 and 8-30 p.m.

The Minister described the exhibition as a "unique" one. It would give moral strength to the people by showing in what way our country could be defended by our armed forces.

Sri Mohammad Ali paid glowing tributes to the armed forces for their gallant show put up during the Chinese and Pakistani aggression.

He said until Chinese agression, very few people had considered seriously of the problems of defence.

The Minister said that every citizen had to contribute on way or the other to the defence of the country.

He expressed his confidence that India would become one of the foremost countries so far as its military strength was concerned.

Sri S.S. Marwah, Defence Exhibition Train Officer in-charge, said the main object of the exhibition was to associate people in defence activities.

He said at present two "Raksha Pradarshini Trains", one in metre gauge and the other in broad gauge, were visiting the important places in the country. They would be on tour for about four years.

Sri M D. Mariputtanna, Director of Information and Tourism, welcoming said that the metre gauge exhibition train had so far visited 23 places in Madras and Andhra.

Punish Black-Marketeers

Mysore, April 22

Respect rule of law and respect those who implement them, Sri R.V. Kollali, Distrtct and Sessions Judge said here yesterday.

Delivering the valedictory address of the National Crime Prevention Week at the Central Police Station, he called upon the police to see that prevention of crime was not merely made limited to a week or a fortnight but implemented all through the year.

Deputy Commissioner S. Vardan, who presided, stressed the need to punish the anti–social elements like black–marketeers and hoarders.

He wanted the vicious circle of giving and taking bribe should be broken. There could be no acceptance of bribe unless there was an offer made, he said.

Messrs. T. Venkataramaniah, Agaram Rangiah and S. V. Parameswara Bhatt also spoke.

Sri P. J. Bagilthaya, Superintendent of Police, proposed a vote of thanks.

NO ADVANTAGE IN N-WEAPONS.

Prime Minister Indira Gandhi stated in the Lok Sabha that nuclear weapons were no substitute for military preparedness and nothing would serve better the interests of those who were hostile to India than 'for us to lose the sense of perspective' on this score.

She said while the policy on atomic energy was to use it for peaceful purposes such as producing power and isotopes,' no less basic are the efforts to attain self-sufficiency in space research'.

India's policy, she added, had been framed after due consideration of national interest and specifically with regard to national security. She assured the House that the Government regarded this as of paramount importance.

Use Low-Power Pumpsets

Mysore, April 29

Sri B. P. Radhakrishna, Director of Mines and Geology, Government of Mysore, yesterday stressed the need to use low-power immersible pumpsets of 0.5 HP in large numbers for irrigation instead of the high-power pumpsets.

Sri Radhakrishna conducting a discussion on "Sub Soil Water Resources" at the Maharaja's College Centenary Hall under the auspices of the Institution of Engineers, Mysore City Sub-Centre, said that the investment on high-power pumpsets was an idle one.

With a high-powered pumpset like a 10 HP, the entire well would be emptied within one or two hours keeping the entire power line idle for the rest of the day, he said.

Stressing the importance of both surface and ground water for irrigation, he said the tendency was to forget the importance of sub soil water as it was not perceptible to the eye.

Prof. M. N. Viswanathaiah, Messrs. N.K. Iyengar, Manjunathaiya, Thomas Carter and Donald Fox of the American Peace Corps participated in the discussion which was presided over by Sri Doddiah, Institution President.

BETTER LABOUR CLIMATE URGED

The study-group on productivity and incentives appointed by the National Commission on Labour has suggested a more positive role for the Government in creating a better climate.

It is pointed out that there is a broad feeling among workers that the structure of industrial ownership and industrial management is such that benefits of improved labour productivity do not accrue to workers in sufficient measure.

There is also a feeling that in the formation of broad social and economic policy, the needs and aspirations of workers do not get adequate consideration. In such a situation, it is difficult to expect workers to feel particularly enthusiastic about increasing productivity.

The group feels that it is the responsibility of theGovernment to provide such political and economic climate by formulating the appropriate policies and implementing them effectively.

CONG. MOVE ON MINORITIES OPPOSED

The executive of the Jan Sangh yesterday strongly opposed Congress Working Committee's recent proposal to set up a separate department at the Centre as well as in the States to look after the representation of minorities in services.

The executive made it clear that it was opposed to any discrimination in services on grounds of religion.

This would on the one hand give a fillip to feelings of separation and on the other would seriously impair the efficiency of the administration.

TRIBUTES PAID TO VENKATARAMANIAH

Mysore, Apr. 30

Tributes were paid to the selfless services of Sri T. Venkataramaniah, Chairman of the City Improvement Trust Board, at a function held yesterday at the Townhall.

Sowcar T. Thimmappa, Chairman of the Reception Committee, welcomed the chief guest.

Labour Minister Devaraj Urs, Smt. K. S. Nagarathnamma, MLA, Dr. A. N. Narasimhiah, Sri H. Kempegowda and Sri Syed Abdul Rehman spoke.

Sri K.V. Anantharamiah presented an address on behalf of the committee.

Sri Agaram Rangiah read the messages.

The PCC President, Dr. Nagappa Alva, who presided, deplored that there was a growing band of people in the country who wanted to secure places of power and make money at any cost. These people had no qualms of consciences and adopted all means to achieve their sinister ends. There was urgent need for people who would without fear spotlight the evil and evildoers.

Sri B. S. Subba Rao proposed a vote of thanks.

Family Planning In The State

Bangalore, April 30

Mysore State with a population 2,60,00,000 has about 88,40,000 married population in reproductive age. Realising the great importance of checking the multiplying numbers, Mysore Government has taken keen interest in vigorously executing the family planning programme.

During 1967-68, a total of 18,63,287 pieces of conventional contraceptives have been distributed to eligible couples. Upto the end of January this year 2,23,042 sterilisations took place i.e., 5 per cent of eligible couples have undergone sterilisation operation.

The IUCD placements started in June 1965 reached 2,00,708 by the end of January this year i.e., 5 per cent of eligible women have got IUCD placements.

A target of 1,68,940 sterilisation, 1,12,626 IUCD placements and distribution of 1,68,940 other conventional contraceptives has been set for the current year 1968-69.

Chitradurga and Hassan Districts which exceeded 200 per cent of their targets in sterilisation occupied first and second places during 1967-68. Mandya District took third place with an achievement of 163.2 per cent.

Nine Districts of Mysore State exceeded the targets fixed for them in sterilisation operations during 1967-68.

ENHANCED POSTAL RATE STAYS

Deputy Prime Minister Morarji Desai yesterday ruled out in the Lok Sabha any modification of the increase in the Post and Telegraph tariffs already announced.

But he announced some minor modifications in his budget proposals for 1968-69, including total exemption from the excise levy for smaller units in steel furniture and confectionary industries.

Sri Morarji said that 'the improvement in the economic situation in general holds out the prospect of our being able to embark on a renewed tempo of economic development during the Fourth Plan'.

DISMISS AP MINISTER

A memorandum signed by more than 50 MPs from all parties have been submitted to the President and thePrime Minister demanding the immediate dismissal of Sri Thimma Reddy, Andhra Pradesh Agriculture Minister.

The memorandum says that the reported remarks by the Minister about the Harijans were an outrage on the sentiments of more than 100 million people and that he had no right to continue as a Minister.

The progress of IUCD placements is fairly satisfactory in Bangalore Urban District and they have covered 59.9 per cent and 49 per cent of the targets set for them during 1967-68.

20 PC CUT IN ENGG. ADMISSIONS

Bangalore, Apr. 30

The State Board for TechnicalStudies has made three proposals to the Government to combat the grave unemployment of engineers in the State.

They are diversification of courses, increasing the Government of India stipend to those graduates attached to industries and reduction in the intake of students to both engineering colleges and politechnics by 20 per cent.

According to the manpower survey report of the Government, the problem of unemployment is particularly serious among civil engineers and generally in all categories of diploma-holders.

Heavy Land Revenue In Arrears

Mysore, May 31

Sri R. Srinivasan, Divisional Commissioner, addressing the Revenue Officers of Mysore District said that arrears of Rs. one crore and thirty five lakhs under land revenue and surcharge on land revenue remained to be collected on May 1, the arrears under taccavi are over Rs. 12 lakhs, under land improvement loan over Rs. 7 lakhs and under flood loans over Rs. 5 lakhs in the district. He called for proposals from the Revenue Officers for remission of land revenue for the year 1965-66, in cases where the crop-wise yield was less than twentyfive per cent.

The Divisional Commissioner stated that over ten lakhs patta forms for distribution to land holders, in Mysore District, on payment of a fee of fifty paise for each form, are under print. The new patta form will give complete details regarding the holding of each ryot and will form the basis far making available quickly credit facilities to the farmers.

Sri R. Srinivasan called on the Taluk Officers to prepare immediately an integrated programme of development works, at the Taluk level for the current year.

He stressed the importance of holding the Taluk Co-ordination Committee meetings at least once a month with a view to dispose of pending inter-departmental business and to implement effectively, the various development works.

The Revenue Officers were directed to ensure that the programme of sinking irrigation wells at the rate of ten wells in each taluk affected by scarcity conditions is taken up quickly.

TEACHERS TOO TO BE BLAMED

Mysore, May 1

Sri T.P. Minakshisundaram Pillai, Vice-Chancellor, Madurai University, addressing the gathering of the Principals of various Colleges of Education in the Southern Region here at the Regional College of Education, on Sunday, deplored that for too long had we blamed students alone for their failure in the University. It was time, he said, that the search light was turned toward the teaching community. He commented upon the routine nature of educational programmes in this country. He felt that courses of this kind not only restrict the growth of thinking ability, but were responsible for the numerous manifestations of student unrest.

At the conference, Principals had gathered together to discuss common problems in the field of teaching training and to find ways and means of improving the programmes. Special interest was focussed on the work of the University of Kerala which had initiated and implemented a new curriculum and a new approach to teaching and evaluation in the B.Ed. programme. Later, action plans were formulated toward total improvement of teacher education in the various Universities.

FAITH IN FAMILY PLANNING

Mysore, May 1

To the utter amazement of the Field Workers and contrary to popular belief that elders at home dislike Family Planning methods, an old woman recently entered into the Makkalakoota Family Welfare Planning Centre with not only her daughter bu also her daughter-in-law to seek medical advice for permanent stopping further growth of their families.

Her daughter had 5 children and the daughter-in-law had 3. While acceptable advice was possible for the latter, the former could not be helped because the sixth one was in the offing.

According to the Social Worker Smt. Sulochana Niranjan Raj Urs, it was for the first time that the clinic had seen an old woman with firm faith in Family Planning.

Plea For Sanskrit Study

Mysore, May 3

Dr. V. Raghavan, Professor of Sanskrit, Madras University, called upon here onWednesday to make determined efforts to develop the study of Sanskrit in the country.

Inaugurating the three-day Sanskrit Seminar at Manasa Gangotri, Dr. Raghavan said Sanskrit gave the message of co-existence and had performed the role of consolidation for over 4,000 years.

Sanskrit held the position of lingua franca for a long period. It flourished on the tongues. There was no need to make fuss about the simplicity of Sanskrit. What was needed was a desire to study it.

Emphasising the need to know our heritage by reading our classics directly from Sanskrit, he said in politics, linguistic chauvanisims and other fields we seem to have lost sight of our great culture today. By studying classics in their original the values for which our country stood could be understood. That is why Sanskrit study had a greater relevance today, he said.

Dr. Raghavan also called upon for liaison between the old pandits and the modern scholars.

Vice-Chancellor Shrimali, who presided, said that if we want to reconstruct our society on solid foundation we could do it only by preserving our rich values and heritage. But unfortunately Sanskrit which was the symbol of our heritage had fallen to evil days. If Indian society had to survive, Sanskrit had to be revived, he said.

Dr. G. Marulasiddiah, Seminar Director, welcomed the gathering and Sri B.K. Shivaramiah proposed a vote of thanks.

Make Sanskrit Compulsory Study

Mysore, May 4

Prof. K. B. Y. Thotappa Head of the Political Science Department, Mysore University, yesterday blamed the policy makers of the country for not giving due place for Sanskrit.

Presiding over the valedictory of the three-day Sanskrit Seminar, he said: "Our policy makers have made humbug of our educational policy without including Sanskrit as a compulsory study in secondary stage".

Sanskrit could be made a compulsory study in the secondary stage and the possibility of it should be considered. This would make regional languages richer, he said.

Dr. Thotappa suggested to the Mysore University starting of a post-graduate diploma course to enable the learning of Sanskrit by all.

Prof. N. Shivaram Sastry, retired Professor of Mysore University, in his valedictory address said education would be incomplete without the study of Sanskrit.

If Sanskrit had fallen to evil days, it was not because that there was something wrong with Sanskrit, it was due to the fault in our outlook, he said.

Sri Shivaram Sastry said that Sanskrit should not be indentified with religion, caste or anything else. The ideal should be that Sanskrit literature and the language should survive in its purity, richness and glory. Everything that was necessary to achieve this should be done, he added.

Dr. G. Marulasiddiah, Seminar Director, welcoming the gathering said, that representatives from Bangalore, Madras, Delhi, Venkateswara, Karnatak, Andhra, Kerala and Mysore Universities took part in the seminar.

Sri S. Varadachar proposed a vote of thanks.

Place For Sanskrit Urged

Mysore, May 4

The Sanskrit Seminar which concluded here yesterday urged the Union Government for including Sanskrit as a composite course in the three-language formula with either the regional language or Hindi.

This suggestion is in accordance with the recommendation made by the Sanskrit Commission.

According to the Seminar, students who know the regional language or Hindi, can chose Sanskrit also distributing the study hours equally between the two languages.

In another resolution, the Seminar suggested to the State Education Minister opening of Oriental Secondary Schools, as in the neighbouring States, wherein Sanskrit study is also included.

It also suggested the opening of Central High Schools in Mysore and Dharwar and appointing a Sanskrit teacher in all schools.

The Seminar requested the Mysore University to reintroduce Sanskrit in the Indology course. Indology course without Sanskrit study will not be complete, it observed.

MARRIAGE OF CONVENIENCE

Congress President Nijalingappa yesterday described the United Front Governments as those of 'vittavars and kettvars' (deserted and divorced people'). How can such marriage of convenience prosper and how can they live together, he asked, speaking at the Kerala Pradesh Congress Conference at Kottayam.

He said the people were tired, disillusioned and disgusted with the splinter-group Governments.

These splinter groups had made use of the administration for strengthening their parties and not done anything for the common man.

'Look at your own State Kerala. The Education Minister belonging to the Muslim League sanctions schools as he likes. The Chief Minister says he did not know about it'.

CONCERN OVER PRICES

Union Food Minister Jagjivan Ram yesterday expressed concern that while prices of foodgrains had declined as anticipated, the prices of other essential commodities had not come down proportionately.

It was a matter of concern for the Government, employees and the agriculturists that while the foodgrain prices had gone down, it had little effect on the cost of living, because the prices of other essential commodities had not fallen to the extent they should have.

PAK SEIZES INDIAN HOTELS

The Lok Sabha was told by Minister Dinesh Singh that India had protested to Pakistan against utilisation, transfer and disposal of Indian properties and assets and reserved its right to claim full compensation for the loss and damage of such properties.

He said according to Pakistani press reports, Rawalpindi had declared four hotels in West Pakistan owned by Indian companies as enemy property and had allowed the Pakistan International Airways to purchase them.

India Vigilant To Pak Mischief

Union Home Minister Chavan assured the Lok Sabha yesterday that both the Union and the Jammu and Kashmir Governments were wide awake and vigilant to the danger posed by Pakistan's training infiltrators for sabotage activities in Kashmir.

The Home Minister said Pakistan described its agents in different names but the Central and State Governments are vigilant and are confident that with the cooperation of the people all such designs against the security of the country shall be defeated.

Sri Chavan said the Government was also carefully watching the activities of Sheikh Abdullah, but it did not want to rush into taking any action.

Denying Jan Sangh leader Balraj Madhok's charge of the existence of a climate of uncertainty in the State, Sri Chavan said: 'There is no uncertainty as far as we are concerned. India was completely certain about its position. Our position is very firm. We should think from a position of strength and reasonableness'.

Engg. Deqartment Flayed

Mysore, May 10

Both Congress and Opposition members of the City Municipal Council yesterday came down heavily on the working of the Engineering Department of the Municipality.

Messrs. H. N. Muddiah, K. Siddiah, H. Kempe Gowda, Chikkarangappa and B. G. Das said that discriminative policy had been adopted in giving building licences.

The overseers and officers of the department were not discharging their duty efficiently, they complained.

Sri H. Kempe Gowda alleged that a shop at Srirampet had encroached the municipal land on drainage. He urged the President to take immediate action.

Sri Chikkarangappa gave an instance wherein a licence had been issued to a owner whose mohatarfa was in arrears.

President B. C. Lingiah informed him that the owner had to pay Rs. 785 as mohatarfa arrears and the licence issued had been cancelled.

Sri Chikkarangappa wanted an enquiry into the malfunctioning of the department.

Members also complained of accumulation of debries in many places in the city. The sweepers were not cleaning the roads regularly, they said.

CHILD KILLED FOR JEWELS

Mysore, May 10

Three cases of uttering 2-rupees counterfeit notes were reported during last month in the distsict, according to the police report.

A case of murder for gain was reported from K. R. Nagar. A child aged about 9 years was killed and her jewles were robbed by a woman. She has been caught and is being prosecuted.

Eighteen cases of food-grain smuggling to Kerala were detected involving 175 quintals of grains. One lorry, one jeep and one bus were seized.

Theft of copper wires continued to be rampant. Elven cases were reported. It is suspected that some of the employees of the P and T Department are responsible for these offences.

There was marked decrease in property offences during the month. There were 121 cases as against 138 reported during the last year. 40 cases of burglary were roported and 15 of them detected. 61 cases of thefts and six cases of cattle lifting were also reported.

As many as 1,300 cases were booked under Motor Vehicles Act and 73 cases under Suppression of Immoral Trafic Act in women and girls.

PUNJAB BUDGET HELD VOID

A Special Bench of the Punjab and Haryana High Court yesterday unanimously held that the two Punjab Appropriation Acts 1968 (Punjab budget for 1968-69) were ultra vires of the Constitution and hence invalid.

The court, by a majority judgment, also held that the Punjab Ordinance regulating the financial business of the Assembly was also ultra vires of the Constitution.

It rejected the prayer made on behalf of the State of Punjab to stay the operation of the order. However, the application for leave to appeal to Supreme Court was granted.

The court accepted the two writ petitions challenging the legality of the passage of the Punjab budget for the year 1968-69 and the Ordinance regulating the financial business of the Punjab Vidhan Sabha.

The Chief Justice held the ordinance legal and constitutional but the four judges held it ultra vires of the Constitution.

Sri M.C. Chagla, former Union Minister, represented Dr. Baldev Prakash and others and R.K. Garh appeared on behalf of Sri Dang, United Front MLA. Sri Nambyar appeared for the State of Punjab.

Convention For Communal Harmony

Mysore, May 13

An all-party convention will be held in mid-June either in Mysore or in Bangalore to bring about communal harmony in the State.

Some of the important national leaders, religious leaders and other prominent citizens would be invited to the convention. The convention will constitute a State-level consultative committee to deal with communal clashes. It will be a standing body which woud act quickly whenever signs of communal tensions were seen.

Messrs. Mir Noor Hussain and T. V. Srinivasa Rao of Mysore and Messrs. Mohamed Ismail Tabish and Ahamedulla Khan are the convenors ofthe convention.

Sri Mir Noor Hussain told a news conference last evening that communal tensions and riots were increasing in the country. He regretted that a cult of hatred was being preached by certain persons and parties. It was the duty of the leaders of all communities to create public opinion against this menace, otherwise there would be chaos and anarchy in the country.

Sri Noor who visited Mangalore recently along with other convenors, regretted that a trivial clash between two drunkards of two different communities should have led to communnal rioting. He also deplored the sacrilegous acts against holy places and seriptures in Mangalore.

71 Burnt Alive In Fire Mishap

71 persons, mostly women and children, were burnt to death and over a hundred received injuries in a fire disaster in Gopuvariguden near Vijayawada in Andhra Pradesh on Friday night when the flames of a petromax lamp burnt down a marriage pandal. The marriage party was trapped in the pandal which was enclosed by a six-feet-high walls with only one exit.

It is stated that a photographer who wanted to take snaps of the bridegroom asked one of the servants to hold a petromax lamp high. As the lamp was raised the flames leapt and caught the decoration material of the pandal and soon spread all round.

TAP WATER AT B.R. HILLS

Mysore, May 13

The officials of the Public Health Engineering Department earned the gratitude of thousands of pilgrims making available tap water for the first time in B.R. HILIS on the day of the annual Car festival of the Lord Biligri Ranga on Thursday. The work under the National rural water supply scheme was completed within less than three months at an estimated cost of Rs. 1,40,000. A pump house with a 50 feet borewell near Gangadhareshara Temple in Shwethadri mountain having a supply capacity of 1000 gallons per hour carries water in a 7000-feet pipe line to the reservoir of 10,000 gallon storage capacity contructed at a height of 320 feet. The Assistant Engineer Shri Ramanna who was at the spot on that day said that this was of the first of its kind to be undertaken and executed in a Hill station.

VEGETABLE TONED MILK

Mysore, May 13

Semi-commercial production of Lac-Tone, (milk toned with vegetable protein instead of skim milk powder) at the rate of 100 litres a day has been started at the Bangalore Dairy.

This vegetable protein based product developed by the Central Food Technological Research Institute, not only has all the nourishing qualities of fresh milk but also contains some vitamins like vitamins C and D which are not available in normal milk.

Lac-Tone can be used for making beverages and curds. Children of all ages love it as a nutritious drink. The cost of one litre of Lac-Tone at the point of delivery to the consumer will be 85 paise.

SSP Agitation

Mysore, May 13

The city unit of the Samyukta Socialist Party, meeting here yesterday, decided to march in a procession from the Townhall on May15 at 10 a.m. to the offices of the Deputy Commisioner and Divisional Commissioner to hand over their charter of demands. This is the part of the struggle to be launched by the party throughout the country on that day.

Messrs. Srikanta Sharma and N. Eswar were elected as president and convenor of the struggle committee.

The meeting resolved to include the following local demands in the charter of demands:

Distribution of foodgrans on population basis in the city as was being done in Bangalore and KGF, abolition of sales tax on foodgrains, removal of arrack and toddy shops located near schools, temples and hospitals, supply of filtered water and improvement in the water supply position, houses to labourers and reservation of sites for Harijans and other backward classes in the new extensions being laid by the Trust Board.
